Counting down at the end of the football season, the annual mid-west bowling tournament begins big in the sporting eyes of Omaha and the west. The list of entries totals over 250 men, fifty teams of five men each being entered in the main event. Bowlers with a nation-wide reputation are easily found among the entries and the local bowling clubs are predicting that some of the fastest bowling of the season will be seen at this meet. Saturday evening is the date of the start and from that time on the pins will be heard tumbling from more to more at the Franckel alleys. The five-man events will be followed by one hundred top-pins and over two hundred singletons events. Among the teams there are eight of the big St. Louis organizations, fourteen from St. Joseph, and from Des Moines. Twenty of the Omaha bowlers are registered.

Nine Gold Medals Given. In addition to the regular money prizes list the officers of the association have offered nine gold medals for the high score men. The men in the winning team of the five-man event will each get one, those winning in the doubles, the man winning in the singles and the man getting the highest score during the meet will receive medals. It is very possible that one man can win four of the medals; but the officers are not afraid of anything of this sort when they look at the number of fast men on the lists.

The first match of the meet will come Saturday night when the Bulldogs meet the OMA F. Wolfers, and the Duffys roll with the George Dins. Sunday the two-men teams and the individual bowlers play all day and the rest of the week two-men teams and individuals will hold the alleys morning and afternoon, and the five-men squads rolling the evening hours away.

## Des Moines College Holds Good Record For Season's Work

Tigers Have Defeated Morningside, 8 to 0, and Have Excellent Marks in Hard Schedule.

DES MOINES, Iowa, Nov. 22.—(Special Telegram.)—Des Moines College Tigers had one of the best and hardest foot ball schedules in the west. That schedule closes with the football season at Omaha on Thursday. Des Moines' showing in the state is most creditable and a victory on Thanksgiving day will wind up a splendid foot ball season. In the first game of the season Des Moines college defeated Drake University, the state champions last year. Injuries in that game and the week's practice following kept several players out of the game until the Penn game, November 3. On an ordinary field this game should have gone to Des Moines by 15 points, but a heavy snow slush made good foot ball impossible, and the heavier Penn team was able to tie on a fluke. Morningside College outplayed the University of Iowa, but lost by eight points, and won over Ames 5 to 6, after Ames defeated Missouri. On the showing of Morningside the hope was that Des Moines college would be defeated. Morningside did play a good game, the hardest game the Des Moines team met, but the light Des Moines team won 14 to 0. Drake University has since won all of her Iowa games except that against the state university.

On relative scores, people here think that Des Moines has a good show to win the freight game, and with a dry field the spectators will see one of the fastest games of the year, for it is known that Des Moines has a splendid, well trained team, capable of putting up a fast contest.

## High School Lads Ready for the Game

Gridiron Battle with the Chicago Team at Vinton Park Thursday.

"The biggest crowd of the year," is the slogan of the board of directors for the Omaha Wendell Phillips High school game at Vinton park Thanksgiving. The game with Chicago is the real test of the comparative strength of the high schools of the east and the west, as the Wendell Phillips team is reckoned among the strongest in Chicago.

Coach Burnett has been drilling his regulars since the defeat of last Saturday and will have them ready to turn out on the field in the finest shape on Turkey day. The guard, who was hurt, is reported to be progressing well, but as he will not be in time his place will be filled by Virgil Rector.

The Wendell Phillips team is scheduled to arrive in Omaha Wednesday. The two teams will be about even on weight, Omaha weighing in a pound or so heavier and both are fast. The high school band will be on hand at the park to play during the game.

## Roller-Mandino Match Will Be Even Contest

Both Men Fit, According to Managers, and Each Wants Victory to Help to Another Match.

The Roller-Mandino wrestling match, which is scheduled to reopen the wrestling arena in Omaha Wednesday night, promises to be an interesting bout as the date approaches. The managers of both men report their charges to be in the finest of form and they say they are evenly matched. The winner of this bout undoubtedly will be in line to challenge one or another of the big men now in the east waiting for a good match and with a fair chance to win against any of them except, perhaps, Mahomet.

