 suit in district court against the Burling-  
 ton railroad for \$10,000. He alleges that  
 while employed at the depot handling mail

 pile of mail sacks loaded on a truck. The  
 sack slipped, he says, and he was thrown  
 violently to the ground and was painfully  
 injured.

**Alleged Burglars Waive Preliminary—**  
 The case of Major Jones and William  
 Langford, the two negroes who have been  
 carrying on such a systematic campaign  
 of burglary in Omaha this summer, came  
 up before Judge Crawford in police court  
 this morning. When the negroes saw the  
 mass of evidence against them they waived  
 the preliminary examination and were  
 bound over to the district court on  
 \$500 bonds.

 majority of the members are either col-  
 lege boys or just out of college. E. W.  
 Fairbanks being in charge of the party.  
 No stop will be made here, the party  
 merely being changed from the Union Pa-  
 cific for the Milwaukee train for Chicago.

**PRIZE WINNERS IN  
 BENNETT'S PIANO CONTEST**

**Judges Have a Difficult Task Select-  
 ing from Over Six Thousand  
 Entries.**

In the big ballroom contest which  
 closed at 5 p. m. Monday evening, the  
 Bennett Piano Department received over  
 6,000 answers to their eight days' ad-  
 vertising campaign. Replies came from  
 New York and Los Angeles, from Canada  
 and Mexico. Persons connected with the  
 carrying on of the contest were astonished  
 at the number of entries.

James Austin of the Daily News, George  
 Stein of the Council Bluffs Nonpareil, and  
 George J. Duncan of the Omaha Bee, were  
 the appointed judges, and it was a hard  
 task they had. Out of the 6,000 replies a  
 vast number were correct, and the de-  
 cisions were based upon the correctness of  
 the replies again were correct. Again the  
 judges found a difficult task and it was  
 only by studying and checking every little  
 point of question that the decisions were  
 finally made and the prizes awarded in  
 the following order:

First, Donald McDaniel, 5015 California  
 street, Second, John A. Horn, 2306 11th street,  
 South Omaha; Third, Miss Daisy Capron,  
 310 West Broadway, Council Bluffs; Fourth,  
 Charles Haffner, 201 Strand Street, Fifth,  
 D. L. Mills, 329 North Twenty-fifth street,  
 Sixth, Mrs. Emily J. Barr, 800 Strand  
 building, Seventh, Alta P. Hotchkiss, Ben-  
 son, Neb.

Another large list received honorable  
 mention.

**DANISH BROTHERHOOD WILL  
 ENTERTAIN BIG DELEGATION**

Three Hundred Members from Elec-  
 where to Stop in City En-  
 route to Conclave.

The members of the Danish Brotherhood  
 of America in Omaha and South Omaha  
 will be the hosts September 27 and 28  
 delegates to the national convention of  
 that order which meets in Fresno, Cal.  
 October 1.

The conclave will be the quadrennial  
 gathering of the order and will be at-  
 tended by hundreds of delegates from all  
 over the country. Five regularly ap-  
 pointed men will represent Omaha and  
 South Omaha and a number of excursion-  
 ists will accompany the special train  
 which will leave Omaha over the Rock  
 Island. The delegates going through will  
 be given a reception at Washington hall  
 the night of September 27, with an en-  
 tertainment to follow and a trolley ride  
 the next day.

**COLORED MAN TAKES LIFE**

**Will Kellogg, Separated from Wife,  
 Gets Tires and Shoots  
 Himself.**

Brooding apparently over his relations  
 with two women, Will Kellogg, colored, shot  
 himself through the head last evening at  
 the residence of his friend, Lon Hilday,  
 colored, 1202 South Fifth street. The tragedy  
 was not discovered until 11 o'clock this  
 morning when Hilday, who is a waiter at  
 the Home hotel, got home.

Life had evidently been extinct for sev-  
 eral hours. In the man's right hand was  
 a .22 calibre revolver. On a table in the  
 sitting room was a letter addressed to the  
 man's mother, Mrs. Nettie Kellogg, 2810  
 Grant street, janitress at the postoffice,  
 telling of the deed he intended to commit  
 and two photographs. One of the photo-  
 graphs was of his wife and the other of  
 a Jewish girl who ran away with her  
 mother's diamonds two years ago and was  
 arrested in Iowa with Kellogg.

