## Omaha Men Do Well.

As a result of the bowling of Wednesday during the day another Omaha man broke into the top five in the singles, following Collier of Chicago from fourth place to fifth and Canfield, also of the windy city, clear off the sheet of the five high men. Nebbett turned in a score of 625 for his match.

Another Omaha man, J. M. Martin, rolled 817 and took the lead in the meet and the balance of Omaha in his match tied the score of Canfield of Chicago with his 616 and shares the honors of the eighth place with him. Several other of the Omaha rollers made scores close to the 600 mark, which was high score in doubles for minor importance. Waterloo and Waterloo turned in 1,600 for high score in doubles for the day. All the men rolling were local men.

beer were seen disembarking from the train when that special pulled in. Thursday night the same bowlers who rolled Wednesday night will roll the doubles and singles. Some high scores are expected.

Sipe of Des Moines got away with a split shot taking in pins 6-6-1. Sipe did it with a fast ball and he, by the way, bowls the fastest ball on the alley.

Johnny Byers of Des Moines is a base ball man and thinks you are not really playing a game unless you wear a cap such as he had on Wednesday night.

Thursday night the local men again hold the alleys. Four teams, the Omaha Bi-Colors, Valkey's Lumber, Postoffice and the Greater Omaha teams will bowl.

A gala parade, with the main party in line of dancers and the band playing in front, will be up from 10 to 11 o'clock. The Des Moines pulled into Omaha.

Bill Stolle of Waterloo is worse than a preacher or a lay preacher, would jump up and is about as graceful as a traction engine, but he can bowl, kid, he can bowl.

Lincoln's Ramblers team was not discouraged by the tournament philosophy. You can't tell from the way a man looks what kind of a score he will make.

Four cities were represented in the Mid-West tournament Wednesday night. Des Moines, Dubuque, Waterloo, Ia., and Lincoln, Neb. This is the first time that more than two cities have been present the same night.

The hand played several selection during the evening and then repeated. Prominent tunes were the "Hokey-kokey" and "How Dry I Am." The band, which was chiefly a brass drum, with a few wailing piccolo notes thrown in between the beats.

Special money prize must of \$100 a side will be bowled by the Bull Durhams team of Des Moines and a team made up of the Pete Lechs of Omaha tonight. The Des Moines team will be picked from Stroz, Coffin, Wagle, Knight, Locker and Stiles, and the Omaha five pin rollers will be from Haiser, Thomas, J. M. Martin, Hammond, J. M. Martin and Drinkwater.

CRETE, Neb., Dec. 1.—(Special)—Doane won three games, lost two and tied one in the intercollegiate season. The team, which played nineteen games to forty-six games by opponents, in the intercollegiate league Doane won three games and tied one and secured sixteen points to nine gained by opponents.

In many ways the season has been satisfactory. In the intercollegiate league Doane made the best record of any college. It also held the University of Nebraska down to the small score of 12 to 0, the best shown by any college in the league.

Doane has made in fifteen years. It was badly beaten by the strong St. Mary's team. Doane did not play Hastings because the latter would not play on the open dates on the Doane schedule, the last of October. In these dates were within the regular intercollegiate season and Doane saw no reason why they were refused.

Coach Johnson has won the respect and admiration of all Doane supporters. He has been an excellent coach and has developed a harmonious and victorious team. Doane is particularly proud of him as he is a strictly Doane product.

Doane will lose this year by graduation the old hero, Bill Luke, who has played center so finely and has won that position on the all-Nebraska eleven, and "Bud" Griffin, the all-Nebraska end, who has played his position in a superior manner. The rest of the players will all return, Adams will be on hand to play center, which he did so well in the Nebraska game when Luke was disabled. There will be material on hand for an end and the team will probably be strengthened in some respects. The foot ball season occurs Friday evening, December 2, when the team will be given and the captain of next year's team announced.

Do Oro Breaks Record For Run at Pool Game. Champion Pockets Five Straight Frames and Part of the Sixth in Contest.

NEW YORK, Dec. 1.—Alfred De Oro broke his own world's record of seventy-nine balls for a continuous run at pool here tonight in January. The world's champion, from Jerome Keogh, ran five straight frames and a part of the sixth for a total tally of eight-one successive balls.

Tonight's block of 200 points in the 600-point match for the championship began with Keogh thirty points ahead. Keogh, 418, De Oro, 21. De Oro quickly ran up 218 to Keogh's 22, making a total for the three nights' play of 600 to 470.

De Oro played in wonderful form. From the ninth to the sixteenth inning he played alone, making his world-beating run and running out his 218 points in the twentieth frame.

This is the eleventh time the Cuban has won the pool championship. He is also the three-ocean billiard champion.

William Clearwater of Pittsburgh challenged De Oro tonight to a 600-point match for the title in January. The Cuban accepted and promised Clearwater the first championship match.

## STAND UP FOR THE MIDDLEMAN

Centers of Strongest Kind for Manufacturers Who Sell Direct to Consumers—State Arsenal for Guardsmen.

All the foremen and many of the employees of the Cudahy Packing company heard requiem mass for the late Michael Cudahy read in St. Agnes church, South Omaha, yesterday morning at the hour of his funeral in Chicago. All business was suspended in the packing plant and the place was the most complete shut-down in the history of the concern. Not a wheel was turned and the only men working about the place were those attending to the burials, keeping up steam.

Aside from the employees there was a large number of the public, including the children of the parochial school, and Father Ahrens, pastor, who was celebrating at the mass and he was assisted by Rev. Father Harrington of Omaha and Rev. Father Moriarty of Benson.

The music was sung by the combined choir of St. Mary's, St. Agnes and St. Bridget's churches. The address was delivered by Father Moriarty, who was for twenty years pastor of St. Agnes parish. He referred to the life of the deceased and said that although he was a man of great wealth he never forgot his God and always kept His right his Creator.

Catholicism of School Romance. UNION, Ia., Dec. 1.—(Special)—A romance that began in the little New Providence (Iowa) academy twenty years ago, culminated today in the marriage at Whitefield, near Whitler, of a young man, a wealthy rancher of Whitler. The couple was schoolmates and lovers at New Providence years ago where they both attended school at the same time. They quarreled and separated. Baldwin went west, bought a farm and prospered. He was married, but his wife died a few years ago. Miss Gidley had never married. When she left the academy she became a school teacher and recently has been teaching in an Indian school at Phoenix, Ariz. She met Whitler a short time ago, met Baldwin, and their acquaintance and love affair was renewed. The wedding followed soon after.
