LOCATION FIGHT IS RENEWED

Factions Developing at Commercial Club Along New Lines.

BOARD OF DIRECTORS SELECTED

Some Favor Woodmen Building and Some Union Pacific Building—Executive Committee Selected Friday.

The new location of the Commercial club will hinge altogether on the outcome of the election Friday of a new executive committee. This question, bitterly contested at the last meeting of the old executive committee on Tuesday, is all dominating in the coming election which the newly chosen board of directors will conduct.

The fight is a stand-up, knock-down, drag-out affair between advocates of the Woodmen building and the Union Pacific building. The old lines of division, the jobbing faction on one side and the anti-jobbers on the other, are somewhat rubbed out now by the new question of issue, because some jobbers are for the Union Pacific building and some retailers are for the Woodmen building.

Tuesday last the attempt to declare finally and absolutely in favor of the Woodman building was beaten by the margin of two votes, the ballot standing 12 to 10. This Tuesday's contest developed sore spots which have not yet healed.

Several slates are being prepared for voting Friday.

NEBRASKA BANK WORKING ON PLANS FOR NEW BUILDING

Start on Addition Doubling Present Quarters May Come Soon—Old Building Remodeled.

Plans are being completed by the architect for an addition to the home of the Nebraska National Bank building at Twelfth and Farnam streets. The plans call for remodeling of the present quarters and the old building throughout and will involve an expenditure in the neighborhood of $20,000.

Work may be begun in a few weeks or it may be delayed until the spring. Either alternative is possible and a decision will soon be reached.

The present building has a frontage of 22½ feet and the ground to the west is the same width so that the whole building, when the addition is completed, will have a width of forty-five feet. It is of full lot depth.

It is planned to occupy the new half while the old half is being remodelled. New elevator service will be installed.

VILLA B. SHIPPEY, RETIRED SCHOOL TEACHER, IS DEAD

Was a Teacher in the Omaha Public Schools for Thirty-Two Years.

Miss Villa B. Shippey, for thirty-two years a teacher in the Omaha public schools and for the last two years on the retired pension list, died at her home at Gowanda, Cattaraugas county, New York, Wednesday night after an illness of some duration. Miss Shippey started to teach in the Omaha public schools in 1877, and after two years in the grade schools, became a teacher in the High school. She was a teacher in the Long school when retired. Many sons and daughters of former pupils of Miss Shippey were later in her school classes.

WARNS MANY FOR CRUELTY

Omaha Humane Society Report Shows 523 Notified During Year to Mend Behavior.

According to the annual report of Humane Officer Wooldridge, 523 people in Omaha were warned against cruelty to dumb beasts and nineteen persons arrested for failing to heed the admonition.

The Humane society wishes to extend its work even farther, but finds that it must have greater means in order to do so. With this end in view the society has engaged the services of J. W. Van Nostrand as solicitor. Officer Wooldridge's report is as follows:

Large animals destroyed	143
Small animals destroyed	61
Animals ordered from work or to barns	25
Animals ordered shod	167
Blankets ordered	23
Harnesses ordered repaired	140
Animals inspected (excavations, circuses, etc.)	1,952
New collars ordered	45
Admonished for cruelty to animals	523
Arrests for cruelty to animals	19
Convictions	13
Complaints dismissed	2
Amount of fines	$91

During the summer months many horses were given water. Several were sent to the veterinary. Since the cold weather several barns have been repaired.

A Reliable Cough Medicine.

is a valuable family friend. Foley's Honey and Tar fulfills this condition exactly. Mrs. Charles Kline, N. 8th St., Easton, Pa., states: "Several members of my family have been cured of bad coughs and colds by the use of Foley's Honey and Tar and I am never without a bottle in the house. It soothes and relieves the irritation in the throat and loosens up the cold. I have always found it a reliable cough cure." Sold by all druggists.

FURAY'S BOND NOT INVOLVED

Matter Before the School Board Interests the Bank as a Depository.

Reference to a request of the First National bank of Omaha to the Omaha Board of Education in connection with the bank's wish to be released from liability on a bond was made in such awkward shape that it gave the impression that the bank seeks to be released from the bond of Treasurer Frank A. Furay. The facts are that the bank has replaced one bond as a depository bank with another, and asks to be released from liability on the first. The bond in question is surety for the bank and not for the treasurer.

IRRIGATE ON POWDER RIVER

New Wyoming Project Will Put Nearly Thousand Square Miles Under Cultivation.

A new irrigation project, that will water 997 square miles of farm land has been started in the Little Powder river valley in Wyoming. C. W. Barney is promoting the project and plans to irrigate the land by damming up a portion of the river for the use of the land lying along the right bank of it. About 30,000 acres of land now useless except for grazing will be made fit for cultivation.

When her child is in danger a woman will risk her life to protect it. No great act of heroism or risk of life is necessary to protect a child from croup. Give Chamberlain's Cough Remedy and all danger is avoided. For sale by all dealers.
