THE CAR-BEAUTIFUL

The New Franklin Which I Have Just Received, Has Created More Sensation Than Any Other Car On The Market.

Why Do I Sell More Franklins Every Year? Ask Yourself This Question? Ask The Owner.

- It is nifty, fast and powerful.
- Its cost of up keep is less than any other machine on the market.
- It will out wear any machine in its class.
- It will cover more miles on one set of tires. You know what tires cost.
- It is lighter than any car in its class.
- It is the easiest riding car built.

Keep Your Eye on the Car-Beautiful

Ask for our new catalogue. Four sizes—two four-cylinders and two six-cylinders. Ranging from \$1,950 to \$5,500.
