

Cornhuskers Receive Victories Cause Wave of Interest in Game with Indians

DES MOINES COACH ARRIVES

Leaders of Hawkeye Warriors in Scouting Victory.

CREIGHTON MINUS A GOOD MAN

"Jap" is Under Care of Physician and is Unable to Take Part in Thanksgiving Day Contest.

Coach Andy Chalmers and his band of Hawkeye warriors arrived in this city from Des Moines late last evening. The aggression meets of the team this afternoon and seems determined to close the season with a remarkably successful year on the gridiron, and has improved gradually in each successive game.

In Plan of Condition. The youngsters are in first class shape for this afternoon's battle. The eleven seems a blue heavier than Miller's "colts" and the Blue and White must fight every minute of the game to defeat the visitors.

Des Moines has a long list of victories behind them for this season, having defeated Des Moines, Iowa, and Iowa State, and holding the fast Peru eleven to a tie score. Creighton will enter the game today handicapped by the loss of Tamiela, the star guard for the hi-lit lads. "Jap" has been out for the last two weeks from an injury received in the game three weeks ago and has been under the care of a physician since.

It was hoped that he would be in shape for the final contest, but Coach Miller will not allow him in today's contest.

Creighton hopes to outclass the visitors, as a defeat of Chalmers' men would virtually mean a victory over Drake and Morningstar. Spurred on by the hope of downing the Orange and Black, Creighton will battle with a determination of closing its schedule with victory.

"We are praying for a good dry field, as our team is speedier than it is heavier, the boys averaging 135 pounds," remarked Chalmers, Wednesday. "The Tigers have a good fast backfield, but from what I hear of Creighton's back and ends are none of them slow men either."

The lineup that the Des Moines team will start the game with is as follows: Right end, Corrie or Meade; right tackle, McCreary; right guard, Lopez; center (captain), left guard, Campbell; left tackle, Skolker; left guard, Nunn; center, Perry or Shew; right half, Johnson; full, Davis; left half, Traflet.

High School Boys Ready for the Game

Chicago Team to Arrive Thursday Morning—Students at the Board in Evening

The battle between the two gridiron champions Thursday afternoon promises to be the best high school game ever seen in Omaha. It is thought that a very large crowd will attend this game, as the contestants have won fame all over the central west. The Des Moines team met the same success Saturday last as they did last night, the game was made that were not counted legal, but the referee decided against Omaha because the St. Joseph boys made such a kick. The Chicago players will arrive in Omaha Thursday morning at 8 o'clock and will be met by a reception committee composed of prominent high school students who will be taken to their hotel in automobiles. The game will start promptly at 2:45 o'clock. The only official of the game so far made public is the referee, who will be B. M. Herrington of the Nebraska university.

The Thanksgiving evening the two teams will be entertained at a banquet and about forty box seats have been reserved.

The High School Register, a paper published monthly by the high school students, has been issued for the month of November. The cover is especially attractive, representing a heavy full ball player.

AUTO VERSUS HORSE VEHICLE

Brush Makes Fine Showing in First Day's Contest on Omaha Gridiron.

Interest in the Friday contest between the British runabout and horse and buggy is gaining strength as the contest progresses. The car on Tuesday's run showed 6.6 miles covered between 10:15 a. m. and 4:20 p. m., with speed averaging two hours and twenty minutes.

Cost of operation: two and one-half gallons gasoline at 16c, 32c; three-gallon pint of lubricating oil, 4c; 3c; Total cost, 40c. As for the horse and buggy, the cost for the day's run 22 cents or 24 cents per mile.

Thursday being Thanksgiving, the contest will be called off for the day. While the automobile has the edge, there will be no expense in the way of feed, but the horse will consume the usual amount.

DIETZ TO PLAY THE VALLEYS

Local Team Joins to Missouri Valley League Thanksgiving Day.

