halfs. McKern and Weaver at fullback and Potter and Mulligan at quarterback represent brain, brawn and speed, a combination rarely found in the freshmen team. Potter is as elusive as an eel and repeatedly scored against the varsity in practice by long runs. While a more brilliant individual player than Mulligan, he lacks the generalship possessed by the other man and the pair are very evenly matched. Neither can hope to succeed Jerry Warner, the veteran shining both as an individual player and a field general. Knouse is a great defensive player and a powerful line bucker. He is a heavy man, weighing close to 190 pounds. Purdy is slightly heavier and possesses more strength than Knouse. Both are good in offensive work. Weaver is a natural backfield player and hits the line with terrific force. McKee plays a strong game in the backfield but has trouble with the signals.

Such is the outlook for the one who will be selected before many weeks to advance the fortunes of the Cornhuskers. The foot ball committee of the athletic board and the committee appointed to investigate the all-year coach problem are, apparently, hopelessly at sea. The solution of an all-year coach may take place at the next meeting of the athletic board, or about the middle of the month. If it does, the committee is hiding its hand, as members assert that they are in no hurry to act. "King" Cole will probably not be considered in the choice. This decision is one of Cole's, however, and not of the board. Cole would be willing to accept the job if he could leave for his Montana ranch about the first of March. The all-year job would keep him in Lincoln until late in May and the Michigan man does not believe that he can spare the time from his business.

A winning team also proved a winning proposition financially, and although it was feared that the loss of the Omaha game would result in a deficit, the Nebraska management will report a balance on the credit side of the sheet when the annual statement is made. The Minnesota game, the Kansas, the Ames and the Thanksgiving day games proved breadmakers, and Manager Eager reports that the foot ball season was a paying one.

When Kansas and Missouri seek to knock out the provision cancelling games on Thanksgiving day they will find a ready ally in Nebraska. The Kansas authorities were quoted as being favorable to a continuation of the game on Turkey day after the big battle in Kansas City on November 26. Chancellor Strong said that he could see no harm in the game, the students having removed all objections by proper conduct after the game. Missouri authorities say that the bottom will fall out of the athletic finances if the Thanksgiving day game is cancelled. It would not be surprising to see a revocation of the rule at the meeting of the Missouri valley conference, if the regents can be won over to the proposition.

Old Officers May Continue to Rule Golf Association

Delay by Nominating Committee Has Tangled Affairs of the National Body Into Bad Shape.

CHICAGO, Dec. 1.—The Western Golf association, which has ever been alert to detect real or imaginary imperfections in the parent organization, at last appears to have become involved in a tangle of its own. Failure on the part of the nominating committee to announce its selection of officers within the prescribed time set forth in the constitution has caused the latest trouble. That section of the constitution prescribing the duties of the nominating committee reads in part as follows:

"It shall be the duty of this committee to nominate candidates for officers and directors and for the nominating committee for election at the next annual meeting. The nominations shall be reported to the secretary of the association not later than the 1st of November in each year."

The ticket did not reach the secretary's office until after November 1. According to Charles P. Thompson, a former president of the Western Golf association, the situation may be summed up as follows:

"In order to secure a legal administration for next year one of three things must of necessity be done. First, the present administration must remain in office until the annual meeting of 1911; second, the ticket reported by the nominating committee must be sent out to the clubs, not as the regular ticket, but in the manner prescribed for independent nominations; third, or a separate independent ticket must be submitted for action at the annual meeting. This last may be the present administration, or as many independent tickets, each composed of four officers and five directors, as any group of five clubs may certify to, according to the terms prescribed by the constitution.

"Each club a member of the association has the right to cast two votes on all questions coming before the annual meeting. These votes may be cast either by delegates present in person or by duly certified proxy, or, in the absence of any delegate or proxy, each club has the right to cast two votes by a mailed ballot under the seal of the club so voting; but these mailed ballots must be received by the secretary of the association before 6 p. m. of the day of the meeting, which by the constitution is prescribed as the third Saturday in January."

HAMILTON MAKES FAST FLIGHT

Aviator Circles Mile Track Four Times in Record Time.

