

PHYSICAL EXAMINATION HELD

Candidates for High School Team Will Begin Practice.

GRAFF URGES SMOKING RULE

Regular Drill Starts at School and Promotions Are Announced—Principal Advises Students to Prepare for College.

The physical examination of all the candidates for the foot ball team is completed, and practice will begin immediately. Coach Carns is busy fitting the boys out with suits. At an enthusiastic meeting in the locker room Tuesday afternoon, Eddie Burnett offered his services in coaching the boys in connection with Coach Barnes. Eddie Burnett graduated from the Omaha High school in 1906 and had been for four years a member of the team. In his last year he was elected captain. He has played two years on the Nebraska foot ball team and was prominent in base ball and track work while at high school. Burnett congratulated Coach Carns on the splendid material and said that he expected a strong team this year.

Principal Graff yesterday urged in a circular that all pupils intending to go to college prepare their courses of study accordingly. He says that many of the pupils that go to college make up their minds in the last year, and as a result they have not the required studies necessary for college entrance. Many of the last year graduates are either at the university at Lincoln or are at the eastern schools. He further called the attention of the boys to the rule against smoking on or about the school premises. This rule has been instituted for several years and if the guilty boys are caught they will probably be severely punished.

Regular drill began Tuesday afternoon for the present year. The new promotions are completed and the commandant is in charge of the regiment. The following are the new officers.

- First Battalion—Major, Parkinson; first lieutenant and adjutant, Bauman; second lieutenant and sergeant, Fox; sergeant major, Carnaby. Second Battalion—Major, Carpenter; first lieutenant and adjutant, Beckert; sergeant major, Wilson. Third Battalion—Major, Alderson; first lieutenant and adjutant, second lieutenant and quartermaster, Weeks; sergeant major, Burke. Company A—Captain, H. Lindberg; first lieutenant, H. Hughes; second lieutenant, H. Larimer; first sergeant, S. Suseman; sergeants, Metcalfe, Schaefer and Johnson. Company B—Captain, A. Cain; first lieutenant, L. Wyckoff; second lieutenant, G. Loomis; first sergeant, Grimes; sergeants, Phillips, Part, Wilcox, and Van Rensselaer. Company C—Captain, E. Willard; first lieutenant, Corson; second lieutenant, H. Larson; first sergeant, W. Noble; sergeants, Benson, Reynolds and McShane. Company D—Captain, E. Willard; first lieutenant, C. Arnold; second lieutenant, McKinnon; first sergeant, H. Millard; sergeants, Rowman, Rogers and Herquist. Company E—Captain, W. Fellers; first lieutenant, Andrus; second lieutenant, Forbes; first sergeant, Danielson; sergeants, Fisher, Friday, Russell and Van Rensselaer. Company F—Captain, Moon; first lieutenant, Evans; second lieutenant, Abrahamson; sergeants, Jenkins, Potter, Mackin, and Carman. Company G—Captain, Wade; first lieutenant, Heber; second lieutenant, Geyer; first sergeant, D. Cramer; sergeants, Rybins and Rohel.

ONE FIREMAN IS FIRED AND SEVERAL OTHERS DISCIPLINED

Board Puts in a Session Hearing and Adjusting Complaints of Men's Conduct.

Charges were heard against a number of members of the city fire and police departments at the meeting of the Board of Fire and Police Commissioners Tuesday night, and Fireman Fagerberg was dismissed from the service. The charges against him were misconduct and direct violation of the rules of the department.

Captain Turner of Company No. 11 was fined \$10 for being twenty minutes late in the morning. Officers Plotts of the police force was reprimanded for going to sleep on his beat. The punishment was not more severe because it was shown in the hearing that the officer had been watching by the sick bed of a member of his family and was worn out from lack of sleep.

Fireman Hurl, accused of fighting, was instructed to appear with his witnesses for defense at the next meeting two weeks hence. Testimony was taken in the hearing of Police Officer Murphy on the charge of striking a colored man, and the case was taken under advisement.

To give tailors and clothing companies a better chance to consider their bids the date for submitting offers for the new uniforms for both departments was extended to September 27.

