Tammany hall.

man of the convention, the Hon. Elihu ing the past eighteen years conserving the Root," said Colonel Roosevelt. Chairman Root thanked the convention

for the honor it had conferred on him. No prepared slate of which I have heard bore my name for permandat chairman and range of labor's interest in the workshops, no prepared speech lurks in my pocket or factories, mines and quarries and upon all

in my hand," said the senator. "Nor shall I detain you, by any extended remarks, from the work which you have before you and from addressing your sives to the performance of that work; so that the deliberations of the convention may be finished and the delegates be able to return tablished under republican administration. to their homes this evening."

Of conservation the platform says:

The chairman said there was passing over the entire country a wavolt against the time-worn form of political organization. Initiative and referndum, recall, direct election of senators, direct nominations," said the chairman, "all afe symptoms of rights of the state." evidence that the people of our country feel that our forms of political organization do not adequately furnish the voters of our political parties means to give effeet to their political will,"

Report on Platform. Mr. Prendergrast of Kings read to the convention the report of the resolutions

committee. The platform adopted declares warfare against official and legislative wrongdoing this state and asserts that dishonesty in public service is, next to treasen, the most flagrant of crimes. Continuing the platform says: 'In ridding our institutions of this cancerous growth we know no party distinction. The crimes waich have been committed have involved members of both parties and the fact that

members of both parties and the fact that some of the Yndondees have masqueraded under the name of republicans neither has gained, now sight gain their inhumity from punishment by republished.

President There asymmetrished is andorsed in the following language.

"We enthusiastically endorse the patriotic and states while leadors hip of William Howard Targand declars our price in the achievement of the United States Fisch succeeding month since his inauguration has confirmed the nation in its high estirepublican governor of the state of New York and belind the majority of the repubmate of his greathers of character, intel-lectual ability sturdy common sense, extraordinary patience and perseverence, broad and statesmanlist comprehension of public

questions and unfaltering and unswerving adherence to Auty.
"He has strengthened our prestige with foreign nations and treated with vigor and wisdom important international problems notable our unifferelations with Germany France and Canada.

Under his administration the prosecution of those implicated in sugar and other customs frauds have been continued and convictions obtained; there have been impartial and energetic enforcement of the Sherman anti-trust act; a substantial reduction of governmental expenses; the establishment he tutter business methods, which will result in greater efficiency and real economy; remarkable progress in the construction of the Panama canal and the withdrawal from private entry of over 7,000,000 acres of the public domain, to preserve for public benefit, valuable and other mineral deposits, timber land and water power sites.

"On his recommendation congress "has provided for a commission to investigate and report on regulation of the issuance of stocks and bonds by public service corporations engaged in interstate commerce. has advocated a new system of appropriations for river and harbor improvements, under which each stem, after investigation by experts, shall be approved and carried to completion as a separate measure. This recommendation we heartly endorse."

Plank on the Tariff. The tariff plank reads: The Payne tariff law reduced the aver

age rate of all duties 11 per cent. By increasing the duties on some juxuries and articles not of ordinary use, making no increase on any common food product, it turned a national deficit into a surplus. Under its first year of operation the value of imports free of duty was the greatest in our history by \$100,000,000 and the average rate of duty was less than under the Wlison law. Unlike that law, its great reductions of duty have not stopped industry, nor deprived labor of any part of its hire. It gives free trade with the Philippine Isi | Misses M. L. and S. M. Hamilton o ands and it establishes a customs court. Its maximum and minimum rates gives us for the first time equality of opportunity with other nations in our foreign trade.
"In providing, upon the suggestion of

Fuller, mechanical engineer of the Union President Taft, for a tariff board, it af- Pacific; E. B. Dalley and George O. fords the means of still more accurately Brobhy, all of Omaha, determining the difference in cost of production at home and abroad.

republican congress is necessary to provide needed appropriations for this board and \$5 assure business and labor that thanges in rates will be made only to equalize the difference in cost of producion and not to reduce rates to the free rade or purely revenue basis favored by

he democratic party. To avoid disturbance of business, we irge the adoption by the congress of a joint rule of the two houses, recommended by the president and leaders in congress, by which the sed houses could consider a ingle schedule or a single paragraph of the pariff without the nachusity for amendnent which would lead to a general revition. Advances in the cost of living are only the local reflection of a tendency that world-wide and cannot be truthfully aid to be due to the present tariff."

State Administration Endorsed. The administration of Governor Hughes given strong endorsement and President Caft is congratulated upon his selection of lugites as a member of the United States supresse court.

On labor and capital the platform conains the following personaph:
"The record of trepublican legislation dur-

period of time.

FORT DODGE—John Brady, a prominent
Fort Dodge pioneer, died suddenly Monday
of apoplexy, a stroke seizing him while
he was down town on business, and death followed in a half an hour. MASON CITY—Friday was hooded day in this city sure enough. Here is what it did: It was Friday, it was the 23d, the new court calendar made its appearance and there were just twenty-three divorce cases up for a hearing.

MASON CITY-The Lehigh Portland Cement company of this city will erect one of the largest chimneys in the state. It is to be 208 feet high and twenty-five feet in diameter at the base, with flue sixteen feet in diameter at the base, tapering to eleven feet at the top. The contract has been let.

SABULA-The first annual meeting SARULA—The first annual meeting of American trappers, for the purpose of organizing the American Trappers' Protective association, will be held on the highlands of Big Island. Sabula, October 15. The principal object of the gathering is to formulate plans and outline laws for the protection of fur-bearing animals in all of the states of the union.

MASON CITY-For a dry city Mason City came very nearly going into the wet column Monday. An even ten drunks were up before the mayor Monday morning to plead guilty to being intoxicated. All had been jalled during the night. Two, who had been drinking and who were not placed under arrest, fell through one of the largest plate glass windows in the city totally deplate glass windows in the city, totally

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, souscle-making materials, in con-densed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves-in short establishes sound vigorous health.

Dr. Pierce's Common Sense Medical Adviser, In Plain English; or, Medteine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, cloth-bound, sent for 31 one-cent stamps, to sover cost of wrapping and mailing only. Address: Dr. R. V. Pierce, Buffalo, N. Y.

To Have a Clear, Velvety Complexion

By MADAME D'MILLE (From Chicago Inter Ocean.) Madame D'Mille, one of Paris' most famous beadtles just passing through

Chicago, gives us a few valuable ideas on skin treatment, as follows:-"Yes, I have just come from beautiful

Japan, and I must say the Japanese women have many toilet formulas and which American women should know. "What do they use to make their skin

soft and velvety? "Any American woman can use the same treatment if she desires. Dissolve a small original patkage of Mayatone in about eight ounces of witch hazel. Massage the face, arms and neck with this TODAY, 2:30 - TONIGHT, ALL WEEK solution once or twice a day, and you will shortly find you have a lovely, soft complexion, and then the best of it all is, that this solution prevents the growth of hair, and is absolutely harmless to the most delicate skin. Make the solution

yourself. "Why, yes-of course I use it. Jus see how beautifully soft my arms and face are, and not a hair. "No,-you will never use powder again, and those stray hairs will soon be missing from your face."-Adv
