

Nebraska Sportsmen to Meet at Lincoln Next Month to Reorganize Association

NEBRASKA SPORTSMEN MEET

Will Attempt to Instill Life Into Dormant Next Month at Lincoln

Members Believe Club Has Not Outlived Its Usefulness and Hope to Put It on a Much Better Footing.

The Nebraska Sportsmen's association is to be reorganized at its winter meeting, to be held February 25, and an attempt is to be made to make it really representative of the state of Nebraska. The meeting is to be held in Lincoln and will be followed by the annual one-day shoot on February 26.

This association was started in 1887 by the shooting and fishing contingent of Nebraska, and since then has progressed with varying fortunes. Much good work has been done in protecting the game and fish of this state by campaigning for systematic laws on the subject. The establishment of the Nebraska game laws, near Orestis, was partly due to the efforts of this association.

Just now the organization is at a very low ebb, due partly to the poor fishing and hunting in Nebraska, in the last few years, although the poor conditions were chiefly due to bad weather. Secretary T. Woodward of Lincoln has issued a call to all past, present and future members to come to the meeting and reorganize the membership of the club.

After the club is put on a basis where it represents the sportsmen of the state the members are anxious to boost for some needed reforms and form a stronger club.

Announcement is made of other shoots throughout the state in February. The Omaha Gun club will hold a shoot on Washington's birthday, February 22, to which all shooters are invited, and Ketter, Neb., has a two days' tournament scheduled on February 24 and 25. The latter is one of the annual shoots of the year.

FOOT BALL RULES COMMITTEE SOON TO HAVE A SESSION

Indications Are That Few Changes in the Rules Will Be Attempted.

Members of the foot ball rules committee are to have their annual meeting at the Hotel Cumberland, in New York, on February 3 and 4.

The committee of fourteen will be the same as last year, except that the places of Lieutenant H. H. Hackett of West Point and Dr. W. A. Lambeth of the University of Virginia will be taken by Lieutenant Cooper of the army, and S. C. Williams of the State University of Iowa.

There may be quite a little revision to be effected. That and other changes will be made this year hardly seems probable. The forward pass doesn't seem to be foot ball, and it is not an easy matter to reconcile it with the game, even if it does add variety to it.

Yet those who favor this hybrid compromise between foot ball and basket ball probably are strong enough numerically to see that it is retained.

There is only one check to the forward pass, and that is a serious accident, which may result some day when it is being attempted. It is not a pleasant result to contemplate, but there it is and can't be evaded.

SHAFFER PICKS ST. JOSEPH

Arrives in that City and Declares Team Will Run to Top of First Division Next Season.

Charles Shaffer, who will manage the St. Joseph Drummers for Jack Holland in 1911, has arrived in that city and announces that he is ready to go to work. Right off the bat Shaffer declares that no matter what happens in the coming season St. Joseph is going to come through the mill and end up in the first division.

Jack Holland is now in pursuit of one of his "hooky-playing" men, R. E. Williams. "Bob" Williams was purchased from Pueblo last year, but refused to re-sign to St. Joseph, and Holland never heard from the contract he sent the player. A recent record of a sale of one R. E. Williams from Canton, O., to the New York Americans has awakened Holland's suspicions, and he is looking up the past performances of the Highlanders' new star.

FIELD TRIAL CLASSIC RACE

National Championship for Dogs Will Be Settled in This Week's Races.

ROGER SPRINGS, Tenn., Jan. 23.—The field trial classic of the season, the national championship, will begin tomorrow morning under the direction of the United States club, with at least sixteen stars. A total of twenty-five dogs entered. The event will conclude the United States trials and, with the exception of the all-age state, the meeting which is immediately to follow will be the official termination of the season's trials.

Each of the dogs competing in the classic will be required to run three-hour heats. It will take four days to complete the event.

HARRISON MAKES TRACK MARK

Runner Carrying 122 Pounds Wins El Paso Handicap.