Thanksgiving the Dietz football team will journey to Missouri Valley, Ia., to play the local team at that burg. The fans at the valley are especially anxious to conquer the Dietz, as they have been unable to score on the Dietz in the last five years. The Dietz team has above two teams met the argument resulted in a 6 to 0 score. So far this season the Missouri Valley team has a clean record. It has won all its games and its goal hasn't been crossed. Many fans here can be seen at the Des Moines, Superior, of Omaha and Weavering, Ia. The latter town was defeated at Missouri Valley in a hard fought game. Next Sunday the Dietz play the Shamrock at Vinton street park for the championship of the state.

Nonpareils Would Play Thursday. The Nebraska football team is still without a game for Thanksgiving and the desire of making a date with any of the teams in the three states. They have strengthened their line considerably by the addition of several new ones who will add materially to the weight of the team. They would like to take in either the Isaacson Park, Walnut Hills or the Little Missouri teams. The Dietz team has above two teams met the argument resulted in a 6 to 0 score. So far this season the Missouri Valley team has a clean record. It has won all its games and its goal hasn't been crossed. Many fans here can be seen at the Des Moines, Superior, of Omaha and Weavering, Ia. The latter town was defeated at Missouri Valley in a hard fought game. Next Sunday the Dietz play the Shamrock at Vinton street park for the championship of the state.

Two to One Odds On Cornhuskers in Game with Haskell Indians

Long String of Victories Restores Interest in Football in Lincoln—Cole Expects Hard Battle.

LINCOLN, Neb., Nov. 23.—(Special.)—With a long string of victories to their credit interest in the popular college game of football has been restored and the Cornhuskers will have one of the biggest crowds in years at the big Turkey day battle with the Haskell Indians tomorrow. Manager Ed. Cole reports that the largest sale of tickets in recent years has already taken place and only two sections remain yet to be sold. It is expected that Nebraska field will be a solid bank of spectators when the referee blows his whistle Friday afternoon at 2:30 o'clock. The carpenters are erecting additional seating space for the convenience of the visitors, but it is thought that the field will be inadequate to accommodate all of those who desire to see the game.

In accordance to the wishes of Manager Ed. Cole, the stadium has decorated their windows and every possible means to arouse interest have been taken.

The Cornhuskers go into the game the favorites in the betting, nearly two to one. The confidence of the rooters for an easy victory over the redskins is not shared by Coach King Cole and his assistant, Cole looks for a hard battle and will take no chances with the Indians. It is feared that the Indians have a rejuvenated lineup with the stars from the Carlisle team to assist against the champions of the Missouri valley.

Football practice for the Cornhuskers of 1910 is now over. Cole sent his regulars through a stiff signal practice Wednesday night and the players celebrated the close of the season. To all appearances the Cornhuskers are fit to put up the greatest performance of the season. All of the players are in prime shape for the contest. The last few days have been devoted to scrimmaging at the state farm.

The practice Thursday night was highly satisfactory to the coaches. The plays ran smoothly and the back field got off fast. The line charged hard. The Indians will find that the Cornhuskers are an entirely different bunch from last year.

Nebraska will endeavor to keep Neavitt from drop-kicking. The little Indian, who is regarded as one of the fastest men in the world, is a dangerous kicker and must be watched.

The election of a captain immediately following the game is arousing considerable speculation. Three men have been mentioned in connection with the captaincy. They are Owen Frank, Shonka and Chalmers. Both Shonka and Chalmers are graduates in the spring unless they come back next fall to play football. Each has another year before playing the allotted term.

All of the delinquent players have made up their conditions and the Cornhusker lineup will be the same as in the preceding game.

AMONG THE LOCAL BOWLERS

Sharp Competition Takes Place Here. The Omaha Bowlers Association met last night on the Metropolitan alley. A. Frank & Son team won two out of three games from the St. James. Bowlers of A. Frank & Son team were: Frank, 100; A. Frank, 100; and A. Frank, 100.