Manager Gillan announces that everything is lined up for a good clean evening of wrestling, all of the men in the preliminaries being fast and about even in strength and speed. Two good preliminaries are billed.

## Minister Arrested For Criminal Libel

Pastor with Having Made Malicious Statement in Sermon.

INDIANA, Pa., Nov. 22.—Rev. William L. Barrett, pastor of the Presbyterian church of Blairsville, was arrested on a charge of criminal libel at his home today on information made by Walter H. Gaither, private secretary to Governor West John H. Tener. Mr. Gaither was heard in hearing and was held in \$500 bond, furnished by himself, for appearance at the December term of court.

The information charges that in a sermon "on or about October 15" said W. L. Barrett maliciously and negligently wrote and published the following defamatory words referring to John K. Tener, and thereby exposed him to public hatred, contempt and ridicule:

"One of the most prominent ministers of the Presbyterian church, a pastor of a church of nearly 600 members, saw this man seated in his room in a hotel in a state of intoxication, and the next morning it took two men to assist him to the railroad."

The Blairsville Court, which published the statement, withdrew with an explanation that the statement was false, but the minister declined to retract.

Third Degree a Myth. WASHINGTON, Nov. 22.—"The third degree" methods as a means of getting criminals to confess, are particularly in the minds of dramatists and novelists, were the gist of testimony given today before the Senate committee on the subject.

## COLE GETS GOLD FOOT BALL

University Athletic Board Also Rewards First Team Players.

## NEW WAY TO CHOOSE CAPTAIN

He Will Be Selected Hereafter Night After Thanksgiving Game

—No Action on All-Year Coach.

LINCOLN, Neb., Nov. 22.—(Special Telegram.)—As a mark of appreciation for winning the Missouri Valley championship in foot ball, the athletic board of the University of Nebraska granted "King" Cole gold foot ball along with the fourteen members of the varsity squad. But a few years ago the board decided to give gold foot balls for a championship team. While it is not customary to award them outside the members of the team, Cole was one of the first proposed to receive the foot ball. Elliott and Sturmer were granted letters in addition to the regular members of the squad upon a vote of the board, and will also receive the gold foot balls.

Heretofore considerable time has always elapsed between the time for the election of a captain and the close of the season. Politics has figured in the election in the past and in order to eliminate this the board decided to hold the election immediately after the Thanksgiving battle, while the men are still at the gymnasium. This is an innovation borrowed from some of the eastern schools, but it is believed that it will result in greater satisfaction in the choice of a leader.

Field Basket Ball Coach. The resignation of B. M. Cherrington to accept the board's offer for coaching the basket ball team led to the election of O. F. Field, who was selected along with Mr. Cherrington to take charge of the basket ball, base ball and track squad. The selection of a base ball and track coach was delayed until later.

Will O'Connell Jones was appointed as a fourth member of the foot ball finance committee. Finances are reported to be in excellent shape and the sale of tickets for the Thanksgiving game has exceeded any previous year in the history of athletics. The board extended a vote of appreciation to the coaching of the basket ball squad. Wood was one of the stars on the basket ball team for three years.

Nothing will be done in the matter of an all-year coach until later. The committee appointed to investigate the matter asked for more time. As the coach does not assume charge until the next year, the committee is not in a hurry to act. Several applications are now under consideration.

Athletic Letters. The board has made a number of rulings regarding the award of letters for all branches of athletics. The old English style of the letter "N" for Nebraska, the ball and the straight "N" for tennis and gymnastics. Each member of the track team who is awarded an "N" will wear the letter "T" denoting the branch of the sport. The same restrictions were passed in regard to gymnastic work. Men participating in 50 per cent of the Missouri Valley and Chicago conference games will be awarded basket ball letters. The winners of first, second and third places in the western inter-collegiate gymnastic meet, the winner of first place in a local meet, or the winners of a first and two seconds in either of the meets will be given letters. The winners in regular tournaments will be given letters. The number for tennis is restricted to four letters.

