With the Additional Capital Company May He Able to Reduce the Price of Cement in Omaha.

The general offices and sales offices of the Nebraska Superior Cement company. have been located in Omaha, quarters having been leased on the eleventh floor of the City National Bank building. The company has just sold \$300,000 worth of bonds which Drug company, Mr. Adams, the treasurer, have largely been subscribed for in Omaha. Men interested in the First National bank of Omaha have organized the First Trust company to underwrite the bonds the sple

of which has been easy. The plant of the company is located at Superior, Nets, and will be one of the largest in the country. According to Prof. Barbour, state geologist, an amount of limestone, of cement bearing quality, is located there.

Omaha and Nebraska annually imports \$5,000,000 worth of cement from neighboring states and, says Prof. Barbour, the deposits at Esperior will supply each year one-haif of \$3,000,000 worth for 39 years.

try for Homes in the United

States.

(Signed.) Paul Weber, Senftenberg, Ger-This letter was received at the Union Pacific Tuesday morning, and went on to state that the said Weber was a German

immigrant wishing to come to this country and get a farm. Further investigation and a consulting of the records disclosed the fact that an average of twelve to fifteen letters and postal cards a week were received from Europeans asking for information on farms in the western part of the United States. The Union Pacific advertises these farms and chances for land in Europe and foreigners

who never owned more than twenty of

thirty acres before are analous to find out

all about getting 160 acres of fine farm
