Robbers Busy at Virginia

Break Open Safe in H. J. Nicholson Store and Secure Cash.

BEATRICE, Neb., Aug. 26.—(Special Telegram.)—Robbers last night entered the general store of H. J. Nicholson at Virginia, a small town fifteen miles east of here, and secured about \$100 in cash and considerable of silks and other goods. They entered the store through the basement, and once inside, blew the safe, but it is known that it contained about \$100. Silk goods and other articles were carried away. The robbers covered up their tracks so completely that the officers have been unable to get any clue to work on. It is believed that they are members of the famous John Boy's gang which has been operating for years in southern Nebraska and northern Kansas.

If there be anybody who still doubts, all he has to do is ask me. And he may be sure that after I have answered, my course after election will be exactly in keeping with my promises to the people before election.

DAHLMAN GAINS SLIGHTLY

Official Count of Douglas County Increases His Lead to 125.

With the official returns in from Douglas county, the plurality for Dahlman is now 125. Thurston county has not been returned to the state canvassing board yet, being the last county to make its report, but it is expected that there will give Dahlman 100 and Shallenberger 60. The official report for Douglas, although completed, has not been verified and will not be sent in until Saturday.

DAHLMAN TELLS WHERE HE STANDS

DAHLMAN TELLS WHERE HE STANDS

Eastman, democratic candidate for rail commissioner, has not been tabulated, but the official figures show that he is in the lead of his opponents. Jackson, for state superintendent, has the democratic nomination hands down. The defeat of Victor Wilson for railway commissioner is the noticeable development of the late figures.

DAHLMAN TELLS WHERE HE STANDS

When consideration is given to the fact that only a couple of years ago the company was struggling along and was expected to be a failure, the record of the past few years is a high one. The showing for 1910 becomes the more significant. Since that time the property has undergone a considerable amount of improvement and development, its cars and engines have been raised to a higher standard of efficiency, and as a result added, so that at the present time the road is in condition to operate effectively at all times. Quite in contrast with a few years ago is the present service of the road, as its freight and passenger business is now handled promptly and in the most efficient manner.

The canvassing board in Lancaster finished twenty-three precincts Thursday out of the fifty-three in the county, in the report of ballots. It was found that Dahlman makes a net gain of fifteen votes. In Precinct C of the Fourth ward the precinct board returned 49 votes for Shallenberger when they should have returned 25. Other changes reduced the advantage to 15 votes.

Dr. Loveland Says Rut and Grave Are About Alike

Thinks that Ministers Should Move Around and Keep Out of the Rut.

Dr. F. L. Loveland, pastor of the First Methodist church, who has just returned from a chautauque lecturing tour of six weeks' duration, is most enthusiastic over chautauque work as a summer avocation. "No man is more apt to fall into a rut than is the preacher, and chautauque work, which gives him an opportunity to exchange ideas with the best people of the communities in which he talks, is just what he needs to keep him out of this rut," said Dr. Loveland. "The only difference, you know, between a rut and a grave lies in their different depths."
