BIG INCREASE IN PAVING

Twenty-Five Per Cent More Has Been Laid This Year Than Last. WORK IS NEARLY COMPLETED. New Thoroughfares Are Opened by the New Paving, Relieving Some of the More Crowded Streets.

Of the ninety-four miles of paving that is now down in Omaha streets fourteen miles has been newly laid this season and six more was laid under the direction of the city engineers and most of it will be ready before cold weather intervenes. The lack of brick is no longer so serious and the asphalt streets are being laid with the concrete base now so that only the asphalt work will be left for frosty days. The paving of this year has amounted to an increase of almost 25 per cent in the total area and counting streets, alleys and all paved ways the city has almost 129 miles. Two new streets are planned particularly for the benefit of automobilists and are expected to take the heavy run of motor cars off the streets where there are trolley lines. One is Davenport street from the West Farnam district downtown and it offers a smooth, new asphalt roadway little used by wagons and horse-drawn carriages, so that the man who comes to his office in the morning in his own car can have a free road. Another is the new asphalt route on Thirty-sixth street south from Farnam to the Field club. It also serves as a highway for automobiles where they will have free competition and has only one bad feature, a sudden drop in both directions to Leavenworth street, where the street car line crosses.

Woman Injured in Auto Accident

Mrs. L. J. Rohrbough Thrown from Machine When it Skids Into Curb.

While driving at a good speed in a start for Quincy, Ill., L. J. Rohrbough, a manufacturer of 200 Hamilton street, suffered the third of a series of mishaps in several days to his machine, and his wife and brother, M. G. Rohrbough, were thrown out and injured Thursday morning. The party were leaving the city to go to the residence of Mr. Rohrbough's mother, in response to a telegram that she was in a serious condition. The accident occurred on Seventeenth near Dodge street. When Mr. Rohrbough attempted to steer into a turn round the corner of Dodge street the auto skidded from one curb to the opposite one, striking it with such force that Mrs. Rohrbough and her brother-in-law were hurled to the sidewalk. Mrs. Rohrbough struck upon the side of her head and was rendered unconscious for several minutes. Mr. Rohrbough received a sprain to the same wrist he had injured in a like fall from the machine on the previous day. The injured woman was taken to the offices of Drs. Pinto, Newell and Rex at Sixteenth and Dodge street and attended. It is not now known how seriously she was injured. Had luck fell upon the automobile for the first time last week, when Mr. M. G. Rohrbough received bruises and a sprain. The auto was stolen several days later and damaged. The latest accident probably will keep the auto out of commission for several days.

POLICE FUND PROVES SERIOUS

Chief Says Only Way to Get Money is by Subscription.

WELFARE UP TO BUSINESS MEN. Councilman Kugel Thinks \$5,500 Could Be Taken from Sinking Fund—Thieving Season Approaching, Says Chief.

There is absolutely no way to relieve the situation caused by the lack of police funds, according to Chief Donahue, except by having the business men subscribe the \$5,500 that is needed. Councilman Kugel, however, thinks help can be obtained by drawing on the sinking fund. "The men will not be willing to relinquish their pay voluntarily, and if they are laid off they would have a right to sue," says the chief. "The only thing to do is to force them to give up the money. If the council can't get any money, as I am told is the case, the business men will have to help." "If they will realize the seriousness of the situation they will be only too glad to contribute \$5,500. The very worst season of the year comes in the next two months, and cold weather, together with high prices, will make many thieves. We have only seventy-five patrolmen now, about half as many as most cities of the same size, and with twenty gone, we have absolutely no officers for the street crossings, none at all for the outlying districts and only a few for the downtown district. "So few policemen will be the very worst advertisement the city could have, and it is certain to attract criminals from all over." "It is only another illustration of what we have been saying during the last few months, that trying to run the city of Omaha on the same appropriations that the legislature allowed us fifteen years ago is foolish and absurd." Some members of the city council are inclined to believe that the money may be used from the sinking fund on the ground of an emergency. Judge Berka of the finance committee, whose initiative it would be to bring forth such an ordinance, is rather hesitant about undertaking it, but Councilman Kugel says that he will introduce it himself if the finance committee does not.

MORE POLICE ASK FOR REWARD

Captain Mostyn and Three Detectives Enter Names for Union Pacific Money.

Captain Patrick Mostyn and Detectives Joseph Hall, Andrew Partullo and Dan Davis are the latest claimants to a portion of the reward offered by the Union Pacific railroad for the arrest of the Lane cutoff holdups. The plea for reward by these men was filed in the United States circuit court by Attorney C. P. Dickinson Thursday morning.

In the Divorce Court

Mabel Curtis was given a decree of divorce from Elvel A. Curtis by Judge Lane in district court Thursday. Judge Day also granted Paul Anderson a decree of divorce from James A. Anderson, restoring her maiden name, Cotton.

