**Summary Court-Martial Ordered at Fort Riley**

Governor Stubbs Issues Instructions—Remainder of Nebraska National Guardsmen Arrive at Camp.

**JUNCTION CITY, Kan., Aug. 18.**—An order issued today from the headquarters of the brigadier general at Fort Riley, established a summary court martial in the camp of instruction of the Kansas National guard for the first time in the history of the organization.

Major Chad Hamilton of Topeka was named as the officer to be held in the quarters of the court in charge every morning at 9 o'clock, except Sunday. The establishment of this court is in compliance with an order issued by Governor Stubbs as commander of the Kansas National guard.

The Thirteenth and Fourth regiments of the United States infantry and half of the Seventh cavalry marched out and invested the hills on the reservation this morning, representing an enemy to repel the attack of the Kansas National guard this afternoon.

## Suit With Watch-Sleeve

Long, slender lines are to dominate the autumn street costumes, as evidenced by this smart little suit of black satin cloth, cut with the very narrow banded-in skirt and the hip coat, which follows the lines of the figures while producing a long, slender effect. The binding of braid around the coat edges is a smart new notion. Another feature of this dapper little suit is a little button watch, which is held in place in the cuff of the coat, in the upper side of which is worked a transversed button-stuff. Under this buttonhole is sewn a small pocket little suit of black satin cloth, cut with the very narrow banded-in skirt and the hip coat, which follows the lines of the figures while producing a long, slender effect.
