management of the several state det nents has been steadily raised. "Of course, with a party as long in rol pf nation and state as ours has been there has been individual instances of misconduct and corruption. But there is no

of 'turn the rangals out,' for we have half of all theseremedial processes." turned our own rascals out; and wherever rascality is found to exist in the future, we will be even more prompt to punish anyone

man who not only degrades himself and the nublic service, but discredits our own party by belonging to "t.

Empty glorification of our past amounts to less than nothing if we put it forward, and an excuse for not doing our duty in the

living present. We can deserve the confidence of the people³ by proving in deed as well as in word that we face the problem of dealing with political and business conomic justice and for the betterment of the conditions of fife and the uplitting of our people, with the same fervor and sincerity that _incoln and his followers

brought to the great tasks allotted to them in their day. 'Corruption, in every form, is the archof this republic, the arch-enemy

of free institutions and of government by the people, an even more dangerous enemy than the open lawlessness of violence, be cause it works in hidden and furitive fashion. We are against corruption in polltics: we are against corruption in business

and, above all, and with all our strength, we are against the degrading alliance of who are putting patriotism above all else ness, and which makes them in their dual capacity enemies against whom every patriotic man should stand with unwavering While under the table, I touch Cox's firmness. Let no man say that this is an

"That is as foolish as to say that it is an assault on the upright political leader.

BANKERS ON FIRM FOOTING

(Continued from First Page. The western banks have the power of need of any other party raising the cry exerting the very greatest influence in be-

First Seasion. The convention began with an invocation by Rev. T. J. Mackay, who was followed of our own party adherents than an adher- by J. C. French of South' Omaha. Mr ent of another party, because we feel a French said a few words of welcome to the peculiar responsibility in dealing with the visitors. T. E. Williams of Aurora responded, and then President Welpton gave his annual address.

Mr. Welpton reported an increased mem Believes in Republican Party. 'I believe in the party to which we be-long, because I believe in the principles for which the republican party stood in the days of Abraham Lincoln; and furthermore, and especially, because I believe in treating these principles, not as dead, but as living. Emmity elivitication of our past amounts these version of the state was to have followed, was omitted, because these principles, not as dead, but as living. 'I believe in the alturation these principles in the state was to have followed, was omitted, because these principles, not as dead, but as living. Emmity elivitication of our past amounts these principles are the state was to have followed for luncheon. Mr. McLucas was unable to appear. The Spinners. Mr. McLucas was unable to appear. The Spinners. Mr. McLucas was unable to appear. The Spinners. Mr. McLucas was unable to appear. The Spinners.

convention then adjourned for luncheor State Auditor Barton Speaks.

State Auditor S. R. Barton told the bankers that "as a matter of safety and public policy, I believe some restriction should be placed on the number of banks in h community-taking into account tercorruption and of working for social and ritory, population and wealth of the community.

> Mr. Barton declared that there had been to loss to dapositors in failed Nebraska

banks since 1904; "In fact, there has been but one failure since that time and in this bank it is conceded that the depositors will not lose." The speaker made a com parison of deposits in 1990 and 1910, saying the figures are, respectively, \$74,280,703 and \$182,429,288, an increase of \$106,148,799.

Loan Money at Home.

President Welpton told the convention Puesday morning that "western bankers ught not to lend their money to the east. but keep for our own uses. We need the in this part of the country." added Mr. Welpton, "and therefore do not le Wall street get hold of it."

This and an exposition of the resources and wealth of Nebraska formed the essence of the retiring president's address,

President Welpton before the noon ad journment announced the appointment of committees on nominations and resolutions as follows: Nominations C. E. Burnham Norfolk, chairman; F. H. Davis, Omaha J. P. A. Black, Hastings; G. A. Gray, Cen

tral City; L. M. Talmage, Grand Island. Resolutions-G. N. Seymour, Elgin, chair man; H. E. Burnham, Lincoln; H. E. Wor rell, Sutherland: Carson Hildreth, Franklin

IRRIGATION AND PROCRESS (Continued from First Page.)

esuits if for one moment we countenance hose irrigation operations that are de signed to flich the public.

"History discovers to us that irrigation y private enterprise has always been in the van. This has been true in India, Syria. Babylon, Egypt. Java, under the subjects and successors of Montegums; in Chile Peru, Argentina and the United States, Be

having agreed upon the procedent state of point is which a construction of semanor in the point of semanor in the delegates hissed Gruber's specific point is the point of the large amounts of money going into private irrigation 'speculation.' If these references have to do with illegitimate irrigation enterpress and to which I have already made reference. I applaud the same. If, on the other hand, reference is had to the immense investments that have been and are being made in sound, com mercial and productive irrigation enterprise, then I condemn that part of the presthat has used its power in that way. It is a narrow and circumscribed view, and