The repairing of the plumbing in the city jail was recommended by the city council and a communication was directed sent to the library board informing it that the public funds would not cover the cost of the inside burglar alarms maintained at the library building.

BODY OF MAN DEAD MONTH FOUND IN RIVERVIEW PARK

Carried Sleeping Car Check from Chadron to Omaha, but No Other Marks of Identification.

The dead body of an elderly man was found yesterday afternoon in Riverview park about 300 feet northwest of the pavilion. It was taken in charge by Corporal Crosby, who directed immediate interment. The man had been dead about a month. The man was evidently 60 to 70 years of age and his height was 5 feet 11 inches. He wore long gray hair and a blue serge suit, black derby hat, pink and white shirt, black felt shoes, white yarn socks and dark trousers. The man had in his possession an expressman's baggage check and a check for a sleeping berth from Chadron, Neb., to Omaha.

CITY SUES WRECKING CONCERN

Omaha Suing Suit in Chicago Against Chicago Company for Thousands Dollars.

The Chicago Wrecking company, which had charge of wrecking the buildings of the Omaha exposition a few years ago, is the defendant in a suit filed by the city of Omaha in the county court in Chicago. The company was a resident of Omaha while doing its work, and the city brought suit for damages and expenses. Finally getting judgment for \$1,000 on a bond in the supreme court of Nebraska. The remainder of the claim, which is now being sued for, amounts to about \$1,000, and is mostly personal losses which the company incurred in wrecking the buildings.

Pastor Leaves After Reception for New Field

Congregation of the First Methodist Church Tenders Reception to Dr. F. L. Loveland Before Departure.

With mutual expressions of the highest regard and appreciation Dr. F. L. Loveland and his congregation of four years' standing met the parting of the ways last night at a reception held to the pastor at the First Methodist church. The ovation given the departing minister showed plainly in what high standing he was held by the members of the church and what a hold he had taken on people in this city.

One of the highest tributes paid to the clergyman about to leave was made by Dean George A. Boecher of Trinity Cathedral. "Dr. Loveland ably supported Omaha in the kingdom of God, putting aside the thought of sect and working for real Christianity only. The value of the honest work he had done here will never be forgotten."

Dr. Scott Hyde of the Hancock Park Methodist church said that Rev. Mr. Loveland had materially advanced the Methodist sect in Omaha since he had been here. "Big hearted, generous to a fault, always with a store of humor and a superabundance of sunshine, and the man that can store up real sunshine for the rainy days is indeed a corker."

R. W. Breckenridge, speaking for the First Methodist congregation, said: "Dr. Loveland has the greatest personal influence of any of our ministers, both in the community and in the congregation. We are sorer to see him go than words can express, and I say for the members that we shall always cherish a love for him."

Sunday School Most Important

Superintendents of Douglas County Hold a Session at Y. M. C. A. Building to Discuss Work.

The bi-monthly meeting of the Sunday school superintendents of Douglas county was held last evening in the Young Women's Christian association building, under the presidency of Louis B. Bostwick. After dinner addresses were delivered by George Wallace, president of the Nebraska State Sunday School association, and Rev. James A. Jenkins, the new pastor of St. Mary's Congregational church, while T. F. Sturgess aroused a lot of practical interest by the able manner in which he handled the question box. One thing Mr. Sturgess impressed was to adapt and not adopt ideas.

Health Official Under Charge

Milwaukee Commissioner Resigns from Position Following Issuance of Warrant for Arrest.

MILWAUKEE, Sept. 14.—A warrant was issued tonight for the arrest of Dr. William C. Rucker, health commissioner of Milwaukee, on a complaint charging a statutory offense. The complainant is Miss Catherine Handorf, a domestic employed in a Grand avenue home. Dr. Rucker was in the United States public health and marine hospitals for a number of years.

Dr. Rucker was granted a year's leave of absence from the government service soon after Mayor Sedel went into office, the mayor having chosen him for the head of the Milwaukee health department after canvassing the country thoroughly for a competent health official.