Kellogg had been separated from his wife  
 for two years. She is now living in Salt  
 Lake City.

**A Reliable Medicine—Not a Narcotic.**  
 Mrs. F. H. Smith, St. Joe, Mo., writes:  
 "My little boy, who is now 10 years old,  
 was very sick with a severe bronchial  
 cough and the doctor's medicine did not  
 cure him. I gave him Foley's Honey and  
 Tar in which I have great faith. It  
 cured the cough as well as the choking  
 and sneezing spells, and he got well in a  
 short time. Foley's Honey and Tar has  
 many times saved my child, trouble and  
 worry. I am ever yours, I. H. Smith." Sold  
 by all druggists.

## ABDIE RICE MAY TESTIFY

**Star Witness May Be Taken from  
 Denver to Louisville.**

**TESTIMONY IS AGAIN REPEATED**

**Plaintiff Hopes, by Proving Alibi,  
 to Establish Claim to the In-  
 surance on the Life of Dr.  
 Frederick Rustin.**

Whether Abdie Rice will testify in per-  
 son at the Louisville trial of the Rustin  
 insurance case, whether his deposition  
 will be taken is not yet known, attorneys  
 for the insurance company are keeping  
 this a secret, although they have hinted  
 that they will go from here to Denver and  
 take his testimony there.

The Rice woman is living in a Denver  
 resort. Attorneys for Mrs. Rustin ex-  
 press belief that she will be taken to Kentucky  
 to testify. The defense will contend that  
 her story of the death of Dr. Rustin is  
 true, for the legal effect of a suicide com-  
 pact is the same as if Dr. Rustin himself  
 fired the shot which killed him.

Latham Davis, brother of Charles E.  
 Davis, was the principal witness at the  
 second day of deposition taking. Mr. Davis  
 was subjected to a long cross-examination  
 as to his brother's habits, and the witness  
 expressed himself with evident feeling at  
 times.

"My brother," said he, "was never a  
 morphia fiend, although I know many  
 people think so. He only took narcotics  
 when he had attacks of mania or of  
 sleeplessness. He took morphia just  
 as you or I would take medicine."

**Tells of Suicidal Attempts.**  
 Mr. Davis testified to several suicidal at-  
 tempts made by Charles E. Davis, includ-  
 ing one on September 2, 1908, the day after  
 the night in which Dr. Rustin was shot.  
 Another attempt was three days previous  
 to September 1. The defense brought out  
 the fact that the attempt of suicide after  
 the shooting was made by swallowing morphia  
 tablets obtained on a prescription written  
 by Dr. Rustin. Mr. Davis' testimony on  
 direct examination was to the effect that  
 his brother's relations with the physician  
 were those of patient and doctor.

The witness declared that his brother is  
 traveling in Europe, that his family does  
 not know when he will be back. "It might  
 be tomorrow or it might be a year hence,"  
 Frank Graham of the Omaha National  
 bank was really the star witness for the  
 plaintiff. His testimony has to do with  
 his discovery at 2:45 a. m. of the disturbed  
 condition of the bath room at the Chatham,  
 a situation corresponding to that in Davis'  
 room, a coincidence which it was asserted  
 the Davis trial located him way down-  
 town some minutes before the time of the  
 Rustin shooting.

It is with this Davis alibi and asserted  
 discrepancies in and contradictions of Ab-  
 die Rice's story that the plaintiff will go  
 to the jury saying that there is no proof that  
 Dr. Rustin killed himself or was killed  
 as the result of a compact with Davis.  
 Therefore, according to this theory, Dr.  
 Rustin was not a suicide and his widow  
 should get the accident insurance.

Dr. W. H. Lavender repeated his testi-  
 mony at the trial. His evidence is em-  
 phatic that the wound which killed the  
 doctor was not self-inflicted.

