Miller's Men Demonstrate that They Have Learned a Great Deal About the Game Since Last Saturday with Yankton.

With but two minutes yet to play Hronek who had entered the contest but a short time before, pushed his way through the entire teom of miners from Rapid City. B. D., and won the contest Saturday for the blue and white by a score of 5 to 0. His run was one of the prettiest over seen on a local ground, as he virtually had half of the Dakota team to contend with and carried the ball for seventeen yards to victory. By winning the game yesterday Creighton avenged the defeat of last year, when the local team was beaten at Rapid City.

The game was replete with forward posses and unting from start to finish. Line plunging and tackle plays were used on both sides to excellent advantage and It was due to an off-tackle play that the sturdy little halfback placed the pigskin across the goal line.

Young, on an off-tackie gained twenty and Creighton plunge. fumbled the ball on the next play. Kyle covered the fumble and kicked to South line for ten yards, followed by a gain of three more by Linhart.

The ploys see-sawed up and down the field for the remainder of the quarter, Lee and Young making heavy gains through Dakota's line.

The second quarter of the game was characterized by considerable punting on both sides. Kyle had the doughty Dickey utpunied yesterday, as the fast little end did not kick as well as on former occa-sions.