Fifteenth race, one mile: Wessley, Irrigation, Chief Diamond, Spring Ben and Agreement finished as named.
Sixteenth race, one mile: Wessley, Irrigation, Chief Diamond, Spring Ben and Agreement finished as named.

FOR A CROSS COUNTRY RUN

Brisk Preliminary to the Chicago-Omaha Game.

COUNCIL BLUFFS TAKES PART

Handicapped by Injury to One of the Crack Athletes—Second Team of the Omaha High School.
Preliminary to the Omaha-Chicago game Thanksgiving afternoon a cross-country run will be held between the Omaha High school and the Council Bluffs High school. The Council Bluffs team is somewhat crippled on account of the loss of their captain, who has water on the knee and so is not able to run.

The other men who will represent Council Bluffs are: D. Smith, E. Harris, L. Alder, S. Everest, S. Clark, A. Bauman, D. McCrae and S. Sessenbuegh. The Omaha runners are: Les Ellsworth, captain; Lynn Sackett, Finley Jenkins, Gilbert Kennedy, Basil Cummings, Fred Hays and Charles Babel. The run will start at 2:30 and will end at 2:45, just before the big game will start.

High School's Second Team.
For the first time in several years the Omaha High school has had a regular second team. This team has been a very successful one, having cleaned up most of its rivals. To end the season Varsity Selby, the captain, has invited all the members to spend the evening at his home Saturday evening at 608 Davenport street. The time will be spent in different games, one of which will be a contest on the 300 yard race of foot ball.

These players will be: Hallgren, Monkey, Larson, Delemeter, Cook, Fraser, Ludwig, McFarlan, Lavidge, Jerald, Bittinger, McCormack, Morris, Ledwick, Inkster and Downs.

Since there was no official mass meeting scheduled for Wednesday noon, a bunch of high school athletes gathered on the front steps of the high school and had a mass meeting of their own, to arouse interest for the coming game with Chicago.

During the last games at Vinton Street park some difficulty has been had by the spectators in keeping track of the score. To eliminate this a score board has been erected which can be seen from every seat.

The Director General Sells for Only \$1,100 At Old Glory Sale

Famous Stallion Brings Only Fraction of Sum Which He Cost Consignors.

NEW YORK, Nov. 23.—On a bid of only \$1,100 the Director General, a famous stallion, was sold today at the second day's session of the "Old Glory" horse sale at Madison Square garden. The low price was the surprise of the day. Only a few years ago the Director General was bought for the Claiborne farm of Lexington, Ky., for \$25,000 and it had been expected he would bring at least \$10,000. Frank McCloud of Dayton, Ohio, was the successful bidder.

In all fifty horses were offered by the Claiborne farm and when the day's session closed one hundred horses had been sold for a total of \$1,500,000. \$37,700 was brought by the Claiborne stock farm. The highest price of the day was \$1,500 paid for Bonalide, a five-year-old bay mare. The purchaser was the Walnut Hall farm of Lexington, Ky. Nellie Jay was sold to the Dromore farm for \$1,500.

Star Patchen, by J. P. Patchen, with a racing record of 3:04 was bought by J. R. Oakden, of Corning, N. Y., for \$1,000. He was consigned by W. L. Snow.

Charles Twaddle of this city bought Wilkesheart from the same consignor for \$500.

Annual meeting of the American Association of Trotting Horse Breeders was held at the garden this afternoon and all the former officers were re-elected.

Senator Joseph W. Bailey of Texas, president of the organization, presided. One change was made on the executive board, J. Howard Ford of Stone, Va., being chosen to succeed P. E. Marsh, of Illinois.

Sterling R. Holt of Indianapolis, treasurer, made his report, showing that the financial condition of the association is the best in its history. For the first time a surplus for running expenses is shown, while more than \$18,000 remains in the treasury for futures stakes.

Has the Same Number.
The Ohio consignor granted by Larry LaLoe for the Chalmers car he got at the close of the base ball season is 34. This is the highest average he had, hence the arrangement.