MEMPHIS, Dec. 2.—Charles K. Hamilton accomplished what is claimed to be an unofficial speed record for biplanes over a mile track at the grounds of the tri-state fair association today. He circled the track four times and, according to the announcement of the timers, was in the air just three minutes and one second, traveling at the rate of seventy-nine and two-tenths miles an hour. Sixty-six miles an hour, made by Hamilton last September at Sacramento, was heretofore regarded as a record under like conditions.

In all the six aviators participating in the local meet were in the air 2 hours 56 minutes and 6⅝ seconds today. John B. Moisant first remained aloft for an hour 11 minutes and 58⅝ seconds. Then he made a cross-country flight of sixteen miles. Rene Barrier came next and in an altitude flight recorded 5,100 feet and this was topped by Roland G. Garros by 940 feet. Rene Simon and John B. Fiddis also performed.

ZBYSKO THROWS HIS OPPONENTS

Polish Wrestler Wins International Match at New York.

NEW YORK, Dec. 3.—Zbysko, the Polish wrestler, in an international wrestling match here tonight threw Tom Jenkins and Andrew Kindrat in 34 minutes and 11 seconds. Kindrat yielded to a half nelson and arm lock in 16 minutes 32 seconds. Jenkins lasted 17 minutes 40 seconds and went down under a half nelson and crotch hold.

George Dufher, American lightweight champion, threw Gus Larson of Sweden and Tom Lowe of Wales in 17 minutes, with four minutes of his guarantee to spare.

George Zoffer, the Olympic champion and now instructor of wrestling at Columbia university, tussled for 10 minutes with Will Hinchman, lightweight champion of England, without being able to obtain a fall.

Gotch is Not Training.

FORT DODGE, Ia., Dec. 3.—(Special.)—Frank Gotch, champion wrestler, in an interview today stoutly denies the fact that he is training for a match with Hackenschmidt. He declares that he will hibernate in Humboldt all winter and will remain on his farm in the spring. He refused to state what his plans were for the following season.

AMERICAN LEAGUE FIELDING

Records Made by Individuals in Junior Big League.

COLLINS LEADS SECOND BASEMEN

Philadelphia is Second in Team Fielding, While the St. Louis Browns Bring Up the Rear.

CHICAGO, Dec. 3.—Hauser of Philadelphia was the leader of first basemen in the American league fielding averages made public today. He played in twenty-nine games, with a record of 1.000 per cent. Stovall of Cleveland in 128 games had the highest number of put outs to his credit, 1,404, with a percentage of .988.

Collins of Philadelphia leads the second basemen with 153 games, 402 put outs and a percentage of .979. Lajoie of Cleveland is his close second with 149 games, 387 put outs and a percentage of .963.

Conroy of Washington is the third baseman with the highest percentage, his record being sixty-one put outs in forty-eight games, with a percentage of .981.

Turner of Cleveland leads the short stops with ninety-four games, 194 put outs and a percentage of .973.

Easterly of Cleveland has a percentage of 1.000 among the out fielders, having played in ninety-four games, with 194 put outs and 229 assists.

Pitchers who fielded 1.000 are Young of Chicago, Fanwell, Cleveland; Manning, New York; Adkins, Philadelphia and Killian, Detroit. Among the catchers, Donahue of Boston and Philadelphia alone had a perfect score.

Omaha Basket Ball Teams Are Lining Up for Coming Season

Many Local Teams Prepare for the Season Which is Just Opening Up.

With the foot ball season closed and the cold weather set in for good, the basket ball season in Omaha has started in for the winter. The game in Omaha for the season of 1910-11 promises to be more than interesting, as there are the three high school teams of Omaha, South Omaha and Council Bluffs and the Young Men's Christian association teams of each city, besides the one college five of the University of Omaha. Creighton never has a basket ball squad, and for the last few years Bellevue has also given it up.

The strongest team of this vicinity will undoubtedly be the Omaha Young Men's Christian association representative which is to succeed the old "Tiger" five. Practice has been going on at the gymnasium since September and it will be the strongest team that the local association ever turned out that will play this year. All of the former Tiger men are competing for places, as are also several new members, who came to this city lately and who played on other Young Men's Christian association teams.

