Around New York Mipples on the Current of Life as Been in the Great American Metropolis from Day to Day.

By a margin of nearly five minutes the stork bearing Josephus Hymovits to the that the plutocrats will never see the inside family cradle in New York beat twelve rival birds contesting for the prize offered

by the Jewish maternity hospital for the Judge Vandevanter received a warm baby coming under the wire first in 1911. The prize is a scholarship in the New York college when the baby completes its high school course. The scholarship was judge of the circuit court of appeals agreed upon on the morning of December was reversed the very day he took II, when certain signs in the horizon caused his seat on the higher bench. He can a flutter among the hospital staff. Several expectant fathers camped at the hospital At 1 o'clock one of the men in waiting was informed that he probably had lost the prize. But he nevertheless was the object of congratulations. "Boy or girl?" was asked.

"Both. It's twins," announced Miss Stilliman, superintendent.

"Hurray! What do I care about a prize" My boys will go to work early and be business men," cried the father. Three other men were informed they were formed that the combination has been

the fathers of twins as the hours passed abandoned. And yet The Iron Age menand the excitment grew. At five minutes before eleven another

news, "A girl." "Only one?" he queried doubtfully.

"Just one this time." "We-e-ll, it wont be so expensive," he

replied, cheerfully. The other fathers gathered about to congratulate the man upon the fact that he must have won the prize if he had no twins. The merrymaking was still in progress when the clock in the office was striking midnight. The girl seemed a sure winner, but less than two minutes elasped before one of the younger doctors attached to the hospital staff came running to the office and announced:

"Mrs. Rebecca Hymovitz became the mother of a fine boy just as the clock registered 12."

"I win! I win!" shouted Hymovitz. 'Come on!

"I never heard of anything like it," said When the Canadians undertake to deal Miss Stilliman. "Four sets of twins within with a public question they proceed in a twelve hours and a baby born five minutes before midnight, one on the stroke of 12 and one five minutes later. But it is all so, and we had a great time."
