

S.S.S. CURES MALARIA

Malaria is a species of blood poverty known as Anaemia; it is a condition in which the circulation is so weak and impure that it is unable to supply the system with sufficient nourishment and strength to preserve ordinary health.

The real source of malarial infection is a question about which medical authorities differ. Some take the position that it is an atmospheric poison, the germs of which are breathed into the lungs and thus transmitted to the circulation.

While the profession differ about the actual method of malarial infection, they all agree that Malaria is a BLOOD DISEASE, and any treatment to successfully overcome its effects must PURIFY THE BLOOD.

While the germs of Malaria get into the circulation, the nutritive properties of the blood are weakened, the rich red corpuscles being gradually destroyed by the malarial poison. Then the symptoms of the disease begin to be manifest. In the first stages of Malaria the complexion becomes pale and sallow, the appetite is affected, the system grows bilious, and there is a general feeling of lassitude and weakness.

Malaria can only be cured by removing the germs from the blood. Purging the liver and bowels with strong, nauseating cathartics can never reach the real seat of the trouble, because such things do not affect the circulation. S. S. S. searches out and destroys every particle of malarial infection and builds up the blood to a healthy, nourishing condition.

POISONED BY THE GERMS OF MALARIA. I began using your S. S. S. probably ten years ago for Malaria and blood troubles, and it proved so good at that time that I have continued ever since using it as a family remedy.

NO RELIEF UNTIL S. S. S. WAS TAKEN. I had a horrible attack of boils that broke out all over my body, from Malaria, and from which I could get no possible relief until I began taking your medicine, and from my experience I can safely say that S. S. S. is the best blood purifier in the world.

FALLS CITY TEAM OF THE MINK LEAGUE.

LARNED IS TENNIS PROBLEM

Enthusiasts Downcast Because He May Not Lead Fray. FATHER REFUSES TO SPARE HIM. American Players Fear They Cannot Put Team in Australian Tourney if Larned's Father Doesn't Let Him Take Part.

FOOT BALL PRACTICE IN IOWA

Ames, Des Moines and Drake Teams Are Lining Up. DES MOINES, Sept. 3.—(Special)—With the beginning of foot ball practice at Ames this next week the preliminary foot ball training in the state of Iowa is on in earnest.

Des Moines will be unusually busy so far as foot ball games are concerned this fall. The Drake school will be the scene of fourteen foot ball contests beginning four weeks from today, with the Des Moines college-Drake game, and ending with the annual Ames-Drake game on November 24. With the exception of September 30, and October 7, there will be either a Des Moines high school game or Drake university game every Friday and Saturday until the season closes.

IDA GROVE IS COMING BACK. High School Will Have Strong Foot Ball Team This Year. IDA GROVE, Ia., Sept. 3.—(Special)—Ida Grove is coming back. The foot ball squad has been ordered out for the first practice next Monday, and there is a wealth of good material for the building of a strong team.

EHLER IN CHARGE OF BADGERS. New Athletic Director at Madison an Experienced Man. MADISON, Wis., Sept. 3.—(Special)—George W. Ehler, the newly appointed athletic director at the University of Wisconsin, will arrive here early this week.

Yale Finds No Good in New Foot Ball Rules

Foot Ball Men at New Haven Down in Mouth and Think Rules Will Be Changed.

NEW HAVEN, Sept. 3.—If reports drifting down from New Haven can be believed they do not think much at Yale of "new foot ball" very latest. Foot ball men have been at New Haven from time to time during the past fortnight and letters have been received here.

All in all Yale is not very optimistic over the outlook. A radical statement was to the effect that the rules committee would have to meet in midseason and change the code. It was explained that this step would be necessary to prevent the big games from becoming farcical.

Morever, Yale will not make haste to get her men out for early practice. As usual the squad will report two weeks before college opens.

An innovation is at hand, however, in that they will journey to Lakeville, Conn., instead of trotting out on the mud grass of Yale field. The men will report on September 12. Practice will be held on the grounds of Hotchkiss school and the squad will be quartered in the dormitories there.

Two reasons caused the shift in the early practice scene. One is that cooler quarters are obtainable at Lakeville; the other that the management wishes to save the Yale gridiron as much as possible.

The players will be able to do more cross-country work, including mountain climbing, than was possible at New Haven. Then preliminary practice at Yale field always cuts up the gridiron so that the task of putting it in shape for the big games is a hard one.

It is reported that the squad will return to New Haven on September 26. Yale opens the season with Wesleyan the following day. This, by the way, is odd, for college does not open until September 23, and special faculty permission had to be secured for the Wesleyan game.

Water Camp has returned to New Haven and is busy mapping out Yale's strategy for the season. In this phase of the work he will be helped by George Foster Sanford, who used to teach Columbia men how to play foot ball. Sanford will be with the team at Lakeville. Head Coach Edward Harris Cop is in Wisconsin, Backfield Coach Harry Holt in Michigan and Captain Fred Daly in Canada.

ROURKE FAMILY HOME AGAIN

Omaha Team Gets Back from Its Most Successful Trip.

PLAYERS ALL IN GOOD CONDITION

Ready for a Stirring Season with the Lincolnites, with Des Moines and Topeka to Follow Later.