The Cornhuskers will have little rest now on until after the visit of the Redskins. The Nebraska mentor will drive his team along at hard pace this week in preparation for the Haskell braves.

The work began Monday night with a scrimmage at the state farm. The weather was perfect and the practice was brisk after the long lay-off which the varsity has had. The freshmen put up a stiff defense despite the absence of Knous, Potter and Weaver from the backfield. Knous wreathed his knees last week and will be out for the remainder of the season. It is doubtful if Potter will be in the lineup again this season as he suffered a slight injury in one of the class games.

Although some of the men are still under the ban of the delinquency committee, Cole did not shift the lineup more than usual, which is taken to indicate that the work has been made up. It has been announced that three of the five varsity players who were reported delinquent had already made up their work Saturday afternoon. The other two have yet to pass examinations. The work of the varsity was ragged in spots, although on the whole satisfactory. Part of the backfield had little difficulty in advancing the ball and the defense was strong. Cole's new shifts for the Indians worked smoothly and the offense is apparently stronger than at any time during the year.

Nevertheless, the Cornhuskers are not placing very much faith in reports concerning the strength of the Indians and are expecting a fierce foot ball battle. There is a well defined fear in the Cornhusker ranks that the Indians may spring an entirely new lineup for the Turkey day battle. The season closed last Saturday for the Carlisle Indians and it is not probable that some of the Carlisle braves might be imported for the occasion.

Anyway, Cole is not willing to take any chances and is preparing for the hardest game of the season. The indications are that the play will be an excellent exhibition of open foot ball as the varsity is relying entirely upon open formations.

The sale of tickets for the game is exceeding all expectations. Orders from teachers, who will be in the city during the week to attend the association meetings, are coming in rapidly and Manager Earl O. Eager thinks that every available seat on the grounds will be taken. The stands and grounds will accommodate in the neighborhood of 4,000 people. The game will be a big boost to Cornhusker finances—a thing which is of vital importance to the Nebraska management just now.

## Emperor of Russia Writes of Regret for Leo Tolstol's Death

ST. PETERSBURG, Nov. 22.—The Russian emperor has written the following note on the margin of the report which M. Stolypin sent to his majesty of Tolstol's death:

## TEAM STRIKES CARRIAGE

Miss Linda Gauger of Clear Lake, Ia., Dragged Some Distance by Automobile.

MITCHELL, S. D., Nov. 22.—(Special.)—Frank Stimmel and his niece, Miss Linda Gauger, had a narrow escape from death while attempting to cross a railroad track in front of an approaching train at Hazel. They were driving to town in a carriage and failed to see the oncoming train, which they were on the track. They were both thrown from the carriage, and in falling the skirts of Miss Gauger caught on the pilot of the engine and she was dragged some distance before the train could be stopped. Her legs were caught under the drive wheels of the engine and the flesh cut and lacerated shockingly, although the bones were not broken, and she received many bruises about the body. Mr. Stimmel was cut about the head and a gash was cut in the scalp four inches long. The young woman was removed to her home at Clear Lake and it is possible that one leg may have to be amputated below the knee.

Heirs to Peterson Estate Found. SIOUX FALLS, S. D., Nov. 22.—(Special.)—The heirs of Theodor Peterson, a wealthy pioneer resident of Lake county, have finally been found after a diligent search extending over a year or more. Peterson at the time of his death was the owner of a large amount of Lake county farm land, which now commands a high price, and has also accumulated a great deal of other property. He was a bachelor and failed to leave a will. Nothing could be found among his papers which would serve as a clue to his relatives, and therefore it became necessary for the county authorities to commence a painstaking search for the dead man's relatives. It developed that Peterson resided in the United States and seven of his sons, being brothers and sisters of the dead man, one of the brothers is Elmer Peterson of Brooklyn, N. Y.

