PUBLEYING THE BLOOD THE ONLY PERMANENT CURE

No case of Rheumatism was ever cured except by a thorough purifica-tion of the blood; just as long as the blood remains charged with fermenting uric seld poison, the painful disease will continue. The pains and aches of Rheumatism are simply superficial affects of the impurities in the circulation, and sometimes may be temporarily relieved by the appli-cation of plasters, liniments, hot cloths, etc. But the person who trifles with this dangerous disease by de-pending on local treatment alone, is certain to pay for the mistake with constant suffering later on.