JAUERZ, Tex., Jan. 23.—Harrison, carrying 122 pounds, created a new track record for a mile when he won the El Paso handicap in 1:37 1/2 at Terrasas park today. The time is one-fifth of a second faster than Knight Deek ran last year. He met the pace to the stretch, when Harrison took the lead and won in a drive by half a length from the favorite, Polka. Summary: First race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Second race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Third race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Fourth race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Fifth race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Sixth race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Seventh race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

Eighth race, five and a half furlongs: Sam Barber (Jenny), 8 to 1, won; Mike Molett (Jenny), 4 to 1, second; Rose (Jenny), 3 to 1, third. Time, 1:07 1/2.

All-American Team of Track Athletes

Chosen by Sullivan

Four of Squad May Compete in the Omaha Indoor Meet Next April.

NEW YORK, Jan. 23.—An all-American college track team has been selected by James P. Sullivan, secretary and treasurer of the Amateur Athletic union. Like the all-American foot ball team, the selection has no official significance, and is, in fact, merely Mr. Sullivan's personal choice of the best college athletes in each of the ordinary track and field activities. Fourteen men are named, and it is notable that seven of them are from colleges on the western side of the Alleghenies.

The team chosen is as follows: 100-yard run, F. L. Ramsdell, University of Pennsylvania; 220-yard run, H. C. Craig, University of Michigan; 440-yard run, I. N. Davenport, University of Chicago; 880-yard run, G. H. Whiteley, Princeton; 1,760-yard run, W. A. Edwards, University of California; 3,520-yard run, C. P. Gardner, Harvard; 7,040-yard run, A. F. Baker, Oberlin; 14,080-yard run, T. S. Berns, Cornell; Running broad jump, J. Wasson, Notre Dame; Running high jump, K. W. Burdick, University of Pennsylvania; Pole vault, L. S. Scott, Leland Stanford University.

Twelve hundred-pound shot, J. Horner, Jr., University of Michigan; Throwing the hammer, Lee Talbot, Pennsylvania State college; Throwing the mallet, T. P. Jones, Cornell; Four of the members of the all-American track team chosen by Mr. Sullivan have practically agreed to come to Omaha to the second big national indoor meet to be held here April 1.

Joe Horner and Ralph Craig, the two athletic wonders of Michigan, will accompany their college team here, and I. N. Davenport, the great quarter mile runner of Chicago, will come if Coach Stagg agrees to bring his athletes a second time. Lee Talbot, the hammer thrower of Pennsylvania State college, has already written Mr. Carns that he will come if possible.

Three indoor games, one indoor base ball and two basketball games are scheduled in Omaha this week. Tuesday night the Omaha Young Men's Christian association meets the Invincibles of Council Bluffs on the Omaha gymnasium floor in indoor base ball. The Invincibles have been practicing hard and think they can show the Omaha Hawks a fast nine innings.

Three Indoor Games in Omaha This Week

Two Basket Ball Games and Indoor Base Ball Game Between Invincibles and Local Boys to Occur.

Three indoor games, one indoor base ball and two basketball games are scheduled in Omaha this week. Tuesday night the Omaha Young Men's Christian association meets the Invincibles of Council Bluffs on the Omaha gymnasium floor in indoor base ball. The Invincibles have been practicing hard and think they can show the Omaha Hawks a fast nine innings.

Thursday night the Omaha Young Men's Christian association basketball ball five will meet the squad from Fort Dodge, Ia., in Omaha. Fort Dodge had one of the best teams in the west last season and it has almost the same lineup again this season. The followers of the Omaha school are enthusiastic over the manner in which that team burnt up things in the game last Saturday with Ida Grove and think that they have a championship team again this season.

Omaha High school will meet York High school on the Omaha Young Men's Christian association floor in basketball ball Saturday night and will try to retrieve the defeat of last season. If York comes down with as strong a five as it had in 1910 the Omaha boys will have their work cut out for them. Practically the entire team of the 1910 York is back in school and if all the players are eligible the Yorkies will be in line for the state championship.

The Omaha Young Men's Christian association will journey to Peru Thursday to play the basketball ball five of the Peru Normal school. The strength of the teachers is not known as yet in Omaha, but the local boys are preparing for a hard game.

National Chess Play Begins at Tourney

Cracks of This Country and One from Cuba in New York to Compete in Match.

NEW YORK, Jan. 23.—Play in the national chess tournament, in which are entered the best metropolitan experts and representatives of Boston and Chicago, in addition to P. J. Marshall, United States champion, and J. R. Capablanca, Cuban champion, began in New York shortly before noon today.