New Cafeteria Director

Mrs. Mixer, formerly in charge of the Club club at Chicago and before that in charge of the Young Women's Christian association cafeteria at Detroit, will succeed Mrs. Loftus as director of the lunch department at the Omaha Young Women's Christian association.

Returns from World Trip

John Jensen, who has been for many years prominent in Omaha Danish affairs, has wired his friends here that he has arrived in New York after a trip around the world. Mr. and Mrs. Jensen have been gone for a number of months and will return to Omaha.

Funeral of Mrs. Clara Mann

The funeral of Mrs. Clara Mann was held Thursday afternoon at 2 from Cole & McKay's undertaking parlors. Rev. M. V. Higbee officiated. Three children survive, and were present at the funeral. Miss Maude of Omaha and one son from Sterling, Ill., and one from Cheyenne, Wyo.

Page Goes to Panama

W. T. Page, editorial manager of the American Smelting and Refining company, leaves Omaha Saturday for New York, where he will be a member of the party of the American Institute of Mining Engineers which is going to Panama. A special boat is chartered for the trip, which will include stops at Havana and Kingston, Jamaica, and a week on the isthmus. Mrs. Page will accompany her husband.

Would Take the Dope Along

Convinced to the inmate ward of the state hospital for the insane in Lincoln, Board Park, a cocaine fiend, asked Deputy Sheriff Foster if he might take with him the hypodermic syringe which he has used to squirt the poison into his system. Foster smiled and told him he might take it, but predicted that the authorities at the hospital would relieve him of it in short order after his arrival. Park was taken to Lincoln by Deputy Sheriff Mead.

No Criminal Cases Thursday

Judge Keith and the county attorney's office had a rest from trial of criminal cases Thursday, no case being ready for trial as a substitute for the case of the Lincoln Board Park, a cocaine fiend, which was argued by James Jones and William Lanford. This case could not be tried because the chief witnesses are orthodox Jews and Thursday was the day of atonement, one of the most sacred and religiously observed days in the calendar of the Hebrew church. In Lincoln, charged with larceny, will be tried Friday.

More Show Apples to Come

Apples are a popular form of advertisement in the west, as the Home Commercial club is anxious to send some boxes of their choice fruit to Omaha and place them in the windows of the Union Pacific as an indication of what can be raised near home. It seems that the Home boosters were a little slow, as the Walla Walla Commercial club has its apples already here on exhibition. Apples all over the west are showing up a 30 per cent crop, as compared with 16 and 40 per cent harvests in the apple raising districts in the east.

Guid Goes to Milwaukee

W. M. Guild has gone to Chicago and Milwaukee to attend the meetings of the executive committee of the Central Association of Commercial Secretaries and of the association itself. This association is a new body, having been organized just a year ago, and its membership consists of the secretaries and commissioners of the live commercial clubs and chambers of commerce of the central and middle west. The second annual convention begins in Milwaukee Friday. Thursday Mr. Guild attended a meeting of the executive committee, of which he is a member, in Chicago.

Y. M. C. A. Shows Great Gains

Remarkable increase in All Departments is Shown Over September of Last Year. Figures covering every detail of the Young Men's Christian association night school for the present season were issued Thursday, showing several new records over those of last year. The total gain in the senior and junior classes for this September over the same month last year is 21, 111 being the increase of the seniors and eight-four of the juniors. By reason of the vastly increased enrollment and attendance the receipts of the school were 4 per cent greater than for September 1909. The increase in the enrollment numbers and the increase in the aggregate attendance reaches 25%. In the physical department likewise all previous marks have been passed. The enrollment was 273 as opposed to 153 last year.

Finch Crossings Popular

It is noticeable that nearly all the paving in the downtown districts has been with brick, while in the outlying streets asphalt has been used. City Engineer Craig is very well satisfied with the service of flush crossings which have only been used for the last few years. The department receives dozens of letters from other cities asking for information about this unique feature of Omaha's streets and the system is beginning to be used in a great many other places. With the paving flush to the sidewalk on all crossings it is possible to walk without ever having to step down off a curb and the crossings are just as clean and take care of heavy rains just as well.

Affairs of Rosa Liberati Fixed

Girl Taken from the Benson Orphanage is to Be Sent to Chicago.

All persons concerned in the affairs of little Rosa Liberati, the child who was taken away from her father on account of alleged cruelty, expressed themselves satisfied to have her sent to a school in Chicago by her father, when the case was heard Thursday morning. There was no evidence advanced showing the necessity for removing the girl from St. James orphanage, where she now is outside of the father's whim to have her removed, but it was agreed that Rosa should be taken by an officer to Chicago Monday. Liberati contended it was cruelty on the part of Probation Officer Bernstein to keep her in the orphanage.