**Strange Floater  
 Thought Suicide**

**Body Taken from River Appears So  
 Weighted that Victim Might  
 Have Killed Self.**

Those who inspected the strangely bound  
 floater which was found in the Missouri  
 river Monday, gave it as their opinion  
 Tuesday that the man had been a suicide.  
 No one was permitted to touch the corpse  
 or tamper with its features or weight  
 pending the arrival of Coroner  
 Peters of Sarpy county.

The corpse was placed in the Brophy un-  
 der-taking rooms at Papillon Tuesday  
 morning and the coroner was announced  
 to arrive from Springfield soon after to hold  
 the inquest.

Mr. Brophy, the undertaker, declared over  
 the telephone that the wires about the  
 body were fixed in such a fashion to each  
 individual limb leaving all free that the  
 body might have been adjusted by the  
 victim himself. The man evidently was  
 about 30 years old, with a full face and a  
 good set of teeth.

**Quick Action  
 Averts Big Fire**

**Explosives Are Hushed Out of the  
 Way Just in Time by City  
 Employee.**

Presence of mind exhibited by H. N.  
 Milburn and his assistant, A. B. Draw-  
 baugh, at the city asphalt and cement  
 testing laboratory, 1114 Nicholas street,  
 this morning, averted what easily might  
 have been a serious explosion and fire.  
 Some carbon bisulphide with which they  
 were working spilled over and ignited al-  
 most instantly. There was a large amount  
 of explosive and inflammable stuff in the  
 room, but Milburn and his assistant,  
 working with utmost difficulty in a room  
 filled with choking fumes, managed to get  
 it out of the way before the flames  
 reached it. The fire department, which  
 soon arrived on the spot, managed to put  
 out the original fire in a few minutes.  
 There was but slight damage.

"Can be depended upon" is an expression  
 we all like to hear, and when it is used in  
 connection with Chamberlain's Colic, Chol-  
 era and Diarrhoea Remedy it means that it  
 never fails to cure diarrhoea, dysentery or  
 bowel complaints. It is pleasant to take  
 and equally valuable for children and  
 adults. Sold by all dealers.

**PUPILS ARE IN THE NEW WING**

**Several Changes Have Been Made at  
 the High School—Drill  
 Soon to Begin.**

On account of the large enrollment last  
 week at the Omaha high school, and not  
 being able to use the new wing, the stu-  
 dents were handicapped by the lack of  
 room. The classes are now being arranged  
 to the benefit of both student and teacher,  
 and study will soon be in good progress.  
 One change is already made from the old  
 room to the new building, that of Miss Du-  
 Mont in gymnasium. Miss Pullaway is in  
 charge of the lunch room, instead of Miss  
 Turner, who has been in charge before.  
 Nothing definite as to the time of drill  
 is known, but it is expected to begin the  
 latter part of this week.

Winds in This  
State Are Too  
High for Fruit

**Oregon Fruit Expert Declares Ne-  
 braska Fails on Fruit—Dis-  
 agrees with Roosevelt.**

There is too much wind prevalent in Ne-  
 braska for the state ever to produce a  
 commercial supply of fruit, according to  
 H. C. Atwell, president of the Oregon State  
 Horticultural society Tuesday. Mr. Atwell  
 is stopping in Omaha for several days, fol-  
 lowing his return from the National Conser-  
 vation congress at St. Paul, Minn. He was  
 one of the five delegates sent to the  
 congress by Governor Bowerman of Oregon.  
 Mr. Atwell incidentally remarked in  
 his interview, that he and his associates in  
 Oregon hold an opposite view on conserva-  
 tion, to that held by former President  
 Roosevelt.

"I believe that so far as is possible," he  
 said, "the states individually should have  
 control of the forests that lie within their  
 borders. Roosevelt maintains that the  
 national government should exercise  
 exclusive control of all forest lands in the  
 country."

Concerning the fruit growing industry,  
 Mr. Atwell explained that his state and the  
 coast section will always remain the  
 source for the rest of the country. He  
 pointed out that this section is a great  
 agricultural one, with climate conditions  
 particularly suited to agriculture, but par-  
 ticularly unsuited to horticulture on a large  
 scale. The farmers hereabout, he said,  
 might profitably raise fruit in small quan-  
 tities for their own community demand, but  
 they can never enter the commercial fruit  
 field.

