Lexington Walks Over Boys from Gothenburg

Score of Twenty-Three to Six Tells Story of Warm Game Played at Lexington.

LEXINGTON, Neb., Nov. 25.—(Special Telegram.)—Over 400 people witnessed the Thanksgiving foot ball game between Lexington High school and Gothenburg High school. The result of the contest was: Lexington, 23; Gothenburg, 6. The Lexington team made a splendid forward pass at a critical time and followed it with a few good end runs. This was brought to a climax by a touchdown by Nisley of Lexington and followed by a goal kick. H. Temple next made a touchdown and Nisley a second, each followed by a goal.

B. Cummings caught a forward pass near the center of the field and succeeded in getting just over the goal line before being tackled.

The Lexington line was a stonewall and the excellent interference of the Gothenburg team was a feature. Gothenburg's touchdown was made by L. Rich, who took advantage of the opportunity given him by one of the Lexington boys in a fumble. The Lexington High school organized in a rooters' club with William Delzell as leader and they kept a yell or a song going to cheer their players at all times of the game. After supper the Lexington High school students and other young and middle-aged folk gathered in a ring around a fire in the middle of Main street and renewed their yells and songs. The lineup:

CHICAGO TEAMS WANT GAMES

Oak Park and Englewood Think of Making Late Trip West.

Since Omaha High has defeated the Wendell Phillips school of Chicago two other Chicago High schools announce that if possible they would like to get in connection with Omaha for a post season game. The Oak Park school, champions of Chicago for 1910, will make a trip through the west, starting November 30. It is possible that Coach Burnett of Omaha will consider a game with them, if it can be arranged for the early part of December. The Englewood High school of that city asked for a game for Christmas, which Burnett declares is impossible, as he cannot keep his men in condition that long.

NORFOLK GIVES ITS RECORD

By Defeating Wayne, Asserts It Reads Title Clear.

NORFOLK, Neb., Nov. 25.—(Special.)—Norfolk High school closed the foot ball season here today by defeating Wayne High school 36 to 0. The Norfolk team claims the championship of northeast Nebraska for the season of 1910. The record of games is as follows:

Neligh	0	Norfolk	18
Neligh	2	Norfolk	0
Wayne H. S.	0	Norfolk	20
Madison	5	Norfolk	23
Columbus	0	Norfolk	0
Wayne Normal	5	Norfolk	23
Wayne H. S.	0	Norfolk	36

The defeat of 2 to 0 by Neligh does not affect the championship, as the previous game with Neligh was won by Norfolk by the decisive score of 18 to 0, and as Neligh was defeated by Madison 11 to 6.

Ames Defeats Lake City.

LAKE CITY, Ia., Nov. 25.—(Special.)—The Lake City High school foot ball squad lost the last game of the season Thursday to the Ames High school eleven, 17 to 6. The visitors had things their own way, almost all the game being played in Lake City territory. Ames made touchdowns in the first quarter, and two in the fourth. Both teams made many fumbles, and Ames was penalized continually for hurdling and being off-side. The feature of the game was the end runs of Cammen, the Ames fullback. Both teams used many punts. Woodward, referee; Chambers, umpire.

Turkey Shootists in Strange Procession

Successful Marksmen File Into City from Club with Big Bags of Fowl.

It was late in the afternoon of Thanksgiving day when a strange procession filed into Omaha. From the grounds of the Omaha Gun club, across the bridge it came. The leader had a sack full, others had borrowed wheelbarrows, while some carried theirs by auto. The climax came when the last tail-end straggler came driving his birds like a prize team. The crowd had been to the turkey shoot and was returning.

J. Aylesworth was high man with three turkeys, two geese and one duck, and Billy Townsend followed close with two turkeys, one goose and two ducks. Bert Le Bron had one turkey, two geese and one duck; Frank Lovering, one turkey and two geese; R. J. Flynn had two geese.

Heading the gunnysack section was Chief Briggs of South Omaha with one turkey, two geese and two ducks; Mr. Beno possessed two geese, while George Froder and some Millard (Neb.) friends had an auto full.

