

Men Never go Farther than Bennett's When They are in the Market for Nobby, Well Wearing Suits \$14.75

We claim, and we're here to make good every claim we make, that a man can always make \$14.75 buy a nobby, more serviceable suit and wear it than any where else in town.

We watch that our stock is new, fresh and full of the new styles in building, variations, a man always like variety. This year our suit and stripes are the shades.

We want to show you these beautiful patterns. Fifty doesn't begin to describe them. You must see them. You will want one because, not only will the style and pattern fascinate you, but the fabrics will give you extra value.

Of course, we handle higher-priced garments up to \$35. We carry a full stock of "Fresco" colored coats.

BACON AND CHOPS SPECIAL

Moving Scenes on the Educational Hog Train in Iowa. PORK CULTURE IN ITS GLORY: How Experts Teach Farmers How to Increase the Output of Porkers and Get Rich Quick.

ought not to be such a difficult matter to help each sow bring one more pig safely through the dangers of infancy. Such an increase of one pig to a sow would mean 2,000,000 additional hogs for the state.

big enough to tote a pig. It was hog money that paid his way at the agricultural college. He had a right to smile when the farmers seemed surprised that he should know anything about these animals.

Teach Women to Cook Pork. While the men are in the front cars learning how to raise hogs, their wives and daughters are in the domestic science car learning how to cook pork in the most appetizing and easily digested ways.

TEACHERS ON THE SICK LIST: Several of the teachers at the high school have either been ill for a few days or have taken short visits.

LAST CHANCE TO REGISTER

Indications Are that Large Number Will Turn Out Saturday. BUTLER IS AFTER DELINQUENTS: is Rounding Up Registrars Again and Will Send Policemen After Those Who Fail to Appear.

who were loaned out to voters wherever they could find them. The party leaders tried to have two freshers from each precinct on hand to help swear in any voter who needed the assistance.

There was a shortage of more than 5,000,000 hogs at the six chief pork packing centers of America during 1909. At these same points there was a shortage of 3,000,000 hogs in the first six months of 1910.

He Knew About "Hawgs." At Vinton the farmers' car was filled to the platform, and a few who couldn't hear any other way stood on milk cans to bring their heads up to the windows.

A bottled worm about a foot long is introduced to the farmers as another enemy to success in hog culture. A hog's tail is a good index to his condition inside.

The total attendance at the breakfast bacon special has averaged from 7,000 to 7,500 a day. The actual count for the first four days was 8,200.

Several of the teachers at the high school have either been ill for a few days or have taken short visits. Miss Kate McHugh, who is head of the English department, has been out of town since Wednesday.

Butler After Registrars. City Clerk Dan Butler is after his registrars again and threatens to exact the penalty against them if they do not report for work promptly Saturday morning.

Bigger, Better, Butler—That is what advertising in The Bee will do for your business.
