SUPERINTENDENTS IN SESSION

Numerous Papers Read by Educators

from Various Cities of the State -Rride Has Pnenmonia.

(From a Staff Correspondent.) LINCOLN, Jan. 12.-(Special.)-A system

of standardized accounts for all the cities and towns and counties in Nebraska was advocated by members of the legislative ommittee of the Nebraska League of Municipalities which held a conference here today. A draft of such a bill was presented by T. H. Prutt, the chairman, and he was authorized to redraft it and have it presented to the legislature. The auditor is given control of the system and is authorised to appoint a corps of helpers or inspectors who are to travel over the state and examine books everywhere. A resolution was also passed asking Senator Tibbets and C. E. Abbott, city attorney of Fremont, to draw up a commission form of government law on the model of the Kansas and South Dakota laws. A special meeting of the league will be called to endorse this action. Those present were T. H. Pratt, Lincoln; F. L. Burrell, and C. E. Abbott, Fremont; C. P. Anderberry, Minden; Robert P. Star. Loup City and Roscoe C. Ozman of Lin-

School Hygiene.

The papers of this morning's session of the Nebraska Association of Superintendents and Principals, which is being attended by 100 educators, were devoted to sanitation and hygiene. Ered M. Hunter, superintendent of the Norfolk schools was in the chair as president and papers were read at vard, Neb.; J. H. Kemp of Wayne, W. R. Pate of Alliance, and G. W. A. Luckey of Lincoln. Prof. Luckey spoke on the subject of playgrounds and urged their importance as educative factors. The afternoon papers were by W. L. Stephens, Miss Jessie Prystie of Gage county, A. E. Fisher of Aurora, S. H. Thompson, A. L. Burnside of Stanton, Walter Klechel of Tecumseh, and E. K. Hurst of Falls City. President Hunter appointed W. L. Stephens as delegate to the Nebraska conservation congress. The annual banquet is tonight at the

Bride Has Pacumonia.

In the midst of her honeymoon Mrs. James L. Strine, 1156 Nelson street, was taken with penumonia and is now seriously ill at her home. Mrs. Strine married after waiting for thirty-six years for her husband to make his fortune in the west. She has been married once in the meantime after waiting until she was 40 before she gave up and moved from the old home in Fennsylvania to Martinsburg, W. Va. Two years ago her husband died and the older love affair was rebegun with the wedding as a result. It was on the way west from the old home that Mrs. Strine, 56 years of age fell a victim to a bad cold.

Infant is Strangled in Bed. The 7 months old baby of Mrs. C. H. Wessinger of Havelock was strangled by a strap which its mother had used to tie it in bed while away from the room. The mother was heart-broken on finding the body when she returned in a quarter of an hour and rushed to a neighbor's house. although the neighbor was under quarantine and to Dr. Bailard whom she found there, told her story. The funeral has been

Historical Society.

Nebraska State Historical society was held last night at the Temple. Prof. James Mooney urged the preservation of Indian records and the collecting of all the folk lore data that could be found on the aborigines. Harold J. Cook read a paper for his father, Captain James H. Cook. and Edgar R. Harlan, curator of the Iowa museum talked on the work in that state. Wednesday afternoon school children were entertained by the society and Prof. Gilmore of Cotner and Mrs. M. P. Knotts told them stories of the Indians.

Indian Funeral at Macy.

LYONS, Neb., Jan. 12-(Special.)-Ulysses 8. Grant, a prominent Indian on the reservation, was buried at their cemetery near Macy with many interesting Indian ceremonies in addition to the regular Presbyterian mission services. A costly metal casket with a steel vault had been obtained from a Lyons undertaker, who had to order it specially from Fremont to get it there at the appointed time. Some of the peculiar ceremonies which seems interesting consisted in clearing the home of all furniture excepting a large range upon which a great feast was brepared and a cloth laid on the floor in the middle of the room when about 200 Indians partook. They also laid down after their feast with their feet toward the corpse and their heads toward the walls. The body was dressed in a white robe and after it was lowered into the

grave a fine and costly blanket of a very

before the steel vault was closed and

age and was well to do. Indian is Fatally Burned.

NORTH PLATTE, Neb., Jan. 12.-(Special I-An Indian named Showing Baer was seriously burned this morning as a result of using coal oil to start the fire. He was one of a party of Indians from Pine Ridge and was staying at the Mission house when he got up in the early morning to build a fire. In throwing some coal oil into the stove, the can exploded and was torn to pieces, the biazing oil striking him in the face and chest and igniting his ciothing. His cries brough his companions to his aid and they rolled him in the snow to put out the flames. He was attended subject. build a fire. In throwing some coal oil

outhing. His cries brought his composition of his side and they rolled him in the snow of put out the flames. He was attended by a physician, but there is little hopes of his recovering.

York Minkes Substantial Growth.