Several games between the different classes and the Omaha, Council Bluffs and South Omaha association teams will be played during December, but the real schedule of games does not open until January 1. Physical Director Maxwell states that prooably Sioux City, St. Joseph, Shenandoah, Portage, Wis., and other strong teams of the west will be on the schedule.

The University of Omaha five has also been practicing some time, as there was no foot ball season there. The five men who make up the squad are all strong players and games with Doane, Cotner, Nebraska, Wesleyan, Peru, Kearney Normal, Grand Island and Hastings are wanted. This will be the first year of the college in any athletics and the boys think they have a chance to make a good start with the material in hand. Norman Dow, a former Bellevue man, will captain the team.

At Omaha High school green material with promising looks is plentiful, but experienced players are scarce. Captain Ed Carson and Bauman are the only two of last year's squad back again, and Coach Carns is going to try to build up a five to represent the school out of the class squads, using these two as a nucleus. The schedule of the school will consist of the annual games with Lincoln, York, Sioux City, St. Joseph and South Omaha, with other cities, perhaps Topeka, and some of the strong Nebraska and Iowa high school teams.

South Omaha and Council Bluffs High schools are practically in the same boat with Omaha, having two or three of the last year's players from which to build up a team. At South Omaha Johnny Collins and Shields are strong players, but Council Bluffs finds itself with the squad still undetermined, as the players have not all come out. The South Omaha team, with Stryker at the head, defeated the Omaha five last year, and this season another close game is expected.

Red Oak Quintet Wins by Big Score

Close Basket Ball Game of Twenty-Two to Twenty-One, Played Last Night.

The Red Oak Young Men's Christian association defeated the Bluffs Young Men's Christian association basket ball team last night in an exciting and well played game, 22 to 21, at Council Bluffs.

Though the Bluffs boys took the lead in the first half the boys from Red Oak soon tied them at the end of the first half through the good work of Captain Cramer. The team work on both sides was fine and kept the audience interested in watching the playing of both teams. Sanford and K. Cook got baskets for the Bluffs in this half and K. Cook got all his free tries. The half ended with the score tied—Red Oak, 8; Bluffs, 8. In the second half the Bluffs made some changes in their lineup, C. Cook going to forward for K. Cook, Doc Hendricks for Thomas, Mills for Sandford and K. Cook for Mortenson. This Bluffs team was not up to the standard of the team that played the first half, but Red Oak soon ran away from them by superior team work. All their players getting basket but Casey, who threw the free tries. Captain Cramer excelled on their side in this half for the Bluffs. C. Cook was the star player, getting three baskets. Doc Hendrick was the one on throwing free tries, getting seven in this half, which made the score close in the end when the Bluffs boys seemed to wake up. The game ended with the final score: Red Oak Young Men's Christian association, 22; Bluffs Young Men's Christian association, 21.

Before the Bluffs-Red Oak game the Young Men's Christian association, employed boys defeated the high school students in a fast game, 16 to 11.

University Given Stadium.

PITTSBURG, Dec. 3.—A stadium and an athletic field was given the University of Pittsburg tonight by J. C. Trees at the banquet to the foot ball team that has passed through the season without being scored upon. The field is to be laid out, the stadium built and presented to the university in time for use at the opening of the university next fall.

Pugilist Held Not Guilty.

LIMA, O., Dec. 3.—Jack McHenry, local pugilist, charged with manslaughter in the death of his opponent, Lee Gerhardt, of Detroit, was dismissed from custody today by Mayor Dyer. McHenry was held blameless for the death, after hearing testimony of physicians and the coroner's verdict.

The Key to the Situation—Bee Want Ads.

STATE LEAGUE AVERAGES

President Seivers Announces Fielding Records for the Last Season.

ANNUAL MEETING HERE SOON

Several Additional Towns Seeking Membership to the League, Which Had Successful Season This Summer.

GRAND ISLAND, Neb., Dec. 3.—(Special.)—President Sievers of the Nebraska State league today announced the fielding averages of the league. A meeting of the league will be held at Hastings on December 14, at which time organization for the ensuing year will be perfected. It is expected that applications for membership will be filed at this meeting by several other Nebraska towns.