Mrs. Atwell is with her husband on his  
 trip, and the couple are the guests of Mrs.  
 C. C. Wright, a cousin of Mrs. Atwell. C.  
 Wright, vice president of the M. E.  
 Smith company, is also a cousin of Mrs.  
 Atwell.

Schwab Goes to  
Meet the Prince

**Former Head of the Steel Trust to  
 Pass Through This City  
 Thursday.**

Charles M. Schwab, president of the  
 Bethlehem Steel works and one of the  
 greatest financiers of the age, will be in  
 Omaha for a short half hour Thursday  
 afternoon. He arrives in his private car  
 "Loretta" at 2:35 p. m. over the North-  
 western and goes out on the Union Pacific  
 at 4 on his way to San Francisco, where  
 he is to meet the Chinese royal prince.  
 His arrival here on September 13, 2.  
 From there he will come east with the  
 royal party.

Altogether there will be a party of sixty  
 people accompanying the noted oriental  
 when he makes the trip across the  
 United States. His party on the steamer  
 consists of thirty and the Schwab party  
 is eighteen or twenty besides the other  
 prominent persons, both American and Chi-  
 nese, who are to be on hand to welcome  
 Prince Tei.

Many conjectures are being made by  
 those interested as to why Schwab, the  
 financier and steel man, should go to  
 meet Tei Tsai, the head of the Chinese  
 navy. Rumors of China before going to  
 enlarge his navy are among these.

**Teddy's Trip Too  
 Long for Stamp**

**Postoffice Authorities Decline to  
 Send Picture to England  
 for Two Cents.**

"Subject to letter rates" and "closed  
 against inspection" are two statements  
 which the New York postoffice authori-  
 ties say are applicable to Theodore  
 Roosevelt. At least they were stamped  
 upon him very plainly when he hove in-  
 to the local postoffice on Tuesday morn-  
 ing after an unsuccessful attempt to  
 take a trip to Europe upon the javan  
 sum of 2 cents.

The particular copy of the erstwhile  
 president in question was an elaborate  
 caricature of him in rough rider cos-  
 tume, beautifully and artistically stuffed,  
 a souvenir of his recent Omaha visit.  
 The novelty was addressed to Mrs. Winn,  
 12 Penverton Terrace, Redwith, Cornwall,  
 and bore in one corner the information  
 "at it was from May." It looks now  
 as though if the distinguished traveler  
 is to make his projected European tour  
 May will have to produce the two ad-  
 ditional coppers which are necessary to  
 secure him first class passage to the  
 Cornwall address.

**Mail Car Turns  
 Over on Its Side**

**Strikes Piece of Brick and is De-  
 railed, Blocking Traffic for  
 Some Time.**

A very small piece of brick put the mail  
 car schedule of Omaha out of business  
 about 5 o'clock Tuesday morning. The new  
 mail cars had been running on perfect  
 time, having established a record during  
 the several weeks they are in commission  
 for speedy and correct delivery and col-  
 lection service.

Mail car No. 3 ran upon the brick which  
 lay on a rail at Twenty-fourth and Burdette  
 streets and the car left the tracks, turn-  
 ing over on its side the minute it struck  
 the asphalt. With the exception of a few  
 broken windows no serious damage was  
 done. Traffic was held up for about thirty  
 minutes.

## NOTED CARDINAL IS COMING

**Cardinal Vincenzo Vannutelli to Visit  
 in Omaha Next Week.**

**RETURNS WITH BISHOP SCANNELL**

**Is Making a Tour of the United  
 States Simply as a Visitor. His  
 Legation Having Lapsed  
 at Montreal.**

Cardinal Vincenzo Vannutelli, one of the  
 six foremost prelates in the world, will  
 visit Omaha on September 22, leaving the  
 following day for St. Louis on his tour of  
 America.

News of his coming was received Tuesday  
 by Monsignor Colaneri and plans for the  
 reception of the cardinal, who has been at-  
 tending the Eucharistic congress at Mon-  
 treal as papal legate, were immediately  
 taken up. It is believed that Archbishop  
 Ireland will accompany the cardinal.

