ROURKES TRAMPLE TOPEKA

Omaha Tribe Takes Both Ends of a Double-Header.

MAKE SEVEN RUNS EACH TIME

Cooleyites Whitewashed First Session and Get Only Three Runs in the Second Event.

Omaha, 7; Topeka, 0.
Omaha, 7; Topeka, 3.

Both games in the Omaha-Topeka double header yesterday were gathered in by the Rourkes in one of the best batting exhibitions they put up this season. Every Rourke and nearly every Cooleyite hit in one or both games.

Schoonover and Acock were the bright and shining lights in the batting end of the game. In the first game Schoonover poled out two two-baggers and one three-bagger in four times up, and Acock hit for two singles and a double in five times up.

Melter, twirling the first game, allowed the visitors only five hits. Only two Topekans were able to get as far as second and and not one went to third. Melter had almost perfect support and the Kansas aggregation went the put out route in the one-two-three order.

Three Two-Baggers in One Inning.

Omaha scored three runs in the second inning. Three singles, two walks, a man hit and an error did the work. The fourth run was made by Schoonover in the fourth. He batter a two-bagger to left field and came home on errors by Thomanson and Peoples. Three more were made in the eighth on a single followed by three two-baggers.

Topeka scored first in the second game with three runs in the third and for a time things looked bad for the locals. But in the fourth, fifth and sixth innings the Rourkes picked up a batting streak and landed on Barber to rnine hits, bringing home seven men.

Notes of the Game.

Today's game will be the last until September 26, when Omaha opens with Sioux City for the last four games on the home grounds.

Today is ladies day.

The Rourkes were in a bad hole in the fourth inning of the second game with with only one out and three Topekans on bases, but Rhodes held them to two little infield grounders for the outher two outs and no one scored.

With a man on first and a an on third, King batted an easy grounder into Barber's hands, Barber couldn't make up his mind which man he wanted to put out and while he was holding the ball trying to decide, everyone went safe. He still held the sphere when the umpire woke hi up.

Riggert and Kane worked a double steal to perfection in the first game, Riggert scoring from third and Kane stealing second.

Jack Haskell had more desicions contested by the crowd and was the recipient of omre abuse yesterday than in any two games he has umped in Omaha this season.

Melter and Rhodes each sent only one man to first on a free pass.

In the first game only seven Topekans saw first. Five went down on sigles, one on an errors and one on a walk.

Thomason was back in the game with Topeka after a sojourn at Cleveland.

Out of a total of forty hits in the two games Schoonover, Riggert, Acock and Thomson were the only ones getting more than a single.

Happy Hollows Are Champions

Club Ball Team Trims Gas Company, Nine to Nothing and Becomes Saturday Afternoon Champion.

The Happy Hollow club ball team defeated the Omaha Gas company's ball team Saturday afternoon by the score of 9 to 0. The clubmen pounded Eisenhart for eleven hits in six innings for a total of four runs. He was replaced by Kelly, but the club team had their batting clothes on and refused to stop until they had annexed five more pearlies off his delivery. Eastman was the boy with the "big stick," getting four hits out of five times to bat. The Happy Hollow team played errorless ball and several plays bordered on the sensational. Durkee accepted eight chances without a wobble, making some very difficult catches.

This practically decides the championship of Saturday afternoon teams, as the Gas company's team claimed these honors. Score:

Crowd Attacks Fight Referee

Policeman Saves Official at End of Boxing Match at Osthoff Hall.

Enraged at the referee's decision in calling the main bout a draw, a score of spectators tried to attack the official at Osthoff hall Saturday night. Policeman Walker saved the referee from injury by jumping to his side and warding off the assailants.

The trouble grew out of the match between Kid Spady, colored, and Tom Smith, white, which was a ten-round go. Friends of the negro flew to their feet, when the official called it a draw. They contended Spady nearly had his opponent out for the count, and should have had the decision. There were several preliminaries and a battle royal, won by Arthur Davis.

Auto Mark Seven Times Lowered

De Palma's Circular Track Record for Mile Shattered—Oldfield Holds it Now—Made Second Trial.

ST. PAUL, Sept. 11.—Ralph De Palma's world's automobile circular track record for one mile was broken seven times at the state fair track here yesterday afternoon. De Palma, Kerscher, Burman and Oldfield all lowered the mark of 51.80 seconds set by De Palma on the same track one year ago, but Oldfield succeeded in making the best time of any of them, the new record being 49.25 seconds. Each man was given two trials at the record.

Oldfield made a second trial and although a tire came off near the finish he made the distance in 50.80 seconds.

ATHLETIC RECORDS BROKEN

George Bonhag Reduces Figures in Mile Run.

NEW YORK, Sept. 11.—At Travers Island yesterday the annual senior championship contests of the Metropolitan association of the American Athletic union were marked by the breaking of three American records in the five-mile run by George W. Bonhag of the Irish-American Athletic club, and the failure of Melvin W. Shepperd to get away at the start of the first trial heat of the 440-yard race. Bonhag practically led all the way in the five-mile run which he won easily by a fifth of a mile in 26:09⅘, a new American record. The former record was made by E. C. Carter of the New York Athletic club in 25:23⅘ on September 17, 1887. Bonhag today made two other American records in the same race, the first being 20:11 for four miles, beating 20:15⅘ made by the late William Day twenty-one years ago and the four and one-half mile record of E. C. Carter made twenty-three years ago. Carter's time then was 22:50⅘, but Bonhag romped past the mark in 22:45⅘.

Two Hundred Seventeen Starters Will Enter Contest for Amateur Championships at Boston.

BOSTON, Sept. 11.—The first drives over the country club links were made yesterday by nearly ten score of the leading amateur golfers of the country in the final practice rounds for the supreme test of the year next week. Although the first pair will drive off from the broad tee on the western edge of the polo field at 8 a. m. Monday in the preliminary round it will be nearly sundown before the last pair makes its getaway and moonlight before they roll down through the last puts.

The play on Monday will be at eighteen holes only, the first sixty-four to qualify.
