PRACTICE AT 10WA CITY

Twenty-Three Candidates for Posttions on Varsity Squad Show Up. tions on Varsity Squad Shew Lp.

10WA CITY, Ia., Sept. 20.—(Special.)—
Twenty-three candidates for positions on the varsity team and nineteen freshmen aspirants reported for practice under Coach Hawley on Iowa field Monday afternoon. Hyland, Murphy and Chase were prominent among the veterans who came out to toss the hall a while. All three of these men are in excellent condition to start the season's work. Curry and came out to toes the ball a while. All three of these men are in excellent condition to start the season's work. Curry and Jones, two of last year's freshmen, who are candidates for the quarterback position, came onto the field today, together with such men as Brookhart, who is after a guard position, Schmidt, Blythe and others. The latest rumor is to the effect that "Tinkle?" Bell, one of the strongest of the team of last season, will not return to the university this fall. His absence was first noted on Iowa field today.

Coach Hawley put the men through a few exercises of ball tessing and bounding and then took them onto the gridinon for a light run down work. All of them showed speed, together with a willingness to enter into the game. As soon as some sort of a line is gotten upon the bunch of material by the coach, a more definite practice system will be established. For the present light field work will probably characterize the afternoon's work.

Manager Keitogg took charge of the freshmen and followed Hawley's plan of bounding and toesing the ball. Manager Keitogg will have individual charge of the freshmen this season.
