

# An "Eighty Times" Customer

If you'd take your boy into a clothing store and announce that you wanted to buy forty suits of clothes and forty overcoats for him, you'd get special attention, wouldn't you?

Every boy whose first clothes are bought here looks to us like an eighty (or more) times customer. He is the fit, the wear, the satisfaction he gets out of those clothes will be pretty apt to take care of the other seventy-nine sales.

We don't make enough profit on the one sale to be indifferent about where the other sales are made, so we give the utmost of value—every time.

**Boys' Suits from \$3.95 to \$10.00**  
**Boys' Overcoats from \$3.50 to \$10.00**

Including the entire output of the celebrated SAMPECK MAKE. Sizes 2 to 14 years.

Our large winter catalogue is ready to mail to our Omaha patrons—write for it.

# IOWA CONGRESS OF MOTHERS

Meetings Being Held at Des Moines by the Organization.

MRS. SCHOFF TALKS OF WORK

Thinks National Congress is Most Vital Organization Working in the World Today—List of Activities.

(From a Staff Correspondent.)  
DES MOINES, Ia., Nov. 1.—(Special Telegram.)—At the meeting of the Iowa Congress of Mothers today Mrs. F. S. Watta of Audubon, president of the organization, said part of the work of the congress for the coming year will be to secure the assistance of every mother's club in Iowa in securing legislation prohibiting children under 14 years of age from working on the street. In the south last year, the mothers' club secured such legislation, and it is Mrs. Watta's opinion that Iowa mothers can do the same.

That the National Congress of Mothers has the most important and greatest work in the world is the opinion of Mrs. Frederick Schoff. "I think that the national congress is the most vital organization that is working in the world today," said Mrs. Schoff. "We are actually dealing with mothers, giving them proper knowledge of the children. We are teaching them the physical, moral and mental needs of the child."

The Iowa congress started on a program to establish kindergartens today in securing a hall for the last republican rally of the campaign in Des Moines. This will be held Friday night and will be addressed by Colonel Theodore Roosevelt. He will speak by special invitation of Senator Cummins and because of his great interest in the success of the ticket in this district of the state. Senator C. C. D'Arcey will be at the meeting, and in addition to the Roosevelt address, which will come last, will be speeches by Senator Cummins, Governor Carroll, Judge Prosser, Messrs. ## Bills in Fraternal Cases Are Quashed

Charges Against Officers of Fraternal Tribunes and American Home Circle Are Void.

ROCK ISLAND, Ill., Nov. 1.—Indictments against K. M. Whitlam, Alton, Ill.; Dr. A. L. Craig and C. E. Hatfield of Chicago; S. S. Mellvaine of Auburn, Ill., and Thomas W. Wilson, Michael B. Carber, C. H. Walters and George W. Keney of Springfield, charged with embezzlement and conspiracy in connection with alleged fraternal insurance frauds, were quashed by Judge W. H. Gast in the circuit court here on technical grounds.

Those named in the indictments were connected with the Fraternal Tribunes and American Home Circle merger of two years ago, which was followed by the alleged looting of the Tribunes' reserve fund of \$53,000. Quashing of the indictment leaves only a few charges against individuals playing minor parts in the alleged fraud.
