W. A. GEORGE

FOR STATE TREASURER

To the Republican Voters of Nebraska:

I was born at Danvers, Maste, May 12, 1861, came to Nebraska in 1871, when 10 years old, with the colony that came to Gibbon in Buffalo county and organized the county of Buffalo; have been a resident of Buffalo and Custer countles ever since; have always been a republican. Served the party three terms as Supervisor of Custer county, was elected and served two terms as County Treasurer, was elected three times Mayor of the city of Broken Bow; was a delegate to the National convention in 1908, and was in that convention elected a member of the Notification Committee to notify William H. Taft of his nomi-

nation. These positions have been largely honorary and I feel highly honored in having held them. I now ask the support of the party for the nomination of State Treasurer. I realize that under the primary law one has to make two campaigns; one to get the nomination and the other to get elected. I know of no better way to do this than through the press. Therefore, I am giving the press a small part of my life work from a public standpoint, and I ask every voter who wants to vote right to look me up and satisfy himself as to my ability and the statements herein made. Should I be nominated and elected I will fill the office to the best of my ability and for the interests of the whole

state, and will thank you for your support. W. A. GEORGE, Broken Bow, Neb.
