COLORADO SPRINGS, Colo., Aug. 23.—To the Editor of The Bee: If there be any one blessing enjoyed by the people of free country more precious than any other, that blessing is religious liberty—the right to worship God according to the dictates of one's own conscience, without fear or favor, without the granting of special privileges to one religious cult and the withholding of natural or moral rights from another.

TAFT FAVORS TARIFF CHANGE

Plans Scientific Basis of Revision on Individual Schedules. ONLY FAIR PROFIT TO CONSUMER. Payne Bill the Best Possible with Information of Hand-Common Ground for the Contending Factions. BEVERLY, Mass., Aug. 24.—President Taft's keynote speech for the congressional campaign became known here today. The president's views on the revision of the tariff. While he is still convinced that the Payne-Aldrich law is the best tariff law the country has had up to this time, he has reached the conclusion that there is decided room for improvement.

Judge Sutton Decides for Wooden Blocks

Says the Veto by Mayor Dahlman Was Illegal and Ordinance Was Valid. Judge Sutton decided in the crockery paving case Wednesday that the paving ordinance passed by the city council on demand of interested property owners was valid and that Mayor Dahlman's veto was illegal. The council will either be required to pass the ordinance over the mayor's veto or the mayor will be asked to withdraw his action. The case involves the paving of Sixteenth street from Farnam to Leavenworth with crockery blocks and this was provided for by the ordinance. Judge Sutton also dismissed the intervention suit brought by opposers of the plan.

Nebraska Branch of German-American National Alliance Meets in Omaha. An active campaign in the defense of personal rights against legislation by such candidates as advocate measures against them, was undertaken by the Nebraska branch of the German-American National Alliance in a meeting Tuesday night. The gathering met at the hall of the Omaha Maennerchor. Subcommittees were named in every county of the state to carry on the fight.

Cost of Eggs Considered

Miss Rowan said in the well equipped kitchen of a theoretical to an applied science being demonstrated at the high school at the sessions of the Douglas County institute where experts are instructing the young teachers in the way they should teach the young American sprouts—these experts teach, not by telling, but by showing. For instance, down in the well equipped kitchen of the domestic science department, Miss Gertrude Rowan of the Nebraska university is giving effective illustration of how the profession which first fed woman-kind from the home into the wage earning world is now teaching the basic art of home making cooking. She is also giving talks on home economics as it pertains to sanitation, care of injured, prevention of disease and kindred important topics. Her talks are vivid indicators of the way modern education is getting back to the idea that the home is the root of all study.

HAIR WHITE AS SNOW Restored to Natural Color with One Bottle of WYETH'S SAGE AND SULPHUR HAIR REMEDY. The Only True Hair Restorer, Tonic and Rejuvenator. ALMOST A MIRACLE. My hair was as white as snow when I commenced using Wyeth's Sage and Sulphur Hair Remedy. One bottle restored my hair to its natural dark brown color. As I am now 70 years old, I consider the result most remarkable. It is an agreeable and refreshing hair dressing, keeping the hair soft and glossy, without being in the least greasy or sticky. WM. To Passengers Hanscom Park and North 24th Line Sometime during September Pay-As-You-Enter Cars will be placed on the Hanscom Park and North 24th Street line, and we now desire to call attention to the advantages of this type of car: FIRST—That the conductor is on the rear platform at all times in a position to see that the step is clear before he gives the signal to start the car, thus insuring passengers against accident. SECOND—Avoiding the necessity of the conductor pushing his way through a crowded car, jostling the passengers in doing so. THIRD—The cars load and unload simultaneously, thereby avoiding the usual delay at busy corners. FOURTH—Avoiding the possibility of a second demand for fare, inasmuch as passengers pay when they enter and there can be no question of their having paid. The pay-as-you-enter system has been put in successful operation on the Farnam line in Omaha, as well as in a number of large eastern cities. It is well liked wherever introduced. We ask the public to co-operate with us in having their fare ready before the board the cars.