York Neh., Jan. 12—(Special.)—The cases of the cries of 5,000 and more production that if the pace is kept up, York will pass passed the that if the pace is kept up, York will pass present of the greatest agricultural counties in the instant of the greatest agricultural counties in the instant and have 10,000 and more population. The fact that York is situated in one of the greatest agricultural counties in the instant state of the greatest agricultural counties in the instant and have shown and have charmed and have charmed and have charmed the good class of its closed in many colleges, the small manufacturies and the good class of its clusters makes York one of the small state of the greatest agricultural counties in the Silo. WORRY

Receiver Stock '75,0

Of all Odds and Ends that we have left over from the \$75,000 Receiver's stock of the Main Department Store, Denver, Colo., and our own large stock. The many thousands of people that have attended this sale and went away with arms full of bargains such as never were offered to them before can expect still greater bargains in this final clean-up of these two large stocks, notwithstanding that we have sold a very large quantity of goods since starting this sale, but nevertheless the stocks in each of our 25 different departments are still in grand shape regarding sizes, colors and styles, and every one of these departments will be overflowing with the final clean-up bargains that will stagger the people when they see the wonderful low prices staring them in their faces as soon as they get inside of the largest Bargain Store west of New Yerk city. When Mr. Adler says clean up all stocks, he means it, and forgets that there ever was such a word as prefit; and we not only aim to dispose of every dollar's worth of this high grade merchandise that is left from the Main Department Store stock, but we will also give you one of the largest surprises when it oomes to letting the profits blow to the four winds, and have the name of The Fair Store in every home for the next six months; for when we started this sale we said that it would go down in history and live in the minds of the people forever. And anything that The Fair says is always carried out to the letter; so all that have attended this sale already know what to expect when we say CLEAN-UP SALE, and those that have not been in to see us will profit greatly by attending Friday and Saturday. Below we print some of these CLEAN-UP BARGAINS that will await you. If we were to print every item that we carry in this large stock, we would require a whole newspaper; so we will say again, come in and see for yourself and be convinced that the name of THE FAIR stands for honest advertising methods only, and the people are always sure to get just the articles that are advertised prices. Doors will be open Friday Morning, January 13, at 8:30, and our bargain tables will be heaped with the same wonderful money-saving bargains that have always awaited you, and the shortest lots will be sold at far less than oost of raw material. eu, and the shortest lots will be sold at far less than cost of raw material. the same wonderful money-saving

Remember day and date-FRIDAY, JAN. 13, at 8:30 A. M.-Remember also that this will be the final clean-up of the greatest price-cutting sale ever held in Omaha, many new cases of goods having been opened in the last days. Come as early as possible and avoid the afternoon rush.

Program of Nebraska Dairy Association Meeting Next Week

Session Begins Wednesday Morning with Annual Report of President Harding. beautiful pattern was place over the casket

locked. Mr. Grant was about 52 years of LINCOLN, Jan. 12.-(Special.)-The twenty-sixth annual meeting of the Nebraska Dairymen's association, Wednesday, Thursday and Friday, January 18, 19, 20, he held in Dairy Stock judging will pavillon, University Farm, Lincoln. The program follows:

WEDNESDAY, JANUARY 18. Dairy Stock Day, 10 a. m. Address of president, Charles Harding: report of secre-tary and treasurer, S. C. Bassett; appointtary and treasurer, S. C. ment of committees, judging dairy cows.

ments in the way of paving, public parks, extension of water service.

Dies of Self-Inflicted Injuries.

(RAND ISLAND, Neb. Jan. 12—(Special)—Joschim Buenz, a farmer, nged 76, died last night as the result of wounds self-inflicted with a rance, several days say with sulcidial intent. He leaves one

daughter, at whose home he has been. The cow judging contest is open to memliving for the last few years, some miles bers of the association only. Anyone may from this city. He was somewhat despon- become a member on the payment of \$1.

and has upon several occasions indicated. The pro rata premium will be divided

of a possible 100 points, in proportion to that they be read before each house and the number of points scored above seventy-

Ten cows will be used in this judging contest and these cows will be kept on the experiment station farm the ensuing year and a complete record kept of the milk and butter production of each.

To the five contestants in this contest the comparative butter records made by these cows during the coming year the sum of five (5) dollars each will be awarded in addition to the awards from the prorata fund; these last named prizes of \$5 each to be awarded at the annual meeting in January, 1912. The judging will be done on Friday, January 20, at 3:30 p. m., and every member is most cordially invited to take part in the contest.

GRAND ISLAND-In the federal district GRAND ISLAND—In the federal district court, Judge T. C. Munger presiding, yesterday and today were taken dp in the trial of Andrew McGrew for subornation of perjury in the taking up of public land, and is not yet completed. It is expected that the matters before the court in this division will be disposed of by tomorrow night. will be disposed of by tomorrow night.

The increased attendance at the winter terms of the York college, Hulitt conservatory and the down-town business college and normal school has created a greater demand for rooms for students. To accommodate the large number of students coming here the citizens have opened their homes and are providing accommodations.

homes and are providing accommodations. SEWARD-The annual meeting of the Seward Building and Lean association was held at the court house on Monday evening and the old officers were re-elected for the coming year. The report of the officers shows the association to be in a flourishing condition, the volume of hustness being much greater than any former year since its organization.

WEST POINT-The local branch of the Catholic Enignts of America at their annual meeting have elected the following officers: President, Vers Rev Joseph Ruesing; vice president, Frank Resse; treasurer,
