GREATEST WANT OF THE TIME

Pass Up the Bottle, Forget the Can; Seek Only the Nonrefillable

Man.

2,00 Long years have the bottlers demanded 200 a bottle that can't be refilled; yet somehow it never was landed, with all their

Weis industriate, consisting in and from all quarters active, a complete clearance was made within two hours after the opening. Heavy hogs moved around \$2,3203.45 with good mixed grades of varieus weights at \$2,50 and better. Eacon weights were scarce and commanded the usual premium over lard hogs, best lights selling at \$2,50. A few pigs were on sale, prices paid in-dicatific a spread of \$7,5035.00 on this class of steck. Moderate receipts during the week and freer movement of provision stocks re-right around 15550c, all weights selling more readily than last week. Bepresentative sales: firm. Closing guotations on bends today were of a bottle declining again to be filled-or a can-the country is certainly pining for

a real, nonrefillable man! Some men read a "slop-over" paper, with \$616 silliness reeking and "guff," with no more

of brains than a tapir, and yot very full sting of the stuff. They carry the earnest impression around they are filled to the neck with all that is worth the passession; and then when they meet with a check, when the facts and the views are exploded, they 184% go back, these innecent men, all empty and nice and unloaded, and get themselves 198% filled up again! 114 And others stand 'round while a shouter

with wrinkles all back of his head, a famous. a fool out-and-suter, works a voice that would justle the dead. He asarts all is wrong; they believe it. He says he is right; they "enthuse." Lays down site he is right; they "enthuse." Lays down fe's the law; they receive it. He abuses like \$75.
