Police Judge Snyder this morning. Men approve of the goods we sell and of our way of selling them. Ever since we started up a little business here in this room some years ago we've been treat-ing our customers in a way to merit their confidence. We always give the best goods that can be sold at any price with a liv-ing profit. We treat customers like the gentiemen they are. We quickly make right without a moment's parley any of our merchandise that might go wrong, as the best of goods will occasionally. And today we've the biggest busiest, beau liked wall paper store in town. H. Hor-wick, 209 and 211 S. Main. possible. But for the first ten minutes it Contractor Wickham has only permitted

Contractor Wickham has only permitted his workmen to observe Sundays since the work of putting in the concrete for the new Eighth Street bridge has begun. The men worked all day Saturday and will be on the job early this morning. Many of the workmen share the anxiety of the con-tractor to complete the work before the in-tensely cold weather of January and Feb-ruary add to the difficulties. The new bridge is now nearly half complete. It is expected to finish the building of the forms for the concrete arches this week and then both ends of the bridge will be closed by canvas and the whole interior kept con-stantly heated by coke burned "salaman-ders." torical contest.