Mayor Sedel late tonight received and accepted Rucker's resignation. While Mr. Rucker says that he has no doubt of his vindication in court, he feels that it is his duty to resign to save Mayor Sedel any embarrassment pending settlement on the charges.

Roar of Auto Used to Drown Sound of Prisoners' Files

NEWARK, O., Sept. 14.—What he thought to have been an attempt to liberate the fifty or more men who are in jail here on charges of participating in the recent lynching of Carl Etherington was frustrated by Sheriff Eberhart early today.

Three men in an automobile hid in front of the jail and began tinkering with the machine, cutting out the muffler and running the engine so that a terrific noise resulted. Under cover of this prisoners began to file the bars of the upper section of the jail. Their actions were discovered by the sheriff and after the safety of his prisoners had been assured he left for Columbus to notify the state authorities of the attempt. Etherington was a detective employed by the anti-saloon league. He was lynched after a local man had been shot and killed in a fight which followed a raid by the "dry" forces.

CITY COUNCIL PROCEEDINGS

Dairy Inspector Young is Removed from that Office.

FIGHT FOR PURE MILK WARMS UP

Health Commissioner Council Will Have Full Responsibility in Future and Indignant Citizens Are Warned to Watch.

The city council took action on the dairy question Tuesday night by removing Dr. George R. Young from his office as dairy inspector and putting the whole responsibility for the conditions surrounding the milk supply upon Health Commissioner Ralph W. Connell. Dr. Young was retained as city veterinarian and will continue to receive \$75 a month from the city, if he cares to hold the job. In his report the committee stated expressly that if possible the office of dairy inspector and health commissioner would both have been abolished, but as the commissioner is a charter appointee, he would have to be retained, and the inspector, being the occupant of an office created by ordinance, had his office legislated out of existence.

R. Scott Hyde of the Hancock Park Methodist church said that Rev. Mr. Loveland had materially advanced the Methodist sect in Omaha since he had been here. "Big hearted, generous to a fault, always with a store of humor and a superabundance of sunshine, and the man that can store up real sunshine for the rainy days is indeed a corker."

Ak-Sar-Ben to Put Auto Races Into Festival

Directors Arrange to Try and Get Barney Oldfield for Big Meet October 1 and 2.

If the plans of the Omaha Motor club which were taken up at a meeting of the club's directors on Tuesday at the Rome hotel materialize, Omaha will have during the Ak-Sar-Ben festival one of the best automobile race meets which have been held in the middle west. The plans as announced on Tuesday afternoon call for a two-day meet, Saturday and Sunday, October 1 and 2, being the dates selected for the event.

It is the intention of the club to bring to the city at that time a great number of factory drivers to compete in special races and it is more than possible that Barney Oldfield, king of automobile drivers, will be on the scene. But Barney, however, has a bad habit of having his time contracted for far ahead and it will not be certain for several days whether he will be able to come.

In addition to the races for these professional drivers there will be events for local events. The event will be held on the newly completed speedway of the Omaha Motor Speedway company and in the time between now and the dates set for the meet, a tremendous lot of work will be done on the track.

As many improvements will also be made upon the grounds as the time will permit. The committee which was appointed to have general charge of the engagements consists of W. D. Hooford, Otto Neustman and W. J. Kirkland.

The events will be run in accordance with the track rules of the American Automobile association and the sanction of that body will be secured for the meet. The meet also has the approval of the Ak-Sar-Ben board of governors and these men will work with the Motor club for its success.

WICKERSHAM ON WAY HOME FROM ALASKA

Attorney General Will Suggest Many Changes in Government of Territory.

ST. PAUL, Sept. 14.—A recommendation that the administration of Alaska, especially the judiciary, be better unified, and that the power of the government be centered in one spot, will be made to President Taft by Attorney General Wickersham, who passed through St. Paul today after making a 5,000-mile tour of inspection of Alaska. With Mr. Wickersham on the Alaskan tour was the secretary of commerce and labor, Charles Nagel.