George Rogers came along with two fat ducks, but Doc Frye went him one better with two ducks and a turkey. In all there were twenty birds of each kind won, some thirty men getting more or less of the booty. With the spectators, there were about 100 persons present at the shoot. Intimations of another turkey shoot are being made, Christmas being the happy day.

Tarkio Shuts Out Yankton Collegians

Score of Three to Nothing Result After Hard Battle for Honor on Gridiron.

TARKIO, Mo., Nov. 25.—(Special Telegram.)—In the fastest game seen here in years, Tarkio won from Yankton college, 3 to 0. The play abounded in forward passes and new style foot ball.

Tarkio suffered several costly fumbles during the first quarter, but rallied in each case and held. Yankton played whirlwind ball, but could not advance it consistently. Tarkio attempted field goals three times in the first half, each case being a failure. In the second half Tarkio worked the ball to the center of the field and regained it on a kick, but lost it to Yankton on the twenty-yard line on a forward pass.

In the second half Yankton regained the ball on a kick. Tarkio was penalized five yards for holding and it was Yankton's ball on Tarkio's five-yard line.

Tarkio played desperate ball, held and punted out of danger. Tarkio's score came in the last quarter, after three attempts at goals, on a place kick by C. Withrow from the forty-yard line after a fair catch. Brooks, Withrow, Elder and Matthews starred for Tarkio; Swanson for Yankton. Allen of Kansas refereed, Moore of Vanderbilt was umpire and Scamman of Knox, field judge.

Athletics Grab the Game on Fumble

West End Suberbas of Council Bluffs Lose by Score of Five to Nothing.

The Athletics foot ball team defeated the West End Suberbas of Council Bluffs yesterday afternoon at Thirty-ninth and Burt streets by a score of 5 to 0. Last Sunday the two teams played a tie game, with a score of 5 to 5, at Council Bluffs.

Yesterday's game was won on a fumble. The Athletics advanced the ball to the Suberbas' five-yard line, but lost it on downs. The Suberbas intended to try a line smash, but fumbled the ball and Gorman broke through, picked up the ball and made the touchdown. The game was marred by continual slipping by members of both teams on account of a grassy field. The Athletics had the ball on the opposing teams' five-yard line five times, only to lose it on downs. Play was in the Suberbas' territory all of the time.

The Fauble brothers and Frambes starred for the Suberbas and Blackburn, Conray, Gorman and Gilligan for the Athletics.

Denison Normal Claims No Defeat

Final Contest of Season Brings Victory of Twenty-Three to Nothing Over Buena Vista.

DENISON, Ia., Nov. 25.—(Special Telegram.)—The Denison Normal college eleven yesterday defeated Buena Vista college, 23 to 0, in a game which showed the local team's ability and class of foot ball.

The Normals made a clear record of the season by defeating every team they played. From the start until the finish every game has shown plainly that the eleven has played superior ball in every department and thus far they have played the following:

Creighton seconds 0, Denison 5; Woodbine Normal 0, Denison 21; Buena Vista 0, Denison 17; Creighton seconds 6, Denison 12; Buena Vista 0, Denison 23.

The game today was featured by the playing of Talcott, Luney, Daniels and Tranter. This is the first time that the Normal eleven has had a clear slate. Great results are looked for next year with the entire veteran squad on hand.

Creighton Easy for Springfield.

SPRINGFIELD, Neb., Nov. 25.—(Special.)—By a score of 25 to 0, Springfield High school administered a decisive defeat to the Creighton academy team of Omaha in the Thanksgiving day game in Springfield. The game was easy for the home team and several good chances for touchdowns were passed up to try for place kicks and field goals. The ball was never in Springfield territory and the Omaha team did not come close to scoring during the entire game. In the absence of Calhoun, E. Haney went in at full for Springfield and his work was the feature of the game. A great run by Captain Nicholson of Springfield for fifty yards through the opposing team was a feature, as was also a long run by Comte on a tackle around play. The Creighton team equalled Springfield in weight, but was outclassed. The home team has lost but three games in the three years it has been together, but at times this season has not played up to its old form, which accounts for the loss of two games this fall.

The men accused are Oscar Dabbs and George Johnson, the alleged fighters, and John Heinen, the alleged referee; Frank Hitchcock, owner of the place in Burnham where a deputy sheriff broke up the alleged fight November 13, and Frank Lewis, promoter.

