EDUCATIONAL

Tomorrow, Monday, January 2 Will You Accept the Opportunity That Day Offers You? Hundreds of young men and women will get their first start on the Road to Success either in the Day or Night School. They will that day take the first step that will land them finally in fine positions as Stenographers and Bookkeepers in the huge business houses of this section that look to BOYLES COLLEGE every time they are looking for a Stenographer or a Bookkeeper. Then, again, perhaps Telegraphy appeals to you as a more attractive life-vocation. Some of our greatest railroad kings of today began as Telegraphers. In fact, railway history proves that the knowledge of Telegraphy IS the stepping stones to power in the railway world. The further fact that Boyles College is Official Training School for the Telegraphy Department of the Union Pacific Railway—which department absolutely GUARANTEES to give positions to each and every graduate of our Telegraphy Department, emphasizes the advantages YOU will gain by attending this, the largest business and telegraphy college in all the United States, west of Chicago.

OR perhaps you desire to enter some branch of the Government Employ. If so, you must prepare for the inevitable Civil Service Examination. Boyles College is especially prepared to fit you for this high class work. SALESMANSHIP—Special Courses and training in the art of Salesmanship are given without any extra charge to students who take the business or shorthand course. Reasons why YOU should prefer Boyles College rather than any other business college in this section: Boyles College has enrolled in 1910 more Omaha students than all the other business colleges in Omaha COMBINED! It simply could NOT have done this unless it proved itself the best business college in Omaha. It's easy for all Omahans to investigate ALL Omaha business colleges. They do investigate them all before they enroll in any one of the business colleges.

BOYLES COLLEGE is the only business college in Omaha that owns and occupies solely for business college purposes a building of its own. That fact alone proves the supremacy of Boyles College and hammers home the truth that it WILL pay you best and pay you most to attend Boyles College. OUR MID-WINTER TERM opens in both the day and night sessions tomorrow. It is time to enter. At least don't fail to get the free catalogue.

BOYLES COLLEGE PRESIDENT, OMAHA. BOTH PHONES.
