Winning from the fast Des Moines eleven in a hard-fought contest on Thanksgiving day, Creighton university closed one of the most successful years on the gridiron in the history of the local institution.

At the close of the 1909 foot ball season the outlook for a team for the present year was most discouraging. Creighton had lost by large scores to nearly all opponents, and a spirit of discontent was apparent among the players.

However, with the opening of the present season the college authorities seemed willing to bring back the game for a final trial, and every effort was made to infuse new life into the husky warriors and produce a winning eleven.

With the advent of the Notre Dame star in local circles Creighton began the season hopeful for success and confident of producing a creditable aggregation of foot ball players.

New methods of coaching proved most beneficial, and by his persistent and efficient training Coach Miller has completely revolutionized foot ball prospects at Creighton.

He has constantly advocated clean, hard foot ball, and the blue and white eleven has reflected the training of their tutor in every contest.

Rapid City Miners met the locals the following week, and those who witnessed the contest will not forget the sensational run of Hronek for a touch-down in the last few moments of play.

With a line full of substitutes Creighton lost to Morningglade by a score of 12 to 8. That the local team is superior to the Sioux City eleven was indicated here when Creighton defeated Des Moines, which in turn had trimmed Hollister's men by a large score.

The defeat of the year that came unexpected was the one administered by the St. Thomas eleven last week. Creighton had hoped to hold the cadets to a scoreless contest, but lost on a drop-kick. The closing game of the year was the best played of the entire season.

Heavy, but Speedy, Line. Creighton boasted of having a heavy but fast eleven. The showing on defense was satisfactory, and the backfield was made up of a hard fighting quartette.

Hronek, who completes his school course next spring, has played four years, and has ended an enviable career on the gridiron. The youngster has been one of the most constant ground gainers during his time with the squad, and seemed able to wriggle through almost impenetrable spots in the opponent's line.

Morganthaler was shifted from tackle to fullback early in the season, and made good from the start. The big fellow proved a tower of strength behind the line, and was most adept in handling the forward pass.

Morganthaler is a magnificent specimen of physical development, and his

NAVY WINS FOOT BALL GAME

Final Score is Three to Nothing in Favor of Annapolis Team.

TEAMS ABOUT EQUAL ON FORM Each Has Scored Ninety-Six Points and Navy Goal Has Not Been Crossed—Distinguished Company Sees the Contest.

PHILADELPHIA, Nov. 26.—The Navy in a hard and clean game of foot ball on Franklin field here this afternoon before a large and enthusiastic crowd defeated their old rivals, the Army, by 3 to 0. After six attempts to boot the ball from placement over the West Point goal line, Dalton, the sturdy right halfback of the midshipmen, succeeded on his seventh effort and the three points which he had been striving for looked good to the Navy and proved to be sufficient to win the game.

It was a pretty kick, squarely between the goal posts, and was made toward the end of the last period of play. The kick almost broke the Army's heart, but, true to the traditions of the teams that have fought for West Point before them, the Army struck it and did not know the white feather. The Navy deserved the victory, for the midshipmen put up a sterling game and outplayed the cadets from the kick-off down to the instance when Field Judge Fultz threw up his hand and declared the contest at an end.

Of Dalton's seven attempts at goals from the field three were made from the thirty-yard line, the last of which succeeded; one from the nineteen-yard line, one from twenty-six yards, another from thirty-nine, and one mighty effort, fifty-one yards, from the Army goal. All but three carried to the goal line, but the stiff wind from the northwest carried the ball to one side of the goal posts.

Dean, the star punter for the Army, made two attempts at field goals, one from the forty-four-yard line and the other at forty-five yards, but neither kick came near a score.

The frequency with which the resort was made to this method of attempting to score was because of the difficulty each team had in advancing the ball consistently. Comparatively few first downs were made by either team, but what advantage there was in this respect was with the Navy. The midshipmen played a fine offensive game and there were few times throughout the sixty minutes of action that the midshipmen did not have the cadets on the defensive. The game will go down in the foot ball annals of West Point and Annapolis as one of the cleanest and best ever played between the two institutions.

