8 Months. Heads Mass of Sores. Could Not Sleep. Itching Terrible. Cured in 2 Months.

"The Cuticura treatment has abso-lutely cured me and family of eczema which I, my wife and two-year-old child which I, my wife and two-year-old child had for eight months. It started with small pimples on the head of my child which gradually broke out in sores, and it was not long before I and my wife got the same. Our heads were one mass of sores, we could not sleep and the itching was terrible. We suffered for eight months. We tried different kinds of ointments and medicine but it did us no good and soon it began to break out on good and soon it began to break out on our bodies until a friend who had the same trouble told me about Cuticura of same trouble told me about Cuticura of which I used two sets of Cuticura Soap, Cuticura Ointment and Cuticura Resol-vent, and I was surprised. After the first few days our heads began to beal and in two months we were absolutely cured of this terrible eccema. Eugene Potthoff, 5S1 Ralph Street, Brooklyn, N. Y., February 18, 1910." No stronger evidence than this could No stronger evidence than this could be given of the success and economy of the Cuticura Remedies in the treatment of torturing, disfiguring humors of the skin and scalp, of infants, children and adults. A single hot bath with Cuticura Soap and a gentle anointing with Cuti-cura Ointment are often sufficient to afford immediate relief in the most dis-tressing cases and permit rest and sleep afford immediate relief in the most dis-tressing cases and permit rest and sleep when all else fails. Cuticura Soap and Ointment are equally effective in pre-serving, purifying and beautifying the skin. scalp, hair and hands and in preventing minor eruptions becoming chronic. A 32-page booklet giving description/and treatment of skin affec-tions will be sent free, on application, by the Potter Drug & Chemical Corp., 135 Columbus Ava., Boston. Mass.