School Teacher Assailed. ABERDEEN, S. D., Nov. 22.—(Special.)—Miss Ella Searle, aged 30 years, a pretty Campbell county school teacher, was assailed as she was returning to her home in Pollock from her school, three miles in the country. Archibald McCullum, a young farmer, in the company of the club today, charged with committing the crime. His bond was fixed at \$2,500, which he has not yet furnished. The minimum penalty for the crime of which he is accused is five years in the state penitentiary.

Iowa City Well Advertised. IOWA CITY, Ia., Nov. 22.—(Special.)—What will probably be the greatest proportional expenditure for publicity ever made by any Iowa town is that planned by the Commercial club of Iowa City. A meeting of the members of the club today discussed somewhat favorably the proposition to expend \$25,000 for the publicity of Iowa City, a sum of \$5,000 to be expended each year. The plan will probably be adopted in the near future.

South Dakota Farmers Complain. PIERRE, S. D., Nov. 22.—(Special.)—The Farmers' Grain Dealers association of South Dakota has filed a formal complaint with the state railway commission in regard to grain rates, and the matter will be taken up by the commission, and a time and place of hearing fixed in a few days.

Eight officers and residents of Marshalltown are defendants with the mayor.

## IOWA RETAINS COACH HAWLEY

Dartmouth Man Will Have Charge of Foot Ball Squad Next Year.

## EBY WILL BE HIS ASSISTANT

Salaries of Both Men Are Advanced—Fourteen T's Awarded by Athletic Board Monday Afternoon.

IOWA CITY, Iowa, Nov. 22.—(Special.)—Jesse B. Hawley, Dartmouth '07, was this afternoon chosen coach of the football team of the State University of Iowa for the season of 1911. Morey Eby of West Liberty, Iowa '09, was also retained as assistant coach. Both of the men were retained at advanced salaries. Their election came as a result of a meeting of the athletic board of the University of Iowa and is more than satisfactory to every student in the school who has watched the progress of the team's development under the guiding hands of the two men this year.

Coach Hawley has done more for the Iowa team proportionally probably than has any other coach in the state of Iowa this season, and his work has been commended upon all sides. From a squad of embryo players, within which was not thought to be included a great deal of particularly brilliant material, he has developed a team that at the end of the season ranks high in the Missouri Valley association and holds the championship of the state. Morey Eby is a football professor of no mean ability. This is his second year of assistant coaching at the university and he has proved himself immensely popular with the proteges of Iowa Field.

Fourteen "T's" were awarded to players on the 1910 team of the university Monday afternoon. Those who received them are Hyland, Murphy, Thomas, Curry, O'Brien, Weeks, Repass, Felding, Hiestrich, Buckley, Alexander, Tricky, Clemmons, New, Banton and Powell were given "A. I. U. G." The meeting of the board in control of athletics this afternoon failed to develop anything in the basket ball coach line, but something definite is to be done in this matter soon.

## CHRISTIAN HOME PLANS BIG DINNER FOR ORPHANS

Offerings Are Coming From Afar, and Substantial Tokens Are Among the List.

Preparations made for Thanksgiving at the Christian Home orphanage promise that it will be an event of more than ordinary interest. Manager Lamen is receiving donations from all parts of the United States and the expectation is that a record amount will be received. As is well known, the home is supported wholly by voluntary offerings, but the growth of the work at the present time has some new features. The buildings, all of which are of the most substantial character, represent an investment of more than \$50,000 and the work of building is still progressing. The daily average of persons in the institution has risen from 250 last year to 350 this year and the total number provided for in 1910 will exceed 400. Forty people are constantly employed in the work. The expenditures for 1910 will exceed \$50,000, practically all of which is spent in Council Bluffs. The visitors' roster shows that more than 2,000 persons visit the home annually. They come from all parts of the country and often stay several days at local hotels and boarding houses. The home issues a paper each Tuesday, which has a circulation of more than 10,000 copies and goes all over the world.