All the hullabaloo that was kicked up down around the depot Friday was not on account of the arrival in the city of Theodore Roosevelt, most of it was because Pa'Rourke and his team came home from their most successful trip of the season.

The welcome extended the Rourke family on this occasion just goes to show that we like 'em a little bit better when they are winning. When they were losing game after game as fast as they could be played, we liked them, but we wanted to spank them. Now it is different.

Team in Good Condition. Just now things are in the best condition for base ball they have been in all season. The pitchers are working well, and the team is putting up a grand game behind them.

First of all comes Lincoln, and the Rourke family feels that it simply must have four games straight in order to get even with the Despain crowd for the rough handling the last time they met.

Not a Surprise. The drafting of Schoonover and Riggert was not a surprise to Pa, for he knew that Boston was after Riggert, and Brooklyn takes up four with Lincoln. Then comes Des Moines for four, and after that Topeka for a series transferred from the Kansas capital.

GOLF AT THE COUNTRY CLUB. Four Fifteen of Sixteen Players Each Are on the Card for the Day. Golfers of the Omaha Country Club will contest for some big stakes Saturday, the occasion being the annual club contest.

AUTO CONTEST TO SIOUX CITY. Affair Open to Owners from Omaha as Well as Bluffs. An automobile race sufficient to attract some big crowds is being held Saturday, the race is being planned by Council Bluffs and Sioux City car owners.

"BIG MAC" FIRED FROM PHILLIES. Pitcher George McQuillan Gets Unconditional Release. PHILADELPHIA, Sept. 3.—George McQuillan, one of the best pitchers in the major leagues, has been suspended by "Red" Doolin, manager of the Phillies, and it is unlikely that he will be allowed to pitch for the team again this season.

England Holds Old System. It is improbable that so long as Larned is willing to defend at Newport any change will be made despite the agitation. England holds to the old system, so why not America? At the national association meeting Larned stated that he would continue to defend the title until a champion had been developed to defeat him, the statement being called forth by the fact that Larned captured outright the two cups, the two-year Casino trophy and the three-year association cup, so that new prizes must be provided another year.

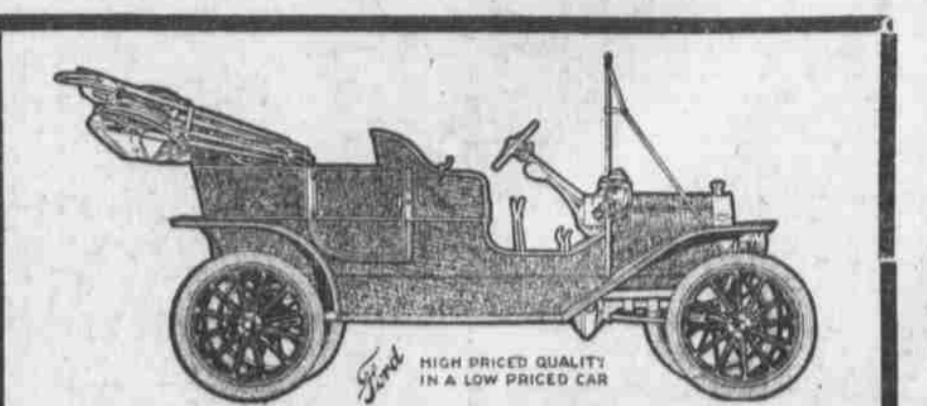

GOTCH'S TEAM WINS BIG PURSE. Charles City Defeated by Score of Two to One. MARION CITY, Ia., Sept. 3.—(Special Telegram)—The tri-state base ball carnival was won today by Frank Gotch's team, which defeated Charles City by the score of 2 to 1. This contest was for the championship of semi-professional ball for Iowa, Minnesota and Nebraska and for a purse of \$1,000.

FROM the standpoint of economy and satisfaction—the main factors entering into the purchase of an automobile—you must give your undivided attention to the Chalmers, the car which early in its career earned the title of "The Champion Car," and which has lived rigorously up to the reputation ever since.

Chalmers cars have proved that nowhere else can you get so much value—price considered, as you get in the Chalmers. Because Chalmers cars are built on a quality, rather than on a quantity basis. Because they are manufactured and sold on a small margin of profit. Because they are built to give the service that a buyer wants when he gets a car.

YOU CANNOT get a good automobile and the service that a good to you and for taking care of your automobile should give without afterwards.

CHALMERS MOTOR CARS. CHALMERS "30" 1,500. CHALMERS "40" \$2,750. WE WANT GOOD AGENTS IN EVERY TERRITORY. Arrange Demonstration. H. E. FREDRICKSON AUTOMOBILE CO.

We Are Doing AUTO TOP BUSINESS Of the West. We are now located in our new factory at 15th and Jones and have the most complete equipped auto top factory in the west. We make first class tops for all kinds of cars and are in a position to give you prompt service.

Announcement. I beg to announce that I have accepted the agency of the famous Lexington car, and have formed a company to be styled the E. R. Wilson Automobile Co. at 2010 Harney street. We will be distributors of this car in Nebraska, South Dakota and Western Iowa. E. R. WILSON, Formerly Manager Paxton-Mitchell Co.
