## WILL CONFER ON PAVING Dahlman Leader Denies Letters

Denies that Letters Are Sent Out by the Club to Women of

Letters are being received by various women of Omaha, signed "Mayor Jim," which they sometimes neglect to pay and are causing the mayor's campaign considerable worry. Mrs. C. C. Belden, the wife of a local retailer, sent back to the Dahlman headquarters the letter she received, with a tart expression of opinion written across it. The letter has no heading, is dated July 27, and is on a half sheet of common paper. It reads:

A circular has been sent out from the War department to the different posts in regard to debts contracted by enlisted men to the service of the United States at this post Friday morning by reason of expiration of term of service. If peace and quiet are any criterion of confidence, the Shallenberger branch of the Douglas county unterrified seem to have the best of it. Colonel B. F. At the latter place in the Omaha National Hank building printed matter of various kinds is being received and prepared for mailing.
