CORNHUSKERS DO GREAT WORK

Unhindered in Any Way, They Become Premier Valley Eleven.

CLIMAX OF FORM AT THE FINISH

Haswell Not Weak, but Nebraska Mighty—Two Hundred and Sixty Points to Opponents' Thirty-Six.

Table with 2 columns: Team, Points. Lists scores for Nebraska (260) and opponents (36) across various games.

LINCOLN, Neb., Nov. 26.—(Special.)—Not since the Cornhusker triumph over the mighty Gophers in 1902 has there been such universal satisfaction over the outcome of a football season at the University of Nebraska as with the one just completed.

must be developed. There is a possibility that Hathorns and Chester may return, as each have another year to play. The line material from the freshmen squad is scant and the line may be the weakest point next season.

When the Missouri valley conference meets again, it will find that Nebraska has a kick to lodge against the conference rule on summer base ball.

Men repeatedly play summer base ball under assumed names and then participate in collegiate sport and are not discovered.

Manager Langdon of Kansas is one of the most ardent supporters of the rule and yet Nebraska men report that they frequently meet Kansas players on the summer base ball trips.

Kearney Claims the Western State Title

Shows by Comparative Scores What Its Claims Are to the Honor.

KEARNEY, Neb., Nov. 26.—(Special.)—The Kearney High school can now rightfully lay claim to the football championship of western Nebraska, having defeated Kearney Military academy by a score of 12 to 6.

It has for some time been felt that athletics have not been in a thoroughly satisfactory condition in the university. The progress of other colleges in the past year not only indicated a serious lack of interest, but have too often not been altogether to the credit of athletics.

Colleges to Draw Lots. "Every college which enters will be drawn by lot to run in a joint meeting with another college. For all purposes of the individual college club this meeting will be equivalent to an ordinary college meeting under the existing system.

FINANCIAL TROUBLE IS CAUSE

Oxford and Cambridge Find Old Customs Falling in Results and Plan to Follow Out Yankee Methods to Help Matters.

NEW YORK, Nov. 26.—It is not often that any of the big universities on the other side introduce any reforms in an athletic way, and especially Oxford and Cambridge have been free from any inclination to depart from old customs.

Comparative scores by the two universities were made at the annual meeting of the Cambridge University Athletic club recently held in London, and it was decided that something should be done to create more interest in athletics.

Dealers Are Doing Their Share of Business of This Section of the Country—Preparations for Show.

The Ford Motor company, which has been tempo long quartered in the North building, has announced that it will be in its new quarters at 1916 Harney street December 1. Manager George said that the outlook for the Ford is better than ever.

Willard Howford received the following from Dallas, Tex.: "This speaker arrived in Dallas on his way to Hubbard City in the Valle 49 which he started from Boston in immediately after the close of the base ball season.

"This speaker has the gasoline fever, a malady which has affected so many big league players. He was rather reticent about base ball matters, but having once got into an automobile, he talked a blue streak.

"On the radiator of his machine he stuck the base ball which was pitched to him by Mayor Fitzgerald of Boston as he left that city last October with 5,000 people cheering.

Colonel Deright has received a big Locomobile, which will be on display in his showroom this week.

Denise Barklow said that the demand for good electric has been greater this season than ever. He has just received a bunch of lavishly finished Bakers, which are attracting a great deal of attention.

Lewis E. Doty, manager for the United Motor Omaha company, has a unique proposition now to offer prospective buyers of Maxwell cars in the way of a life guarantee.

William R. Drummond, one of the best known Scotchmen of Omaha, and one of the best fellows in the world, paid his mother and sisters back in Amesbury, Mass., a visit last week.

"Hello, Bill," he replied, "and that was all of the formalities.

"The building in the power plant is located. The main floor is utilized as service and salerooms; the second floor as a stock room for parts and accessories; the third floor for storage with space for 600 cars; the fourth and fifth for the painting and upholstery department, and the sixth and seventh floors for the mechanical and electrical departments.

New Lightweight on Way to Top Honors

"Knockout" Brown Springs Series of Surprises on the Fight Followers.

NEW YORK, Nov. 26.—Valentine Brown, better known by the nickname of "Knockout," is headed for the lightweight championship of the world, according to the plans announced by his energetic manager and handler, Danny Morgan.

"Open Morgan will either knock out Battling Nelson or beat him to a frazzle on points," said Morgan.

"Taking this for granted, I have matched Brown with Moran before a local club in December, and as the bout will take place in a starry night ring, I am sure that my man will beat the Englishman. In that case, I will take Brown to Milwaukee, challenge Volgaat to fight at 135 pounds, ringside, either ten rounds or to a finish, and if Volgaat refuses to accept I shall lay claim to the title in Brown's behalf, and he will be defended against all comers.

ATHLETICS OFF FOR CUBA

Nine Members of the Champion Team Start on a Barmarketing Tour.

PHILADELPHIA, Nov. 26.—Nine of the twelve players of the champion Philadelphia American league base ball club left this city this morning for New York to board a steamer for Cuba, where exhibition games will be played.

James Brady Post at the wheel of a Stearns, added another victory to the long string won by Stearns owners this season when he took first place in the feature event at the meet held in Middletown, N. Y., last week.

Stearns' victories have been plentiful this season, and with one exception they have all been won by amateur owners.

The single exception was the twenty-four mile race at Brighton beach, in which the Stearns established a new world's record, reeling off 1,533 miles an hour including over fifty-two miles per hour including stops.

Wallace Automobile Company has removed to 222 Farnam street and is on the row with the other auto dealers.

Denise Barklow said: "The business men of Detroit were invited to visit the factory of the Packard Motor Car company last week and see for themselves the progress that has been made there during the last seven years.

"Over 1,600 of the leading business men of the city attended the reception. The visitors were brought to the factory from the nearest street car lines by a flying squadron of Packard cars which for that purpose, the guests were first taken completely around the outside of the plant and down Packard street, a thoroughfare seven-tenths of a mile long, lying entirely within the boundaries of the Packard plant and between the towering walls of the factory buildings.

At the entrance of the Administration buildings the guests were welcomed by a reception committee and conducted immediately to the offices, where President Joy, Vice President Waldron and General Manager Macaulay met them with a hearty handshake of welcome.

People having occasion to travel on the Long Island railway are becoming much interested in the rapid rise of an unusually imposing building of concrete and glass, standing monument-like on Thompson avenue, Long Island City, just south of the extensive terminal property of the Pennsylvania railroad.

This building is now completed and occupied. It was built by the Packard Motor Car company of New York, with headquarters at 100 Broadway and Sixty-Fifth street, as a service department, and is the first large structure to be erected on this vast tract of available building land, for which real estate men predict a great commercial future.

The new building has eight stories and basement, 10,000 feet, providing floor space of 125,000 square feet. It is built throughout of steel and concrete. With an extensive sprinkling system it is as near fireproof as can be made. The steel frames are of special design imported from England. The front, rear and sides are entirely of glass, affording the greatest possible amount of light on every floor.