The ball was put in play on the Navy's twenty-five-yard line. Rodes dived into center for five yards and Dalton punted to midfield. The Army fumbled and the Navy got the ball on their fifty-three-yard line. On a forward pass the ball went to the Navy on the Army's twenty-yard line. Dalton made fifty yards against right tackle and the ball was only fifteen yards from the Army's goal. Dalton tried goal from placement, but missed. The ball was put in play on the Army's twenty-five-yard line and Clay ran the ball back ten yards. It was the Navy's ball on their own forty-eight-yard line. The third period ended with the score, 0 to 0.

The fourth period began with the ball in midfield. Hamilton returned to the game at left end in place of Elmore. Dalton kicked to the Army's twenty-five-yard line. Brown ran the ball back five yards. Devore failed to gain and Dean dropped back to kick and fumbled a high pass, but recovered the ball on the Army's twenty-yard line.

BOWLERS COME FOR TOURNEY Eight Five Men Teams Come from St. Louis.

MANY CRACKS AMONG THEM St. Louis Crowd Holds the Boards Saturday and Sunday—Other Bowlers Arrive for Mid-West Affair.

Forty husky bowlers in eight five-men teams arrived in Omaha yesterday prepared to start the fourth annual Mid-West Bowling tournament in the evening at 7 o'clock. Thirty-five of the pin specialists were from St. Louis and were accompanied by seventeen of their wives and a few spectators and the other five are the Brunswick-Dalke-Collender team of Kansas City.

The St. Louis crowd had a special car over the Wabash from their city. Each one of them is equipped with numberless red tags with which they have started an amateur tag day. Each tag advertises the eleventh international tournament of the American Bowling Association to be held in St. Louis, January 21 to February 6. Already the entry list comprises between 400 and 475 bowlers.

The bowlers, who came yesterday, hold the floor for Saturday night and Sunday, the five-men events for the eight teams being run off Saturday night, and the two-men and individual events of the same men on Sunday.

St. Louis is proud of the seven teams it sent and they will undoubtedly give a good account of themselves as all are organizations with a good record behind them. The list of teams is: Budweiser, with R. J. O'Brien, captain; Duffy, with J. J. Pfeuffer, captain; George Diels, with C. M. Barker, captain; Otto F. Steffels, with E. E. Jarrett, captain; Falstaffs; De Sotos, with Shaw, captain, and the A. B. C.'s. The Kansas City five is captained by H. Gorman.

The Budweiser team holds the present championship of the middle west and is going to try and keep it. The team average of the five is 86, and it holds the St. Louis high score for one game, 1,974. A. Bell and R. L. Elias of the Budweisers also hold the two-men championship of middle-west bowlers. George Grupe, one of the members, holds a high average of 210. From these records it will be a fast five men team that knock down more pins than this St. Louis bunch and takes the prize money.

Hastings College May Engage Coach to Direct Sports

Authorities of School Considering Seriously Advisability of Employing Halste for This Purpose.

HASTINGS, Neb., Nov. 26.—(Special.)—The authorities of Hastings college are considering the advisability of employing an athletic director on a permanent basis to direct the training of foot ball and other teams. A new \$10,000 gymnasium has been built and indoor base ball and basket ball teams will be organized soon. Coach Holste has made a splendid record for the college in foot ball in the last three years and negotiations are pending for his employment as athletic director.

In his three years of service as foot ball coach the Hastings team was beaten only twice, once by Bellevue in '08 and once by Peru in 1909. During a time the Hastings team won ten games and tied four. In Holste's first year the team made a total score of 195 against 9 by all opponents. Last year the season's score was 10 for Hastings and 17 for all opponents. This year the total was 44 for Hastings and 18 for the opposing teams. This year's performance was especially remarkable by reason of the fact that Holste had to start with inexperienced material. The line was made up of novices from end to end and there was further handicap by the withdrawal of Sims, the quarterback, in the middle of the season.

Local supporters of the team regret Doane's refusal to schedule a game with Hastings or to accept Hastings' challenge for a post season game to determine the state championship. According to the scores of the season these two teams were very evenly matched and although Hastings claimed the championship by virtue of the showing in the comparison of scores it was very anxious to settle all possible dispute by meeting Doane in a final struggle.

Complainant Against Johnson Not in Court

Annette Cooper Down with Rheumatic Inflammation When Called Before New York Magistrate.