Sunday at Waterloo.
WATERLOO, Ia., Nov. 23.—(Special.)—Billy Sunday is here and is holding meetings here. It is estimated that during the two weeks of the meetings up to date 150,000 people have come under the sound of his voice. The money is beginning to flow in more generously than it did at first and about \$100,000 so far has been reported. More than \$5,000 was raised on Sunday last. People are coming by train from Marshalltown, Cedar Rapids, Iowa Falls and other cities in this section of Iowa.

Over 50 children signed the cards on Sunday expressing their intention of becoming Christians.

Girl Falls in Cistern.
CALLAWAY, Nov. 23.—(Special.)—The little 4-year-old daughter of Mr. and Mrs. William McDonald, residing some eight miles south of here, nearly met death yesterday evening by drowning. She, together with other children, was playing around an old cistern, when the little one stepped upon the board covering, which broke, allowing her to fall into four feet of water below. The other children called for help, and by the little one's clothing acting as a life preserver she stayed on top of the water until rescued by her father.

Steer Challenges Red Ants.
CHARLES CITY, Nov. 23.—(Special.)—A red ant raises mischief with a brindle steer. Deputy Sheriff Fluitt, while speeding to Marble Rock, encountered a bovine that disrupted the way. The animal was urged at the red matter and, not as the driver would, the steer would not surrender one inch of the ground. The nearer the car got the more the steer pawed and belowed and threw the dirt. Finally Fluitt tore loose and caught the steer amidships and hauled him to the side of his road, but the auto was so badly hung up that it had to be taken to the hospital.

Huron Claims Championship.
HURON, S. D., Nov. 23.—(Special.)—Because of a failure to secure a game between Huron and Sioux Falls high school football teams on Thanksgiving day, leaves the Huron team really the high school champions of the state. A game to be played here Thanksgiving will be arranged for if possible.

Brothers Play on Opposing Foot Ball Teams in Des Moines

"Stuffy" Reeve of Ames and John Reeve of Drake Wish to Play Opposite Each Other.

AMES, Ia., Nov. 23.—(Special.)—A unique circumstance has arisen in the coming game between Drake university and Ames. Two brothers, "Stuffy" Reeve of Drake and John Reeve of Ames, are beseeching their respective coaches to so place them in the lineup of the two teams next Thursday so that they may play opposite to each other. The Ames Reeve has played both guard and tackle, but is playing guard at present, while the Reeve at Drake is playing tackle, but will play guard at present, while the Reeve at Ames has also played guard and tackle, so it is not certain where the two men will appear on the teams line-up on Thursday at Hawks' field.

Des Moines, Ia., Nov. 23.—(Special.)—The Drake team took its final work out on Haskin's field today preparatory for the annual battle with the agriculturists of Ames next Thursday. Coach Griffith has in the lineup of the two teams the start of the game; one to decide what his backfield combination shall be and another to decide what tactics to use to get the Drake line to play the ball the players ought to play. The freshmen have been outplaying the varsity men consistently for the last few nights in practice, and the Drake line, which is supposed to have the necessary individualism to make up a strong aggregation, gives promise of going into the Ames game and being outplayed from end to end. Coach Griffith has tried to put new life into the line men, and is practically certain that the start of the contest Thursday will see some very definite changes in the line-up of the fore part of the season.

Wheeler Brings Suit for Personal Injuries

Engineer for Illinois Central Railroad Asks Twenty Thousand Dollars Damages.

James Wheeler, an engineer on the Illinois Central railroad, who has long made his home in Council Bluffs at the Goodrich hotel, began a suit yesterday against the railroad company, asking \$20,000 damages for personal injuries sustained in an accident which occurred three miles east of Denison on November 24, 1908, and which he claims to have received permanent injuries.