Bluffs Athletes Are Feeling Good

Think They Won Their Share of Spoils for the Day and Are Happy.

Council Bluffs High school athletes were feeling pretty good last evening, and feel that they earned all of the Thanksgiving luxuries that came their way. The alumni foot ball team beat the Creighton Medical college team on the Council Bluffs gridiron by a score of 16 to 0, and the Council Bluffs school boys won the cross-country in Omaha between the Omaha, South Omaha and Council Bluffs teams. If there had been any more athletic events open for them the young men feel they would have added additional victors' honors to their list. The gridiron contest was almost a frapped game of foot ball. The Omaha Medicos at no time had a chance to get near the goal. They were outplayed and outgeneraled at every stage of the game, and the Council Bluffs fellows were only restrained by courtesy from making the score 64 to 0. The game was devoid of thrills and none of the players had occasion to use court plaster or witch hazel.

Of the six games so far played to a finish Lasker has won three, while the other three were drawn.

Bar on Racing News.

JACKSONVILLE, Fla., Nov. 25.—As a move against the handbooks throughout the country announcement was made by the local racing association today that beginning today, the telegraph companies would not be allowed to send out any betting prices from Moncrief Park. According to the manager of the association, the matter will be adjusted in a day or two, so that newspapers will be able to handle the results from the track.

NEW YORK, Nov. 25.—Jack Johnson, the negro champion heavyweight pugilist, was arrested this afternoon on a warrant issued by Magistrate Freschi, charged with assault on Emily Cooper, a white girl who is a member of the theatrical company in which the prize fighter is a member.

Indian Foot Ball Players Given Bad Fright by Lyons

Palefaces Roll Up Twenty-Seven Points to Small Cipher by Reds from Walthill.

LYONS, Neb., Nov. 25.—(Special Telegram.)—A foot ball game yesterday between the high school teams of Walthill and Lyons came very nearly turning into a general riot, when one of the Walthill players committed a bad foul. The crowd, angered beyond reason by what looked like a deliberate attempt on the part of the big Indian center of Walthill to put a popular Lyons player out of the game with a strangling neckhold, rushed out upon the gridiron intent upon giving the offending player some of his own medicine. Cooler heads prevailed, however, and the thoroughly frightened buck was let off with only the penalty of disqualification. There were only three minutes left to play at the time the disturbance occurred, yet the game was finished with difficulty.

The game, despite this one occurrence, was the finest exhibition of foot ball seen on the Lyons gridiron this fall. The Lyons boys, though outweighed fifteen pounds to the man, by plucky playing and skillful headwork managed to roll up twenty-seven points to their opponents nothing. From the time Cook fell on a fumbled ball and carried it over the goal line the Indians were seen to be totally outclassed. Peterson, the Lyons fullback, did some spectacular line plunging, but the open game, with Larson and Stone carrying the ball in a stellar manner, was responsible for most of the gains. Banta, Lyon's bantam little quarter, ran his team like a general.

Referee: H. Enfield. Umpire: Don Enfield. Head linesman: Moseman. Time of quarters: 15 minutes.

LOS ANGELES, Nov. 25.—The boxing game, which has been dormant since before the Jeffries-Johnson fight, was revived yesterday, when Danny Webster, bantamweight, of Los Angeles, gained a twenty-round decision over Charles White of Chicago. The exhibition was a poor one, but largely attended.

PEORIA, Ill., Nov. 25.—Mike Mesmic of Chicago and Harry Donahue of Pekin, Ill., fought ten fast rounds to a draw last night before the Crawfish club. RHEUMATISM

PURIFYING THE BLOOD THE ONLY PERMANENT CURE

No case of Rheumatism was ever cured except by a thorough purification of the blood; just as long as the blood remains charged with fermenting uric acid poison, the painful disease will continue. The pains and aches of Rheumatism are simply superficial effects of the impurities in the circulation, and sometimes may be temporarily relieved by the application of plasters, liniments, hot cloths, etc. But the person who trifles with this dangerous disease by depending on local treatment alone, is certain to pay for the mistake with constant suffering later on. S. S. S. cures Rheumatism in the only way it is possible to cure the disease. It goes down into the blood, and removes the uric acid from the circulation, so that the nerves, bones, muscles and joints are lubricated and fed with nourishing elements instead of being continually irritated and inflamed with the sharp, uratic impurity. When S. S. S. has cleansed and purified the blood, the pains and aches cease, all inflammation disappears, stiffened muscles are made pliant, and every troublesome symptom of Rheumatism is permanently corrected. Book on Rheumatism and any medical advice free to all who write.

