With Some Low Comedy Falls In-

Please remember that when too much cold air comes in the window love files out the door." I warned, shivering.

Dottie Dialogues

BY WALTER A. SINCLAIR.

A

"If I could only believe it," signted Dottie. "But seeing it is only you instead of love, I suppose you wouldn't fly any farther than your overcoat. We get the mir here fresh every day."

"Is it delivered or do you have it wrapped up to take home with you?" I asked. "Oh, we have it air-shipped." she explained. But really, are you too cold? I hope so.'

"Remarks like that make me hot under the collar and I'll be able to stand the cold," I grumbled, "But with your shutting off the radiators"

"More than I can do with you, anyway." she murmured. "Mercy, you're a chilly person. Don't you know that steam heat is responsible for much modern misery Some alliteration, that! It peels off your wallpaper and curls your chair legs"----

anyhow, I haven't any wallpaper or curi steps rose high right up to meet me as 1 paper either. But hist: What is that glided past and I ceased to bound after sound of escaping steam?"

thought I heard it hissing"-

dress soot is crawling into the furnace to me. steal or curl them papers; hence the hissing." 1 guessed.

heating boller," she cried. "Where's your janktor?" I asked,

"I don't know his favorite cafe," she stepped backward so rapidly that I sat retorted. "The man who looks out for the down. At this tableau the man who tended steam doesn't come around at night until the bollers for the row of houses entered the last thing, when he banks the fur- from the yard, swinging his lantern. Dottle nace"---

He had forgotten himself. She is particular about her walk. She "Til make h yet, though,' he muttered.' The Hee Advertising Columns. never walks with the quick, snappy little steps of the short person. She has a tread

CAME RIGHT BACK

"But he's an awful flatterer'

"No, he said you were."

"I suppose he told you you were

that is rather long and stately. She does not stride, but she never trots along after the style of most short women. Many women have mastered the art of

showing their beauty off to best advantage. They do not do it so much by makeup as by culture. Among their acquirements is the art of putting on their gowns so as to get all the height possible out of them .-Philadelphia Inquirer

#### Ahead of the Game.

A little boy was about to start on a visit to his grandfather's to spend Christmas The day before his departure his mother passing his room, saw him kneeling beside a chair with his head bowed. The mother asked:

"Well, Eichard, what are you doing? 'Just getting my prayers said up before go to my grandpa's, as 1 expect to be pretty busy while I'm there," was the reply.

#### Pimples on the Pace.

These may be occasionally bathed in soothing lotion composed of borax and warm water. At night use very warm water on the face; then dry and rub into the pores an olntment made of flowers of sulphur and lard.

### Conduct of a Man Engaged

Etiquette, to be observed by a man as is true if the man happens to have a betsoon as he is engaged to be married, is as ter social position than that of the girl, strictly defined as it is for the girl, though or is more eligible than she if his family the former is not as often understood. appears to welcome her, the path of her Immediately the engagement exists, and engagement will be pleasanter, for others before it is announced, the man should will follow the example set by his parents. notify his nearest relatives. If they live Announcing his engagement to his family in the same town with him he should tell and relatives should be done by the man them by word of mouth, making a call before the world is taken into his confispecially for such purpose. If they are in dence. If this procedure is followed the another city he should write to them at girl is spared any embarrassment when she is asked by friends, if she knows her once to let them know the news. If either his father or mother is living fiance's family. If she can answer "yes." he should go to them, rather than write, without hesitation, or need of explanations, that they may know his plans. Another she will find herself more firmly estab reason for an immediate visit from him is lished socially than if she were obliged

that they should be able to receive their to say "no." or to qualify her answer. son's future wife in the way that will be It is expected that some member of a happiest for them all, and this they can man's family will give a tea for his fiance better accomplish if they make plans with to introduce her to the family's friends. If, for any reason, this function is delayed

Soclety frequently takes its cue as to during the engagement, it should be done that case. I thought the evidence was conduct to the girl, from the parents of as soon after the marriage as is conventhe man who has become engaged. This lient. ROSANNA SCHUYLER.
