Possibly you suspected fraud or duplicity, and presumably dismissing the matter as an invalid's septiment, you sent your order direct. You see, I know, because it took me five long months to earn the first \$18, at an expense which would have purchased every subscription obtained.

WEVERTHELESS, despite every obstacle, over \$1,000 was earned for the Infants' Home, which was paid by the publishers March the 2d—even it did have to sacrifice my profits on all other business to succeed. Perhaps you will believe me this fall when I tell you that your magazine order and renewals will earn \$3,000 to \$5,000 for organized charity.

You save five per cent. Your order makes you a co-partner. Public coperation will make every subscription worth from 50 cents to \$1.00--\$5.000 in prizes should be realized. (1) which properly Invested