Capablanca, who will arrive from Cuba in time to start in the second round tomorrow, was the only absentee, and was given a bye in the opening round. The winners of the opening round were: P. J. Marshall, R. T. Black, champion of the Brooklyn Chess club; Charles Jaffe, Paul Johner and Oscar Chajes of Chicago, the Illinois state champion. Only one drawn game was recorded and this was credited to A. P. Keyserling of this city against Albert H. Hodges, the Staten Island player.

Big Supply of Curved Bats to Be Tried Out

Emil Kindt, Inventor of Strange Object, Says it Will Be in Wide Use.

Emil Kindt, inventor of the curved bat, is now turned promoter of the product and declares that every club in every league shall have a chance to try out the bat before the season closes next summer. Emil is at present in the city of Chicago discussing the merits of the stick with the many and vari-colored players of that town, and converting a few of them. Joe Tinker, actor ball player is already a strong exponent of the bat and announces he will use one next summer.

Four hundred of the "funny looking weapons," as one ball player termed them, have been turned out by Emil Kindt, and he will distribute them soon. Certain little marks and directions placed along the various curves of the bat are the places to hit the ball with, says Emil. You can bat just what you please he declares, a home run, three, two or single bagger, or, best, according to your desire to exercise around one base or two or all. A man can also find it possible to fan with the bat by not hitting the ball at all, but this is not advocated by its promoter.

Robison Resigns From Committee.

ST. LOUIS, Jan. 23.—Stanley Robison, president of the St. Louis National league base ball team, announced today as he departed for a five weeks' trip to Panama that he had resigned from the National league committee of the National league.

Robison, manager, power to make all deals and to represent him at the National league meeting in New York.

Lawton Stops the Pictures

Man with Exclusive Right to Show Fight Films Runs Against the Law.

LAWTON, Okla., Jan. 23.—Roger Wilson, who paid \$25,000 for the exclusive rights to the Jeffries-Johnson fight pictures in Oklahoma, Kansas, Arkansas and Nebraska, tonight attempted to exhibit the pictures here. He was arrested on the charge of disturbing the peace and a large crowd gathered to see the pictures was given the admission money and told there would be no show.

Townsend Makes Record. In the progress of Sunday afternoon's shooting Billy Townsend broke a ninety-eight of the first 100 targets, which record is the best that has been made this season.

Townsend also holds the record of the club, having broken 135 straight. For the last twenty-five birds shot during the afternoon the shooters made it a feature event, exchanging runs with one another, and scores in that way soon went to pieces.

Competition Record Broken. LOB ANGELES, Cal., Jan. 23.—Howard Wilcox, driving a National broke the American five-mile computation speedway record at the motor drome today. His time was three minutes and twenty-one seconds.

PARMALEE LONGEST IN AIR

New American Endurance Mark Made at San Francisco.

BEATS THE RECORD OF WELSH

Raised on Shoulders of Enthusiastic Airmen and Given Ovation—Event Recently Flashed to Ship.

SAN FRANCISCO, Jan. 23.—San Francisco's aviation met produced a new American endurance record yesterday, when Phillip O. Parmalee, piloting a Wright biplane remained aloft for 3 hours, 11 minutes and 48 seconds.

The best previous endurance performance was that of A. Welsh of St. Louis, who established a record of 3 hours, 11 minutes and 52 seconds.

At Los Angeles the late Arch Hoxey was credited with an unofficial record of 3 hours and 17 minutes.

A crowd of over 25,000 cheered the birdman as he circled above them, and when he finally descended he was given an ovation. Several enthusiasts, among them Eugene B. Elv, hoisted Parmalee on their shoulders and carried him in triumph to the middle of Safford field, where General Tasker H. Bliss, other army officers and a host of women crowded about the aviator to extend congratulations.

"I could have remained up longer," said Parmalee, "but my seat grew so hard and my hands and feet so numb with the cold that I decided to come down after climbing the American record."

His long flight was uneventful. Once while sailing close to the San Bruno hills he dipped suddenly and sharply to force gasoline into his engine.

Weather conditions were excellent today, though the bright sun did not wholly temper the air's nipping touch.

