Aberdeen Rejects Detective Bureau

Bitter Municipal Campaign Results in Defeat of Mayor's Pet Project.

ABERDEEN, S. D., Aug. 24.—(Special.)—After the most bitter municipal campaign in years, the voters of Aberdeen, at a special election yesterday rejected the ordinance favored by Mayor Rock, creating a city detective bureau, by a vote of 1,072 against the ordinance to 503 for the ordinance. Dr. H. J. Rock, democrat, was elected mayor over A. N. Aldrich, republican, at the city election last May by a majority of close to 300 out of a total vote of 2,600. The chief of police under Mayor Aldrich was Charles E. Zirbes. Zirbes became quite unpopular and shortly before election resigned and ostensibly left the city. He was an ex-"plain clothes" man. It was found the mayor did not possess the power under the city ordinance to make such a position permanent, and the friends of the mayor and of Zirbes on the council then passed an ordinance creating a city detective bureau. Mayor Rock thereupon appointed Zirbes chief of detectives with the same salary as that received by the chief of police. A referendum petition was presented, asking the mayor and council to present the new ordinance to a referendum election.
