### Regrading Ghost Again Bobs Up

Announcement that There Will Be No Revision Downward Among Minor Leagues.

CHICAGO, Nov. 18.-Meetings of the national arbitration board of the National Association of Professional Rase Ball leagues were expected to come to an end today. There were several cases in which the evidence had been taken and in which decisions were expected, and the ever-ready reclassification ghost bobbed up frequently in spite of all assurances of the past. This scare has lost most of its effect,

however, dus to opinions given out by members of the arbitration board. It was said today that there would be no setbacks for any league for the present, but that those organizations having populations entitling them to go up would be advanced. Votes will be taken by mail on the separate cases after the meetings are closed here and the decisions announced later.

The general exodus of base ball men began yesterday after the Juncheon to delegates given by President Charles Murphy of the Chicago Nationals, to the board of arbitration, and lasted almost to noon

Rheumatism is due to a diseased condition of the blood cells and corpuscles, brought about by an excess of aric acid in the circulation. It is not only a very painful disease but an extremely dangerous trouble. The briny, acrid state of the blood gradually forms a coating over the muscles, and by depositing a cement-like substance in the joints frequently terminates fatally, or leaves its victim a hopeless cripple. It is natural to "doctor" the spot that hurts, and it is quite right to use liniments, hot applications, etc., to get temporary relief from a painful joint or swollen tendon; but Rheumatism is not a skin disease, and such things, when depended on alone make one careless, and the disease gets a firmer hold on the blood.