Ely Lionized.

Ely, the daring Curtiss aviator, who landed on the deck of the liner Pennsylvania last Thursday, was lionized by the army and navy today. With Major J. P. O'Neill, in command of the field campment, and Captain Pond of the Pennsylvania, Ely reviewed the troops of the second battalion of the Thirtieth Infantry and a detachment of blue-jackets from the warship. Then followed the presentation to the aviator of a gold medal by the army. Immediately after this ceremony Ely went up in his biplane to deliver on behalf of the aviation committee an invitation to Mrs. Louisa Tetrazzini, the opera singer, to attend the meeting.

Mrs. Tetrazzini, according to a prearranged plan, was waiting in an automobile at the Ingleside golf links, about five miles north of the aviation field.

It was Ely's intention to act as an aerial escort to the diva for the rest of the journey to Selridge field, but his automobile among the crash of other machines on the road.

The birdman was waiting for her at the gate, however, when she drove up, and escorted her to a gaily decorated box in the center of the grand stand, where she was formally welcomed by the aviation officials and army officers.

Beautiful exhibition flights and military exercises kept the crowd keyed up to high interest through the afternoon.

More Bombs Thrown.

Lieutenant Byron S. Criss, flying with Walter Brooks in a Wright biplane, experimented with dropping bombs and Charles E. Willard, the Curtiss aviator, conducted further tests by sending messages by wireless.

James Bradley made a flight of about twenty miles over the lower end of the peninsula in his Blériot monoplane.

Attempts by amateurs to fly added to the long list of accidents that have marked exhibitions by novices at this meet. Flanders A. Kerna, the youthful Chesapeake, stood his machine on its nose in the middle of the field. The engine was jarred through the stanchion, separating the driver's seat and Kerna had a narrow escape from serious injury.

Another notice that came to grief was George H. Loose, piloting a biplane owned by Ralph J. Shiel of Alameda. Loose neglected the length of the field in darts and skips. On reaching a point near the limits of the enclosure a plane grazed the shoulder of a spectator, the machine swerved and turned over on its side, completely wrecking itself. The aviator, however, was not injured.

Overland with Passengers.

MOIRMELO, France, Jan. 23.—Henry Weymann made a brilliant flight today with three passengers. He flew across country to Rheims and returned, a distance of about sixty kilometers (thirty-seven miles) in one hour.

A few days ago Weymann made a flight over practically the same course with two passengers.

Flies Over Warships.

LIMA, Peru, Jan. 23.—The aviator Bielovuczi yesterday made a flight to Callao at a height of 300 feet, circling over the warships in the harbor and returning to the race course here, where he made a perfect landing. The Peruvian aviator, Tenaud, who attempted a flight, came suddenly to the ground owing to an accident to his motor. He was not hurt.

CHRONIC ULCERS INDICATE BAD BLOOD

Where the blood is pure any wound or laceration of the flesh heals "by first intention." This is true because nature has provided a constituent to the circulation known as Plasma, which joins and holds the place together until the fibres and tissues can permanently knit and interweave. Whenever the ulcer becomes chronic it is because this healing quality of the blood has been impaired by some impurity in the circulation, and the place remains open, infecting all surrounding flesh, until the character of the circulation is changed. No sore can heal where the blood is bad; because the morbid impurities on which it thrives are constantly deposited into it by the burdened circulation. Cleanse the blood and the sore will heal of its own accord, because then its very source and foundation will have been destroyed. S. S. S. cures Chronic Ulcers of every kind for the one great reason that it thoroughly purifies the blood. It goes into the circulation and removes every particle of infectious or morbid matter, enriches the corpuscles, and assists nature in the formation of the necessary plasmic qualities of this vital fluid.

Big Supply of Curved Bats to Be Tried Out

Emil Kindt, Inventor of Strange Object, Says it Will Be in Wide Use.

Emil Kindt, inventor of the curved bat, is now turned promoter of the product and declares that every club in every league shall have a chance to try out the bat before the season closes next summer. Emil is at present in the city of Chicago discussing the merits of the stick with the many and vari-colored players of that town, and converting a few of them. Joe Tinker, actor ball player is already a strong exponent of the bat and announces he will use one next summer.