NEW YORK, Nov. 26.—(Special Telegram.)—Annette Cooper (stage name), the young woman who swore out a warrant against Jack Johnson, the champion heavyweight pugilist of the world, charging that the big black fighter had insulted her and laid violent hands upon her when she went to him on November 14 hunting for a job, failed to appear today in police court. Magistrate Presch dismissed the case, incidentally making the remark that it looked to him as if somebody connected with the theatrical profession had been trying to get a little free publicity.

At this Jack Johnson, accompanied by his numerous retinue, departed, the while smiling his famous gold lined smile. It was the second time he had gained a legal decision on points against a long string of court knockouts. It was Policeman Martin Sheridan, champion all-around athlete of the world, who served the warrant on Johnson yesterday. Sheridan had a summons for Miss Cooper as chief complainant, and after arranging the formality of a cash bond, Johnson very kindly volunteered to give Sheridan a lift in his gray racing car up to the Bronx, where Miss Cooper lives. Sheridan climbed in alongside the big negro and Johnson pulled out all the stops and let her go. They struck twice, Sheridan thinks, once at Murray hill and once just this side of the Harlem river. As they were coming down after the second leap, Martin recovered part of his voice and requested to be let down as he had just remembered something. He finished the trip up to the Bronx in a trolley car, which ran slower, but was more soothing on the nervous system than a Jack Johnson car.

The policeman-athlete found Miss Cooper in bed. She said she was suffering from a rheumatic inflammation and could not possibly leave the room.

Columbus Defeats David City on the Grounds of Latter

High School Men Do Good Work in the Game Played Thanksgiving Day.

COLUMBUS, Neb., Nov. 26.—(Special.)—Scoring a touchdown within eight minutes after the game began, the Columbus high school foot ball players defeated the David City players in the Thanksgiving game at David City, 13 to 3. Lloyd Neator, fullback on the Columbus team, carried the ball over for two touchdowns, kicking one goal, and Harry Hagel secured a safety by downing a David City player back of his goal. David City scored three points by making a drop kick from the twenty-yard line.

Columbus was strong in straight foot ball and the open style of play. Neator clearly was the star performer of the game. His spectacular play was a sixty-yard run in returning a punt by David City, but his excellent punting alone qualified him for stellar honors. Seldom his punts failed to advance the ball at least forty yards at a time. Colton also won honors for individual play. During the season Columbus has lost only one game. Here is the record: Columbus, 22; Osceola, 3. Game at Osceola. Columbus, 6; David City, 0. Game at Columbus. Columbus, 6; Fremont, 0. Game at Fremont. Columbus, 0; Norfolk, 0. Game at Norfolk. Columbus, 0; David City, 11. Game at David City. Columbus, 23; Fremont, 0. Game at Columbus. Columbus, 13; David City, 3. Game at David City.

Training Grounds Are Picked for the Giants

New York Base Ball Team Will Go Into Camp at Marlin Springs, Texas.

NEW YORK, Nov. 25.—The Giants have taken the initiative in preparing for the base ball season of 1911. Aside from sending out some of the contracts to local players, the two local clubs have been very quiet. They have been passing through the lull that always comes after the close of a particular strenuous season.

This morning, however, Trainer Ed Mackall of the Giants left for Marlin Springs, Tex., where the Giants train, to get a good start in making preparation for the reception and caretaking of the big squad that Manager McGraw will corral there next spring. Mackall will be joined there by Ground-keeper John Murphy.

HIGH SCHOOL BOYS' SMOKER

Foot Ball Players Gather at Malcolm Baldrige's Home.

Fifty-two boys, the majority of them of the two foot ball teams of Omaha High school and Wendell Phillips High school of Chicago, were given a rousing entertainment at the home of Malcolm Baldrige, center on the Omaha team, at his house at Farnam and Thirty-ninth streets. The event was a smoker planned by Baldrige for the Omaha boys because they had not been allowed to smoke all fall because of training. When it was heard that the Chicago team would remain over till Saturday an invitation was extended to them to join in the affair.

Speeches by the two coaches and some of the players, songs and a general rollicking good time was held. The game of Thursday was discussed. Athlete Dies Young. BOSTON, Nov. 25.—Broken down by overtraining, James J. Cody, Jr., an athlete, died at his home in Newton today, aged 23 years.
