LOS ANGELES. Cal. Sept 30.—The American Mining Congress wound up the business of its 1910 convention today with the election of officers and the adoption of several resolutions, principal among which was one calling upon congress to instruct the Department of Justice to in-vestigate all grants involving oil or mineral hands and to take action to castors

minoral lands and to take action to restore title to these in the public. Arisona was chosen for the 1911 con-vention. Either Dauglas or Phoenix will
