Waiter Nichonisten, 14 S. Main St. Beven of the prizes offered by Miss Julia Officer for the Christmas stories written by the pupils of the public schools will be swarded today. One set of the awards will be made at the High school at assem-by hour, y o'clock this morning. The sec-ond will be at the Bloomer building this aftermoon at 1.15. The three musical prizes will be awarded at the close of the school. The prizes are \$6 in gold for each winner. The Seventroid son of Semual L. Names

The prizes are \$5 in gold for each winner. The 5-year-old son of Samuel L. Namen, residing at 615 West Broadway, was knocked down and run over by a team last evening and painfully but not seriously in-jured. The horse was being driven by 'A. Stein, feed and fuel dealer, and the acci-dent was entirely unavoidable. The little child ran into the stroet ahead of the horse and was knocked down before the vehicle could be stopped. Stein picked up the child and took him to the office of Dr. Smith Bellinger. There was a slight cut on the face and a number of painful bruises. The little fellow was then taken to his home. The accident happened on Broadway, Bear Mr. Stein's place of business. Arraigned on an indictment charging him

Mr. Stein's place of business. Arraigned on an indictment charging him with larceny from a building, James Adams was convicted in police court yesterday morning and sentenced to thirty days in the county jail. Adams "sneaked" a Savage automatic revolver from the Frost restaurant on South street, and left such a broad trail that Officer Evans had no difficulty in following it. It led to the Adams had sold the weapon for 56. Adams was very drunk at the time of his arrest by Folloeman Evans, and Judge Snyder started his reckamation by giving three over. The graver charge was filed later.

master if the pupil is fortunate enough to come under the right training," says Mr. It was expected that many errors of this Corson character could be found, but the men

"The broad stroke on the breast, at who carried the petition were too shrewd. present employed by all swimming in They took the poll books along and exhorted structors, has held the art back. The each signer to write his name exactly as stroke has no hygienic value in comparison it was on the voting register, no matter to the trugion, or crawl stroke. It is a what liberties had been taken with his very difficult method either to learn or cognomen. When Mr. Chambers and his teach and is at best a slow method of helpers went over the petition they found progression. Very few learn the stroke gracefully, but my greatest objection to it Another plan was to begin a geenral is that it utterly destroys a swimmer's

prospects of learning the scissors kick. "The frog kick is used with the broad stroke and causes an unnatural spreading of the knees, resulting in the swimmer working against himself in the recovery. In the old-fashioned trudgeon stroke the co-ordination did not permit of a perfect scissors kick that was free from any clumsy feature, but the latest trudgeon

the withdrawal effort upon one locality, B. B. Kernan, is the most perfect by stroke, which was learned from the late action yet demonstrated. 'If you watch a person driving a cance with a double bladed paddle, or should

you row a boat, using the oars alternately, you can get an exact idea of the propelling power of the crawl stroke. The angle of the body, with the head low and the feet high, enables the swimmer to glide through a little hole in the water instead of plowing through a deep, wide space, as in the old methods.

"I like to get a beginner who can dogpaddle a little. From this I can immediately lengthen out the arm work, and with a little change in the style of leg work make a crawler of him. Many times have fathers and mothers hesitated to have their boys taught by qualified instructors for fear that their knowledge would make them more venturesome and that they might get drowned. The result

of this narrow minded policy has often Children, listen! After months of labor ended with disaster, as the boy would in his far-off home, way up near the steal away and teach himself some ragged