Wheeler was pulling the Central's fast train, No. 2, between Fort Dodge and Council Bluffs, and was going at a high speed with a long train of coaches, but at the speed required by the schedule, the right front drive wheel broke and the cab of the engine was badly wrecked. Wheeler stuck to his post and brought the train to a stop without injury to the passengers, but was himself injured. When he recovered he found that his right arm was broken and a broken leg and a broken arm. He is now at Eleanor Moore hospital undergoing repairs.

CRESTON—Rev. Bruce Jackson, who recently came to the pastorate of the local Baptist church, has resigned his position and will leave for the First Baptist church at Hialeah, Fla. His resignation takes effect January 1.

CRESTON—Relative here of the Oda Hubbel family who were murdered at Des Moines, Ia., was here yesterday by news of the terrible tragedy and left for Des Moines in the afternoon to see the family.

LAKE CITY—Ed Wilson, who was arrested in Omaha a short time ago after he had been charged with the murder of a woman, was here yesterday by news of the terrible tragedy and left for Des Moines in the afternoon to see the family.

MASON CITY—Adrian Hart has instituted suit against the Mason City Brick and Tile company, claiming that the company has wrongfully taken possession of his property and that he has been injured by the company's actions.

BOONE—Oscar Nelson, a Northwestern farmer, was here yesterday by news of the terrible tragedy and left for Des Moines in the afternoon to see the family.

CUBS GIVEN FINE FOR TRICK

Brothers of Evers and Hoffman Represent Stars at Ottumwa.

MANY PATRONS ARE DECEIVED

President Lynch of the Iowa Club Charges Chicago Deliberately Duped the Club—Stiff Fines for Stars.

CINCINNATI, Nov. 23.—Because brothers of John Evers and Arthur Hoffman represented these players when the Chicago National league club played at Ottumwa, Ia., on September 8, the National Baseball commission today fined the Chicago club \$200. The claim of the Ottumwa management for damages was disallowed because the league team allowed the game to go on and profited by it.

The commission's finding says in part: "The attention of the commission was called to this case by F. T. Lynch, president of the Ottumwa club. He charges that that club and its patrons were deliberately duped by the Chicago National club, and that the prices of admission on the assurance that the Chicago club would send the best lineup that Manager Chance could muster, were fixed at \$1 and \$1.50 each. The Chicago club, which was offered \$500 guarantee with the privilege of playing at Ottumwa, received \$1,000 in advance, but only \$1,000 was paid \$1.50 as its part of the receipts."

Many Were Duped.
"President Lynch states that many patrons traveled over 100 miles in the expectation of seeing Chicago star players, and that patrons were indignant on discovering that the Chicago club worked many substitutes. It was developed that instead of John Evers and Arthur Hoffman being on the field, each of these famous players was impersonated by a younger brother without even minor league baseball ability."

"The Ottumwa club submitted in its testimony a photograph of a page of the register of the Ottumwa club, on which the names of the Chicago players appeared in the same handwriting. Among these names are J. Evers and A. Hoffman, neither of whom was in the city. The clerk of the hotel sends a sworn statement that the names were entered on the register by the Ottumwa club, and that the Chicago club was guilty of gross misrepresentation."

Should Have Notified Public.
"If the Chicago club, as claimed by President Murphy, was unable to send a regular line-up of its players, it was some semblance of its regular team, the Ottumwa team should have been so advised and thereby offered the chance to call off the game, or at least to notify the public, thereby eliminating the fraudulent features of this transaction."

"The commission hereby serves notice on all National association clubs that when a major league club presents a makeshift substitute line-up of its players, it is its duty to advise the public of the substitution of its regular team, and to cancel the game and apply to the commission for redress. If the charge of fraud and injustice is substantiated by evidence, damages will be awarded for a sum not less than the amount of the guarantee received by the major league club for that game."

AFAIRS AT SOUTH OMAHA

Builders of New Cemetery Proceed with New Plans for Establishment.

