CONNOR REFEREE IS CHOSEN I. Sibbernsen to Be One of Referees to Divide Up the Estate of J. A. Couner.

I. Sibbernsen, one of the referees of the estate of the late Joseph A. Conner, who was selected to divide up the Nebraska real estate among the heirs, Wednesday sold 1,000 acres of the land in Stanton county to Edward Wurdeman and F Rabeler, jr., both of Leigh, Neb., for \$55,160, the land teing mostly prairie and unim proved. The remaining property equally divided up among the heirs. H. B. Hunsicker is the other referee.

GRAIN EXCHANGE ELECTS Ticket Nominated Goes Through Without Contest, as Was

Expected.

Election of three directors of the Omaha Grain exchange took place as quietly as expected. W. J. Hynes, J. W. Holmquis and Sherman Saunders were unopposed They received 92 votes each out of 94 cast On the exchange floor facetiously inclined members are declaring that one of the three must have voted for himself.

PIERRE, S. D., Nov. 3.-(Special.)-The lection judges of one of the precincts in the castern part of this county decided to officially call attention to a transgression of one of their inalienable rights. The candidates forgot to send a supply of cigars to the precinct and the officials in making their "unofficial returns" to the county auditor made no figures, but wrote across the center of the blank, "No cigars; no returns." It will require a wait for official returns to know just what that particular OD Japanese wants to work in private precinct has done for the candidates and prepositions presented to them.

# Tired Business Man

Tolks Friend Wife the Portuguese Divorced Manuel from His Job Ensily.

BY WALTER A. SINCLAIR. "And the first thing the Portuguese republic did was to enact a divorce law," exclaimed Friend Wife.

"Making what's sauce for the Portuguess saucy for the Portuganders," replied the Tired Business Man. "And I hear that they are seriously contemplating renaming blabon and calling it 'Reno. Didn't I tell you when they founded that republic that they would have all the modern conveniences put in the foundaticn? And doesn't some female writer declare that divorce is a fire escape from a matrimonial school, enabling love to climb out of the window when hubby comes in the door?

"I can see in that enactment the fine hand of the lawyer lawmaker opening up an unworked and unlimited mine of wealth for the profession. Not that the husbands of Portugal are any worse than any others but the wives are keen to be up to the latest styles, and in divorce they are lementably behind women of other nations. They have yet to know the towns where as the song goes, the judge and jury meet or augmented-ochestra divorce, in which you at the train. They haven't had any every little movement and the meanness nickel-in-the-slot machines for distributing thereof is fully diagrammed in the sight of divorces nor have they had any noisy the audience, with principals and speaking
