## The Second Day of the New Year Should See You in Boyles College

On Monday, January 2, the Mid-Winter Term of Boyles College opens in both the Day and Night Sessions. That's the day you will have the opportunity of beginning your preparation for a successful career as a Stenographer, Bookkeeper or Accountant, Salesman, Telegrapher (Boyles College is Official Training School for the Union Pacific R. R. Telegraph Department, you know) or U. S. Civil Service Appointee to the position of Railway Mail Clerk, Mail Carrier or Government Stenographer, Bookkeeper or Clerk.

This isn't an opportunity that you can afford to pass by without investigating it top and bottom and through the middle.

If you enter Boyles College now at the beginning of this Mid-Winter Term you'll be able to go forth in the world with all the backing of Boyles College. You go forth just at the time of the year when the demand for trained assistants is greatest. And you'll go forth capable—trained to the minute—with an education of ability and a skill that the world can use.

We can give you 1,000 reasons why you should enroll in Boyles College. They are named in the back of our Year Book.

Send for a free copy of it.