Grand Knight Thomas P. Redmond, when  
 apprised, immediately called a special  
 meeting of the knights of Columbus to be  
 held at 8 p. m. Tuesday at the headquarters  
 in the Board of Trade building, for the  
 purpose of taking up the reception plans.

"Some time ago the knights prepared a  
 reception and banquet for Archbishop Ire-  
 land," said Mr. Redmond, "it is probable  
 that this will be combined with the recep-  
 tion to the cardinal. The decision was put  
 in the hands of the 300 or 400 knights as-  
 sumed to the special meeting."

**Many Assist in Reception.**  
 Prominent local priests and laymen will  
 participate in the reception, collaborating  
 with the knights, acting as the present  
 plans. Other Catholic orders will also  
 share in the reception, including the Cath-  
 olic Order of Foresters, the Women Fore-  
 sters, the Ancient Order of Hibernians and  
 others, it is believed.

Efforts are being made to secure the  
 Fourth Degree Knights to appear in their  
 full regalia as a special military escort.  
 Mr. Colaneri and other prominent clerics  
 also have begun arranging for the recep-  
 tion, the plans for which probably will be  
 ready for announcement within a day or  
 two.

Among those who will have prominent  
 shares in the welcoming and entertain-  
 ment of the distinguished churchman are  
 Very Rev. J. J. Zettler, Very Rev. John  
 T. Smith, Very Rev. J. B. Fitzgerald of  
 Wisner and Very Rev. J. Vranek.  
 In the Omaha diocese there are several  
 priests who have been to Rome, some of  
 whom there met Cardinal Vannutelli.  
 Among them are Rev. P. A. Moloney,  
 Rev. James W. Stannon and Rev. Edward  
 Gleason.

**City to Be Decorated.**  
 The tentative arrangement for the recep-  
 tion include decorations of buildings and  
 at various points possibly the streets.

In this, the Papal colors, the American  
 flag and the colors of the Knights of Col-  
 umbus will predominate.  
 The news of the party's coming was tele-  
 graphed to Monsignor Colaneri by the Rt.  
 Rev. Richard Scannell, bishop of Omaha,  
 who will accompany the Cardinal from St.  
 Paul.

"We did not expect that Cardinal Van-  
 nutelli would arrive in Omaha so soon," said  
 Monsignor Colaneri.

Evidently his plans have been changed,  
 and it is thought his itinerary will now allow  
 him to go west of the Rockies, though the  
 original plan included a trip to San Fran-  
 cisco.  
 The cardinal leaves Montreal today, visit-  
 ing Toronto and Ottawa before going to  
 St. Paul. His first plans provided for his  
 visiting New York before coming to  
 Omaha. It is his intention, however, to get  
 as full an impression of the United States  
 as is possible.

Cardinal Vannutelli is accompanied by a  
 suite of eight, including several persons  
 whose names are world-famous in eccle-  
 siastical circles. His progress on the jour-  
 ney from Rome to Ottawa and his recep-  
 tion in Canada have been remarkable.

Although the landing of a papal legate  
 on English soil has been illegal since the  
 time of Henry VIII., and no legate had set  
 foot in Great Britain for 300 years, when  
 Cardinal Vannutelli landed on his tour to  
 Canada, his reception was marked with en-  
 thusiasm not only on the part of Catholics,  
 but of government officials.

 and they all advised an operation. Lydia E.  
 Pinkham's Vegetable Compound made me  
 a well woman and I have no more backache. I  
 am ready to tell every one what this medicine  
 has done for me."—Mrs. Emma Imse, 833 First

**Pittsburg, Pa.—**"I had backache for four  
 months steady and tried everything for it, but  
 nothing helped me until I took Lydia E. Pinkham's Veget-  
 able Compound. After the first bottle I felt a change. I took five in  
 all and I am cured. I have not had any backache since. I think  
 the Compound is wonderful for women."—Mrs. G. Leiser, 5219  
 Kinkaid St., E. E., Pittsburg, Pa.
