That the court grant such general relief as may be proper, by way of injunction, receivership or otherwise.

History of the Combine.

The criminal sugar combine, the petitio

sets forth, was the Sugar Refining conf-

pany, which was formed in August, 1887,

under the lead of H. O. Havemeyer, and

embraced companies which together carried

90 per cent of the sugar trade of the in

terstate and foreign sugar trade of the

Competition is Suppressed.

From 1292 to 1960, it is said, independent refineries started and others tried to. One mpany-built a plant in Baltimore, but before it could operate the American company bought its capital stock and never allowed it to operate its refinery. The same thing happened to the United States Refinery, it is said, in 1895, when it built a plant at Camden, N. J. The suppression of the Pennsylvania Sugar Refining company, which was brought out in a suit against the American company some years ago, is also referred to, The California & Hawall Sugar company, controlled by Hawalin planters, was put out of business, it Sugar company of Cleveland, and the Meis alleged, by means of an agreement whereby the combine was to pay \$200,000 nee, Mich. a year for three years, provided it retired from the field.

Rebates and Underweights.

The government charges that the Ameri-can has obtained unfair advantages over competitors by obtaining money on imports customs frauds, as was brought out in the government's recent suits; by recovering rebates from railroads, and by working in harmony with wholesale grocers associations throughout the country and keeping up the price of sugar.

A considerable portion of the petition is devoted to the acquisition by the combine
