Former Head of Ames Agricultural School Writes Letter.

EDUCATIONAL BOARD INTERFERES

President of School Was Not Real Head and Members Had Faculty Continually Go Over His Head.

Storms Writes Sharp Letter.

(From a Staff Correspondent.) DES MOINES, Ia., Sept. 15.-(Special.) lege, who resigned some time ago, has public will favor either Los Angeles or lege, who resigned some time ago, has departed for Indianapolis, where he will re-enter the ministry. Before going he wrote a sharp letter, a copy of which he mailed to each of the members of Governor Carroll's new Board of Education, which letter will arouse considerable discussion as to the new policies which have been as to the new policies which have been salves of the change to react the next national meeting. The tragedy told in court of the confession to him by Dr. Rustin that in 1906 he swallowed a test tube of typhoid germs with suicidal intent.

"I advised Dr. Rustin to go away from here and make a new start in life," said Dr. Pollard, "and he replied that would be too much of a confession of defeat." as to the new policies which have been selves of the chance to go east. adopted. In this he said:

Upon retirement from the presidency of the lowa state college, after seven years service in that position, I owe it to myself and to the interests that have been in my charge to make a brief statement to your with the forest service. In August he went

charge to make a brief statement to your charges on make a brief statement to your charges on make a brief statement to your charges on the forest ervice. In August he went body.

For twenty-five years I have been a close observer of higher educational work and to college creations and college of the board and college occurring educational policies that have and acollege creating educational policies that have and acollege occurring educational policies that have and acollege executive should have opportunity to judge concerning educational policies that have and stitutes efficiency of administration. So far as my observation has zone it has been considered easontial that the college executive should have opportunity to judge advocate.