LOZIER WINS AT SANTA MONICA

Textloff Pilots Car to Victory in Two Races.

NEW AMERICAN RECORD IS MADE

Speed Honors of Day for Laps Go to Fiat Car—Accidents Interfere with Work of Foreign Machine.

SANTA MONICA, Race Course, Cal., Nov. 25.—Teddy Textloff of Los Angeles, in a Lozier car, was the hero of the second annual Santa Monica road race.

He not only piloted his big racer to victory in the stock car event, winning over five competitors, breaking the American stock car record and coming within one mile an hour of the world's record, but he also started a few minutes later in the 202.8 mile free-for-all event against seven other entries and duplicated his victory.

In the race for heavy stock cars which was over a course of 151.506 miles, he established a new record for this country by averaging 73.29 miles an hour. This latter average would have been higher had he not been so far in the lead near the finish that he did not try to make the last lap at more than a mile a minute. Bert Dingley in his Pope-Hartford was second in both the heavy stock car and free-for-all races.

The Maxwell, driven by E. H. Fancher, was the victor in the 161-230 cubic inches displacement class, and the Duro car, with J. McKeague at the wheel, took the 231-300 class event.

The small car events were of 101.04 miles each and were run simultaneously. The Lozier's time for the 151.5-mile race was 2:04:10⅘; the 202.8 miles were made in 2:49:59.

Flat Gets Speed Honors.

The speed honors of the day for laps went to the Fiat car, which came here from the Savanah races. After a misfortune at the start, which cost the foreign machine fully eight minutes in the first five laps of the free-for-all, Dearborn began pushing the powerful racer forward at a clip which surpassed seventy-six miles an hour lap after lap. While the Lozier maintained a steady speed of between seventy-three and seventy-four miles, the Fiat was reeling off laps under 6:40, the fastest being the fifteenth, made in 6:28.

In the sixteenth lap the Lozier was forced to stop for oil and a tire change, and when it again started on its way the Fiat had crept up to within forty seconds of it.

A cloud of dust, a white streak and Textloff's car flashed into view, still leading. Dearborn was expected every second. But the seconds went by, then minutes. Then slowly the Fiat was seen coasting around the turn and down the stretch to the pits. Dearborn threw up his hands in a hopeless fashion and pointed to a crank case with the bottom out. From there on it was simply a matter of the Lozier maintaining its advantage.

The Knox was the only other car running at the finish of the free-for-all and was stopped by Referee Stevens after completing twenty-two laps.

A remarkable feature of the race was the entire freedom from serious accidents. But one car, the Cutting, with George Clark at the helm, left the track. This happened in the small car race and no one was hurt.

De Palma Sets Track Record.

NEW YORK, Nov. 25.—Ralph De Palma today established a new track record and suffered two accidents in an automobile race meet at Guttenberg, N. J. In the twenty-five-mile free-for-all the steering wheel broke and De Palma's car shot across the track, over a low fence and into a ditch, but did not upset. De Palma was uninjured. Just before he started in the ten-mile free-for-all a rear tire blew out. As he turned his head to look back the tire struck his face, cutting a gash in it. Notwithstanding the injury, he won this race in 10:16, a record for the track.

Notre Dame made its only touchdown through a fumble by Marquette on Marquette's ten-yard line, while Marquette scored on a series of tackle plunges and forward passes. Notre Dame and Marquette both failed to kick goal.

Drexel's Record Is Official.

PHILADELPHIA, Nov. 25.—Clifford B. Harmon, chairman of the national council of the Aero Club of America, said today the aeroplane altitude record of 9,920 feet made by J. Armstrong Drexel would be accepted as official. It is reported the Wright brothers will file a protest against the acceptance of the record.
