First Witness in Inquiry Heard by  
Senate Committee Investigating  
Charges of Bribery.

### MAY ADMIT JACKPOT TESTI

### TELLS OF HIS RECEIVING MONEY

Defense Makes No Objection Until the  
Corruption Fund is Brought Up—  
No Precedent Established  
By Action.

CHICAGO, Sept. 25.—Testimony from  
Senator Representative Charles A. White,  
the first witness in the inquiry, was heard  
today by the senate committee investigat-  
ing the charges of bribery and corrup-  
tion in the election of William Lorimer as  
senator from Illinois. After a question of  
evidence by the committee, the witness  
left undecided the question of the  
admissibility of testimony relative to the  
alleged "jackpot," a fund for the pay-  
ment of legislators for voting for or against  
bills pending before the Illinois general  
assembly.

Attorney Alfred E. Austin, representing  
the Chicago Tribune, which is pushing the  
charges against the election of Senator  
Lorimer, extended that the alleged corrup-  
tion of legislators which voted for  
Senator Lorimer in the spoils of the al-  
leged "jackpot," a fund for the pay-  
ment of legislators for voting for or against  
bills pending before the Illinois general  
assembly.

Attorney Clarence E. Haney, counsel for  
Senator Lorimer, opposed the admission of  
testimony to bribe paid to legislators for  
their votes in matters apart from the  
senatorial election.

### Questions on Jackpot.

On the understanding that the action was  
not to be considered a precedent admitting  
the whole jackpot subject, Chairman Bur-  
rows permitted White to answer some  
questions touching the matter.

No objection was made by counsel to the  
testimony of White to the effect that he  
was met in the St. Louis hotel by Robert  
E. Wilson, also a democratic representa-  
tive, who paid him \$500 as his share of  
the jackpot. White detailed his meeting  
with other democratic legislators in Wil-  
son's room and testified that the payment  
was made to him in the bathroom of a  
hotel where he had conferred with another  
of the legislators in the same bath-  
room.

### Tells of Receiving Money.

Representative White testified that he  
was met in the St. Louis hotel by Robert  
E. Wilson, also a democratic representa-  
tive, who paid him \$500 as his share of  
the jackpot. White detailed his meeting  
with other democratic legislators in Wil-  
son's room and testified that the payment  
was made to him in the bathroom of a  
hotel where he had conferred with another  
of the legislators in the same bath-  
room.

### All Shared in Fund.

"We will prove that every man who was  
paid to vote for Senator Lorimer also  
shared in the jackpot. We expect to show  
the corrupt dolars of these legislators. If  
we cannot show this other corruption the  
testimony on the Lorimer case will have  
been useless."

### SHEEP SHATTER WORLD'S RECORD

South Omaha Holds Mark for Great-  
est Receipts of This Class of  
Stock in One Day.

### FIGURES FOR MONDAY ARE 65,215

Five Thousand More Than Best  
Record Ever Made.

### PENS AT STOCK YARDS JAMMED

Workmen Kept on Jump Day and  
Night to Handle Them.

### RANCHMEN EMPTYING RANGES

Remarkable Feature is Continuous  
Demand Which Keeps Market Up  
—Farmers Planning to  
Feed Heavily.

The final estimate of 65,215 sheep received  
in South Omaha Monday, and which is  
verified by the later count, constitutes a  
world's record. Never in the history of  
commerce were so many poured upon a  
market in a single day. All day long the  
plaintive bleating herds scampers through  
the long alleys of the Union Stock Yards,  
cramping every pen and pocket of the  
sheep division and overflowing the bog  
divisions even into the thorough cattle  
yards.

Some idea of the numbers can be gathered  
from the fact that over 20 cars were re-  
quired, which equals eight heavy trains.  
These strung on a track would make a  
solid line nearly three miles long. This  
number of sheep driven in the city streets  
would make a drove the width of the  
street and about eight blocks long. It  
would require a man counting as fast as  
he could possibly count nearly four hours  
to count them, supposing the sheep passed  
him as fast as a man could count.

The sheep began to arrive early, but  
not more than half were unloaded by  
Monday noon and the great mass con-  
fined all day, although the price and the  
bidding were comparatively good.

### Beats Chicago Easily.

The largest receipt of sheep in history,  
previous to this date, was in Chicago Sep-  
tember 25, 1902, when 62,262 sheep were  
received. The South Omaha record is 1,950  
greater.

Ranchmen from Wyoming, Colorado and  
parts farther west say that the runs of  
sheep are not over yet, but that many  
still remain on the ranges to be shipped  
within the next few weeks. It is plain that  
the ranchmen are shipping in every animal  
which they feel can be sold at a profit.

### Some of the Allegations.

Persons in Ohio, Indiana, Illinois, Tennes-  
see, Texas and other states were registered  
without their knowledge or consent. It  
is alleged, as being entitled to buy the lots  
at one-half the appraised value and when  
the deeds were made out Haskell and his  
associates bought them for nominal  
amounts. In this way, it is charged, the  
governor and the five other men were able  
to procure 600 lots, whereas the govern-  
ment rules for the sale provided that not  
more than two lots should be sold to any  
one person.
