Finance Committee Will Ask Provirion for Sinking Fund.

lmum Fixed by Law-Necessary

to Municipal Credit, Says Councilmon Sheldon.

The city has increased its bonded indebtedness until it is only \$1.000,000 within according to G. W. Pead, bond clerk in the that set by law and there is no pro-vision in the arrangement of city finances city's assessed valuation. The last valua-

for retiring bonds. interest on bonds and the only bonds that works purchase bonds of \$6,500,000 and the are ever taken up are paid from money saved by chance economies in the ail- ulation.

ministration. mus of the finance committee of the counell, "and we are absolutely up against it some way to retire our bonds. A levy

and would keep us going for years. "And self-timore important is the fact \$1,000 a year. If we could establish a fund that we must soon make a practice of religious some of our bonds regularly or they year to the next we would save that will fall areatly in value on the market. If we take up \$100,000 every year they the city departments are making up the composition of the same seminary of the city departments are making up the composition of the same seminary of the city departments are making up the composition of the same seminary of the city departments are making up the composition of the city departments are making up the city depar

Tax Increase Stight.

"The extra levy would not make taxes high and taxes are certain to go up very SECURITIES NOW NEAR THE LIMIT hoticeably in the next few years anyway. We are running out of money every year, Obligations Only Million Below Max- and no department has adequate funds. It is absurd to say that taxes are high in this city. Mr. Bryant, the government statistician who was here for two weeks or more examining our books, said that The Douglas county legislative delegation of any city of its standing that he has next ression providing for a 5 mill levy to seen. We need more money for everything. aid in the solution of Omaha's financial as this year's expensence has so unfortunately proved."

The present limit of bonded indebtedness, tion was \$145,805,225, which allows more The sinking fund lovy is now 51g mills, than \$7,000,000 indebtedness. At present but it is used up almost entirely in paying bonds are out for \$5,830,000. The water schools bonds are not included in this reg-

"We need not only a 3-mill sinking fund We have come so close to the limit that for retiring bonds," said Mr. Fead, "but we can go only a little way farther in we need also a levy of about is a mill to selling bonds," said W. S. Sheldon, chair-furnish an additional fund to save the city interest on warrante. Warrants are issued against the new levy at the first of the of 5 mills would bring in a revenue of year, and the money is not available until several hundred thousand dollars a year May 1. The city pays 7 per cent interest on these warrants and it amounts to about "And still more important is the fact \$1,000 g year. If we could establish a fund

WOULD PAY OFF CITY'S DEBTS would remain at gilt edge value. A similar their estimate of their next year's exvision that will give the city more funds is being nursed by all the officials.

THIEVES GET RICH JEWELS Housebreaker Takes Pearls and Rings from Residence of J. V. Kornmayer.

Valuable jewelry and a rare collection of unset gems were taken from the home of V. Kornmayer, 1213 Park Wild avenue,

Monday morning by burgiars. The theft included a one-half carat stud, one-fourth carat emerald, gold enameled watch, eight rings, twelve unset pearls, one pair of opera giasses, a jeweled back co and a savings bank containing \$6.30.