PHYSICIANS WILL TREAT THEIR OWN ALCOHOLIC CASES

Laboratories of the Blackstone Treatment for Alcoholism Opened in Omaha.

Will Supply Doctors With the Remedy for Use in General Practice.

TREATMENT CURES ANY CASE IN THREE DAYS

Physicians Can Now Keep Enormous Fees Paid to Institutions at Home.

No Secret About Method and No Physician Need Hesitate to Use It.

Physicians have not given the attention to their alcoholic cases that they should. As a consequence, hundreds of thousands of dollars are annually being paid into institutions for the treatment of thousands of drinking men which the physicians of this state should be earning themselves. A great deal of this money goes out of the state to institutions charging extravagant fees for very doubtful cures.

The Blackstone treatment for alcoholism is the most successful one ever brought out. It is perfect. There is no case of liquor drinking that it will fail to cure in three consecutive days of treatment.

The Blackstone Company, a strong financial organization, has opened laboratories in Omaha, 309 to 311 Brandeis Theater building, for the purpose of supplying the physicians of Nebraska with the Blackstone treatment. The physician is charged for the remedy a very little more than its cost and the expense of distribution. With the Blackstone treatment any physician can get better and more permanent results in three days in any case of alcoholism than can be had at any institution in three or any other number of days.

Responsible physicians, who have alcoholism patients, are given every inducement to try out the Blackstone treatment without any expense whatever.

THE SCHMOLLER & MUELLER PIANO COMPANY. 3 PIANO STORES CLOSED OUT!

HERE'S THE REASON:

We were compelled to close these branch stores and turn over the territory covered by those stores to our Wholesale Department, because we have 171 small dealers in Iowa, Nebraska, South Dakota and Colorado, who buy all their Pianos and Organs from us. It would not be fair to them to go into their territory and sell Pianos, the president of our company, Mr. Wm. H. Schmoller, who is in Europe now, called us to close the Plattsmouth branch, Dow City branch and Denton branch, move every Piano in these branch stores to Omaha and sell them regardless of cost.

WHAT IT MEANS TO YOU:

We are not offering a lot of ancient, worn-out Pianos as an inducement or bait to set you to our store. The pianos included in this sale are all fine, high-grade instruments of quality, and we must sell every one of them because we must have room. Careful, discriminating buyers will soon pick out the best, although every one is a most desirable piano, and a real bargain, because a \$1,000,000 firm, established 51 years, guarantees to stand back of these pianos and every piano they sell.

Table with 2 columns: Instrument Name and Price. Includes Steinway, Weber, Kimball, Chickering, Steger, Ivers & Pond, Vose & Sons, Germer, Steinway (Grand), Knabe, Marshall & Wendall, J. & C. Fisher, Packard, Schmoller & Mueller, Stelling, Frederick.

SCHMOLLER AND MUELLER PIANO COMPANY. Established Over 51 Years. Phones: Doug. 1625, Ind. A-1625. 1311-1313 Farnam St.

TO PASSENGERS... Florence Line... COMMENCING September 16, 1910, the Florence line will become a part of the Hanscom park line - East Side - thus giving through service between the down-town district of Omaha and Florence.

Table with 2 columns: Car Number and Time. Includes First car, From 6:05 a. m. to 8:15 a. m., From 8:15 a. m. to 5:35 p. m., From 5:35 p. m. to 7:45 p. m., From 7:45 p. m. to 10:05 p. m., From 10:05 p. m. to 11:17 p. m., 11:47 p. m. and 12:15 p. m.

CARS WILL LEAVE FLORENCE AS FOLLOWS: Omaha & Council Bluffs Street Railway Company

Beautiful Teeth. THE OMAHA LOAN & BUILDING ASSOCIATION credited to its members on July 1st \$89,000 Dividends. It has never paid to its members less than six per cent per annum for 27 years. Saving accounts calling for a monthly payment of \$1.00 to \$25.00 may be opened any day, or lump sums of not over \$5,000 received. Ask for Booklet "A" and other information. Assets \$3,600,000, Reserve fund \$67,000. Address, S. E. Corner 16th and Dodge Streets.
