

FREMONT CHARGES INJUSTICE

Commercial Club of That City Alleges Railroad's Discriminate.

OMAHA GETS THE ADVANTAGE

Special Examiner Mackley Hears the Charge that Three Roads Get Exorbitant Rate on Coal from Fremont.

Alleging that Fremont had been and is being discriminated against in the charging of coal freight rates, four representatives of the Fremont Commercial club appeared before Special Examiner Mackley of the Interstate Commerce commission Thursday.

This was one of four cases brought before Examiner Mackley in the opening session of his hearings. The C. B. Havens company offered testimony to the effect that a shipment of coal sent by it for a point in Louisiana had become so effectively lost on a "blind siding" near Shreveport, La., that the orders for the shipment were withdrawn.

Both sides in the offering of testimony in the case of the Sunderland Brothers company against the Northwestern railroad agreed that the plea for repatriation of an overcharge in rates on a certain shipment was just and Examiner Mackley announced he would ask the commission to order the repatriation made.

Fremont Well Represented. The charge of the Koehler Coal company of Hastings against the Burlington railroad was set by Examiner Mackley for hearing at Hastings, October 18.

Those who represented the Fremont Commercial club in its case were George F. Wolez, secretary, W. H. Young, traffic agent, N. P. Hopkins, president of the consolidated Fuel company and Attorney C. E. Abbott.

In pushing their claims against the Burlington, the Union Pacific and the Missouri Pacific for a readjustment of rates, the Fremonters explained their city was competing with Omaha. They declared Fremont was a manufacturing city and entitled to a fair chance in competition with Omaha and Lincoln.

Plan Wyoming and Colorado Days at Show

Great Interest is Being Shown in the Land Products Exhibition Here in January.

Determined that the growth of their new land should not be forgotten, farmers and commercial men in Colorado and Wyoming are quietly arranging for a Colorado day and a Wyoming day at the western land show to be held in Omaha January 18 to 23.

Quiet boasting has been going on for some time and now it looks as if each state will have one day in which to represent its lands and products to the public at the Omaha show. The proposition is to persuade the governor of each state and perhaps his staff to attend the show on that day, with prominent men of each state. Besides this there will also be representatives of various commercial clubs and booster organizations throughout each of these states, who will be on hand to help make the two days a success.

Exhibits of the products of Colorado and Wyoming products will be on hand in great quantity at the show, competing not only with the grains and grasses raised in the eastern part of the Missouri valley, but also in the far west of the United States, in the shape of the varied fruits and garden products that are grown by irrigation.

Both the Union Pacific and the Burlington railroad have made tentative offers of help in boosting the show, as the first road is interested in the Colorado lands which their lines are trying to develop. The latter is doing much advertising for Wyoming lands, especially the great Big Horn Basin, which is served by the Burlington.

OFFICERS PERFECT AFTER RIDE

General Smith and Staff Finish Ninety-Mile Test Ride and Pass Physical Examination.

Having completed the ninety-mile test ride, Brigadier General Frederick A. Smith and his staff of officers are reported as perfect physically. The officers underwent a physical examination at Fort Omaha upon their return from the last leg of the ride Wednesday afternoon and were found in fine physical condition.

Capt. Bogaricus Again Hits Bull's-Eye

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines, all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self."

Geel! But it feels mighty fine.