Work is progressing on the new cemetery at Fourth and L streets, which has been the occasion of so much discussion. More than a mile of boulevard have been constructed and arrangements have been made for planting them with ornamental shrubs. The idea of the promoters, the Gravelly Park Cemetery company, is to provide the people of South Omaha with a tastefully laid out park as well as a picturesque spot for the interment of their dead. It will be next spring before the public have full realization of the ideas of the promoters who claim that the city then will have some conception of what the cemeteries of the old countries are, public parks as well as places for the repose of the departed.

The company has acquired the possession of a tract of land just outside the city limits and through the activity of the residents of the locality, Forty-fourth street from L to Q streets has been opened up and graded. This street forms the east side of the cemetery and the company proposes to let the old trees stand but have them properly cared for and encouraged to grow. The cemetery will be bounded by Forty-fourth street within these limits will be a veritable boulevard and one created, as it were, out of natural material. This boulevard will insure a good outlet from the south and is only a few blocks from the Q street and Ralston car lines. The cemetery will be reached from the east by I street, which is paved to Twenty-fourth street.

The site of the cemetery is about as high as that of Bellevue college, with a gentle slope to the west. It will have its principal entrance on Forty-fourth street.

It was all the fault of a goose that Judge Caldwell will be called upon this morning to settle the troubles of Jim Seinek, Paul Traunstein and Joe Rayder. The last named lives at Forty-second and Y streets, and he is the complainant against the others, who reside at Thirty-ninth and Monroe streets. The defendants, who are employed in the Cudahy packing house, were going home last night with their dinner pails in their hands. The goose crossed their path, one of them kicked it—it is the allegation of the complaint—and the other struck it with his pail. Rayder, owner of the bird of pedigree that saved by their cries the destruction of Rome, hearing his pet abused, rushed out of the house, and in a general misadventure he received a couple of black eyes and some bruises. He will ask Judge Caldwell this morning to compensate him materially and sentimentally.

Teachers Will Get Money.
Notwithstanding the shortage in the funds of the school board, the teachers will get their money. This is the result of an arrangement made with the various city banks, who will on alternate months negotiate the warrants until the money comes in next May. There will be no school for the next three days as the annual session of the Nebraska Teachers' association at Lincoln, which will be in

session November 23, 24 and 25. Superintendent N. M. Graham of South Omaha is the president of the association.

Permanent Teachers' List.
The Board of Education at its meeting Monday passed the following resolution: Whereas, the Board of Education of the school district of South Omaha consider it for the best interest of the tax-payers of the school district of South Omaha that all teachers now in the employ of the school district of South Omaha, who have successfully taught for three years should be placed upon a permanent teachers' list. Therefore, be it Resolved, by the Board of Education of the school district of South Omaha that Section 30 of the rules be, and are, hereby amended creating and establishing a permanent teachers' list; and that all principals and teachers who have successfully taught for a period of three years be placed upon this permanent list; and that when a teacher has successfully taught for a period of three years in this district, their name be placed upon said permanent list.

The Postmaster Question.
There has been a lot of talk over the new appointment of postmaster. The names of the present incumbent, E. L. Howe, and May Trainer have been mentioned and it was recently reported that the mayor had received a letter from Senator Burkett offering him the position. Mayor Trainer says that this is not a fact and that he has made no effort in the matter. The incumbent, Mr. Howe, was some months ago signed by the business interests of the city.

Magic City Gospe.
Storm Sash—See Howland, Phone South 7. For Rent—Room house, modern except bath. Inquire 1106 North 25th street.

The Woman's Christian Temperance union was entertained yesterday afternoon at the home of Mr. and Mrs. Peter Lazarowicz, Thirty-sixth street and the county line, died Monday and was buried this afternoon.

Phone Bell South 808, Independent P-1908 for a case of Jetter Gold Top. Prompt delivery to any part of city. William Jetter, Frenchy Homestead, N. 19th, Irving neighborhood of American Yowmen, will give a Thanksgiving ball Thursday evening at the home of Mrs.
