MAX I. WALKER, Proprietor.

(With Schmoller & Mueller Co. Three Years.)

New in Business? Yes. New at the Business? No.

You wouldn't think of starting the season with an automobile without having it gone over, and you even go over and oil your lawn mower at the start of each season. Now what about the PLAYER PIANO or PIANO PLAYER, which is much more delicate? Are you going to start the season without having it run over. We are specialists in that line, devoting our entire time to player pianos.