Cupid is Shy of the Thirteenth

Marriage License Clerk Has a Day Off When That Day Comes Around.

Thursday was a quiet day for Marriage Clerk Puray of the county court office, it being the thirteenth day of the month. He took advantage of the lull to prepare his marriage records, which must be given to the State Board of Health every three months. "At noon not a license had been issued," he said. "We hardly ever issue any on the thirteenth. It shows that people are superstitious, whether there is good reason for it or not. The Friday superstition is not so strong. We frequently issue licenses on that day, though not nearly so many as on other days."

COAD IS NEAR DEATH'S DOOR

Prominent South Omaha Banker Has but a Few Hours More to Live.

Although the doctors and the family of J. F. Coad have despaired of his life he still lingers at the point of death. He is conscious practically all the time. All the members of his family are now at home, called by the approach of death.

TEMPERANCE UNION PLANS FOR BIG MASS MEETING

White Ribbon Day, Sunday, to Be Celebrated by Services in Churches and Auditorium. A large attendance of members at the Women's Christian Temperance union at the home of I. S. Leavitt Wednesday afternoon made plans for the ribbon day celebration Sunday. All the women and their friends will wear white ribbons and temperance services are to be held in nearly every Omaha church on the big day. There will be a mass meeting of the union, with temperance members from many outside branches attending at the Auditorium in the evening.

CITY SUES ARMOUR FOR MONEY PAID TO BEMIS

Case is Next on the Docket in the United States Circuit Court. The city of Omaha will begin its suit against the Armour company for damages paid to George P. Bemis, former mayor of Omaha, in United States circuit court following the present case being tried. The city was forced to pay Mr. Bemis damages for injuries he received in the falling of a signboard upon him several years ago. Now it is contended that the Armour company was in reality responsible for the accident and not the city.

FINED FOR PEEPING IN BERTHS

Judge Crawford Gives B. S. Smith Ten Days for Peeping. Because he played "Jack, the Peeper" in a Pullman coach of a Union Pacific passenger train at Valley last week, B. S. Smith was sent to jail Thursday morning to spend ten days. "I was looking for a friend in one of them berths," Smith told Judge Crawford. "I wasn't going to take nothin'." "Yes, but people sleep in those berths," replied the magistrate. "Ten days."

A tempting table helps to make a real home.

You couldn't begin a meal with any daintier or more inviting dish than Campbell's TOMATO SOUP.

Its mere fragrance is an appetizer. And its fine color reminds you of the scriptural phrase about the tempter that "giveth its color in the cup." But with this wholesome soup the after effects are as agreeable and satisfying as the first taste. Just the sort of a home temptation you want. 21 kinds 10c a can. Just add hot water, bring to a boil, and serve.

ADS PEROXIDE CREAM

is the best cream made for the skin. If you have a red, rough, blotched, sore, or itchy skin, try this great product of the American Druggists Syndicate. You can use it for massaging wrinkles and for a sallow complexion, as it whitens and beautifies, is safe, harmless and does not grow hair. No woman who values her appearance and who wants a smooth, clear skin should let a day go by without trying it for the face, neck, arms and hands. Get it for 25c at any A. D. S. drug store.

NEGRO WHO SLASHED THROAT OF MAN WHO LOOKED INTO HIS HOVEL IS GIVEN THIRTY DAYS.

Richard Winn, a negro who lives in a dugout on the river bank near the foot of Marcy street, was sentenced to serve a term of thirty days in jail by Judge Crawford Thursday morning. The negro pleaded guilty to stabbing Fred Pryor, an Italian, whom he found walking around his improvised home. Pryor said his curiosity was aroused by the crudeness of the negro's abode, and that not knowing it was occupied, he raised a curtain which hung in front to look in. The negro jumped at him and cut a gash four inches long across his throat. Pryor was taken to St. Joseph's hospital, where his injury was pronounced not dangerous.

New Church is Now Authorized

Contract is Let for New Home of the North Presbyterian Congregation. The building of a new North Presbyterian church was authorized Wednesday evening at a duly called congregational meeting for that purpose. The building will be erected at Twenty-fourth and Wirt streets on a lot secured two years ago. It is to be done in brick, with stone trimmings and is to cost \$40,000 aside from the furnishings. It has a dome center with four windows. Andrew Klewit was the successful bidder and will begin work at once, the trustees having been authorized to sign the contract. The building committee reported \$25,000 available funds. The trustees were authorized to sell the old property at Nineteenth and Ohio streets. This North Presbyterian church was formed by the junction of the Second Presbyterian and the Knox Presbyterian churches July 5, 1905. Rev. M. V. Higbee is pastor. Good results always follow the use of Foley Kidney Pills. They contain just the ingredients necessary to tone, strengthen and regulate the kidneys and bladder, and to cure backache. Sold by all druggists.
