## What Women Are Doin

TATE Federation Day is the official designation for the open meeting of the Omaha Woman's noon at the First Congregational church. The recent federation. meeting at Tecumseh will be reviewed by

the club's delegates. Mrs. Frederick T. Rouss will speak of the opening session and include a resume of the General Federation president's address, Mrs. Albert Edholm will speak of the civics and forestry session, and the public health session. The civil service, reform and educational session Mrs. F. J. Birsa will review; Miss Josephine McHugh. the library; Mrs. L. J. Healey, the musical household economics, and Mrs. M. D. Cameron the literature and art sessions.

"The session was especially interesting and profitable and harmonious," said Mrs. M. D. Cameron, president of the Omaha Woman's club, who with the other Omaha delegates has just returned from the meeting of the State Federation held at Tecum-"All the delegates were ready for work, as was shown by the fact that the noon hour was sometimes shortened to ten or fifteen minutes that business might be attended to. Also one morning session began at 8:15 o'clock. The work of the lust year have been very encouraging. Besides the new scholarship plans, twentysix new clubs were reported. The program, which was carried out with some changes. was helpful, practical and the presence of Mrs. Phill N. Moore, General Federation president, gave impetus for better work this coming year. The people of Tecumseh were especially cordial, the men co-operating with the women in making the visit one to be remembered with pleasure." One of the Lincoln club women char-

The household economics department of the Woman's club will hold an informal round table session Thursday afternoon The leader, Mrs. F. J. Burnett, will preside and the delegates to the convention will answer the members' questions about the

acterized the meeting as the "best conven-

tion held in years."

The Omaha Society of Fine Arts will meet Thursday afternoon; Mirs Laura Scott, leader. Subject of study. "The Decorative Painters of the Barbizon group," Jules Dupre, 1811-1899; Narcisse Virgilio Disz de la Pena, 1808-1876; Charles Francois Daubigny, 1817-1878.

Mrs. A. B. Somers will have charge of the program at the meeting of the literature department of the Woman's club Wednesday morning. The subject of the HAS lesson will be "Humorists vs. Historians." and the following books of Mark Twain Sunday School Activity is Coming to will be reviewed: "The Prince and the Pauper," by Mrs. L. J. Cochrane, "Joan of Arc," by Mrs. G. C. Bryson, and "A Connecticut Yankee," by Mrs. A. L. Fernald.

The Omaha Suffrage association will meet Wednesday afternoon at 8 o'clock in the Brandels club room. Mrs. Alice Millie plan to assist the women who are candidates for election as school directors. A onstitutional amendment will be considered. This meeting is open to the public.

The Story Tellers' league will meet Thursday afternoon. "Oliver Hazard affairs. An investigation of the facts will he was formerly pastor.

## Health and Beauty Talks

BY MRS. MAE MARTYN.

Mrs. L. G.: It is not necessary that your face should reflect your age. You could easily have a much finer, clearer, smoother and more youthful complexion if you guit using powder and tried a good lotion. Dissolve four ounces spurmax in a half-pint hot water and add two teaspoonfuls glycerine. Apply this to your face, neck and arms, and it will improve your looks wonderfully. It will soften and whiten your skin and remove that shiny, gressy, sailow look. This inexpensive lotion will not rub off like powder, and is very beneficial in preventing and removing freckles and skin beautifier. You can get anything I recommend at almost any drug store.

G. L. A.: A simple and reliable home

B. Sisters: If the patrons of your "beauty parlors" object to shampoos made from soap on account of the great danger of the soap alkali ruining the lustre of tha hair, try a shampoo made lustre of the hair, try a shampon made by dissolving a teaspoonful of canthrox in a cup of hot water, and after shamponing, rinse the hair as usual. Canthrox makes the most satisfactory shampon imaginable and leaves no bad effects. It lathers splendidily and is the best and most thorough scalp cleaner I have ever seen. I relieves scalp irritation and leaves the hair bright, soft, fluffy and easy to do up. This shampon dries very quickly is entirely beneficial and will not cause faded, streaky or discolored hair as soap and most shampons are likely to do.

Weak Eyes": Wearing glasses is not likely to help your weak, dull inflamed eyes. What you need is a good strengthening eye tonic. The next time you go to a drug store get an ounce of crystos and dissolve it in a pint of water. Drop a few drops of this in each eye occasionally and you will be surprised how soon it will give you relief. It will not smart or burn the yes and is a perfectly reliable tonic for any one to use who has eye trouble. It is splendid for treating watery, expressionless eyes or granulated ilds. It makes the eyes bright, strong and sparkling.

Inted lids. It makes the eyes bright strong and sparkling.

R. K.: I would advise you to seek health first before beauty. You say you are not sick, but you feel tired always, look sallow and have pimples and cruptions. Try this home-made blood purifier and system tonic: Get from your druggist one ounce of kardene dissolve it in one-half pint of slooked and one-half cup of sugar, then add enough hot water to make a full quart. Take a table spoonful before each meal. This remedy should tone up your system and build up your strength. It sids digestion, arouses a torpid liver and purifies the blood. When your blood is pure, your sallowness and pimples will disappear and you will rid your face of those very large pores.

Read Mrs. Martyn's Book. "Reaute."

G. L. A.: A simple and reliable home treatment for removing superfluous hairs from the face and fornarms is to mix a little delatane with enough water to make a paste; then smear this paste over the skin where the hairs grow, leave it on for a few minutes: then wipe off and wash the skin with warm water. Detetone is the only thing I know that will kill the hair roots forever without injuring the skin. It is expensive, as druggists never sell it for less than a dollar an ounce. Sometimes the hairs do return, but they are light and straggly, scarcely discernible. After a second or third application, they go for good.

Jessie P. H.: Some sage dressings are beneficial to the scalp, but I never recommend them on account of the danger of staining or discoloring the hair. If you want a good, dependable remedy for dandruff, itching scalp and falling hair, try an ounce of quinzoin dissolved in one-half pint each of alcohol and water. This will put your hair and scalp in a healthy condition. Applys the tonic twice a week, rubbing it gently into the hair roots. It is free from oil and makes a fine dressing for the hair. I know of many who were troubled with "hopeless" cases of dandruff and falling hair that found this an ideal tonic.

Madge: For your hollow checks and
