Secretary Grotte of the Middle West Bowling Association has been a very busy man during the last week in answering the many inquiries concerning the holding of the 11th bowling tournament under the auspices of the association, which is to be held in this city from November 25 to December 1, inclusive.

Huge posters advertising the meet have been sent out to every city of bowling importance in the states of Iowa, Kansas, Missouri and Nebraska, besides to such cities as Chicago, St. Paul and Minneapolis, which have resulted in many inquiries coming to the office of the secretary. In fact, it is doing much to advertise Omaha and put it down as a real bowling center. The program of the meet will be to hold the tournament on Tuesday. There are to be scraped and cross-scraped and then finished off and will be the same as brand new alleys after this treatment and no games, excepting the tournament games will be shot upon them during the life of the tournament.

Many to Be New at Meet.

Many of the contestants will shoot for the first time by an event of this kind and it has never been known for a favorite to win the first honors and one of the novices are just as likely to be the next middle west champion as any of the old timers. Nine gold medals are to be presented to winners of the three events, one each to members of the five-teams, one each to the doubles and one for the individual event.

NEW YORK, Nov. 6.—(Special Telegram)—Just as arrangements were about to be completed between Israel Ludlow, representing the Merchants and Manufacturers' association of San Francisco, and the aviators who took part in the recent international aviation meet at Belmont park, for an aviation meet in San Francisco to be held November 23 to December 2, inclusive, a telegram was received by Ludlow from the Merchants and Manufacturers' association in San Francisco, declaring the meet off. No reason was given for the action, but the general belief is that the \$20,000 in addition to the \$50,000 already raised by the business men of San Francisco, was not forthcoming.

Hastings punted and the remainder of the quarter Bellevue held on the defensive. Fowler of Bellevue besting the Hastings man on interchange of kicks. The forward pass, however, seemed to have the Bellevue men going and by its use Hastings carried the ball to the Bellevue twenty-yard line and added an easy field goal, giving them a four-point lead. The third quarter was unproductive of scores. Bellevue had a shade the best of the argument in this quarter, twice getting within striking distance of the winning goal. On both occasions attempts at drop kicks failed by a narrow margin.