Four hundred of the "funny looking weapons," as one ball player termed them, have been turned out by Emil Kindt, and he will distribute them soon. Certain little marks and directions placed along the various curves of the bat are the places to hit the ball with, says Emil. You can bat just what you please he declares, a home run, three, two or single bagger, or, best, according to your desire to exercise around one base or two or all. A man can also find it possible to fan with the bat by not hitting the ball at all, but this is not advocated by its promoter.

Robison Resigns From Committee. ST. LOUIS, Jan. 23.—Stanley Robison, president of the St. Louis National league base ball team, announced today as he departed for a five weeks' trip to Panama that he had resigned from the National league committee of the National league.

Robison, manager, power to make all deals and to represent him at the National league meeting in New York.

Duffys Are Ahead in Five-Men Event

at St. Louis Meet

Make Mark of 2,718 on Second Day of Tourney—Qualey Makes 245 Single.

ST. LOUIS, Jan. 23.—With a score of 2,718, the Duffys of St. Louis, holders of the middle western championship, featured the bowling on the second day of the eleventh annual tournament of the American Bowling congress here tonight.

The performance of George Qualey, holder of the world's record of 23 pins for a single game, stood out prominently. He finished the first game with a score of 245, making six successive strikes and rolled the three games with a high total of 741.

The Palace quinet landed second high score with 2,665, while the Winter-Monroes were third with 2,670. The teams who competed in the five-men event tonight are from St. Louis.

Competing for the first time in a national tournament, Harry Stoltz of St. Louis lead the individual bowlers with a score of 99 in the afternoon series. Stoltz's score establishes a high score record for the first day of tournament competition.

In the afternoon two squads of sixteen bowlers faced the pins and sixteen teams also competed in the two-men event. Stoltz and his brother, Louis, finished with high score in the two-men event, having a count of 1,061. Eubanks and Mason of East St. Louis, bowled closely, however, finishing with 1,051.

Visiting bowlers will begin competition tomorrow night when teams from Chicago, Dayton, O., Cincinnati and Memphis, Tenn., will compete with the Missourians. Tomorrow night will be known as "Dayton night," the Ohio city having five teams entered in the five-men event. Scores:

Individuals.	Score.
N. H. Stoltz, St. Louis.	99
H. Stoltz, East St. Louis.	87
A. Mann, East St. Louis.	85
C. Houser, East St. Louis.	81
J. Harward, East St. Louis.	80
Two-Men Event.	Score.
H. Stoltz, St. Louis.	1,061
Eubanks-Mason, East St. Louis.	1,061
W. De Priz-A, Gutwiler, St. Louis.	1,051
G. Shuttenger, O. Woodin, St. Louis.	1,011
Five-Men Event.	Score.
Duffys, St. Louis.	2,718
Palace, St. Louis.	2,665
Winter-Monroes, St. Louis.	2,670
Twin Oaks, St. Louis.	2,440
Vogels, St. Louis.	2,430

OTTO KNABE SIGNS CONTRACT.

PHILADELPHIA, Jan. 23.—Otto Knabe, the Philadelphia, second baseman, came here yesterday, chatted confidentially with President Fogel for a brief period, and then signed his name to a contract to wear a Philadelphia uniform for three years. "I am delighted with the terms of my contract," said Knabe, following his conference with Fogel.

VETERAN FIREMAN IS KILLED GOING TO THREE-DOLLAR FINE

Charles Offenstien of St. Louis Thrown from Horse Wagon and Meets Instant Death.

ST. LOUIS, Jan. 23.—While responding to a fire alarm early today, Charles Offenstien, 42 years old, a horse truck driver in the local department, was thrown from his wagon and instantly killed. The fire damage, in a small grocery store, amounted to \$2. Offenstien had been in the service for many years, and during the world's fair was captain of one of the fair grounds companies.

ERIE ROBBER IS BOLD ONE

Negro Walks Into Kansas Waiting Room and Forces Agent to Give Him Money Drawer.

ERIE, Kan., Jan. 23.—While several persons who were waiting for trains stood in the waiting room of the Missouri, Kansas & Texas depot here early today, a negro walked in and drawing a revolver forced the station agent to give him the money drawer.

The robber then turned, and looking at the others in the room for a short time, walked out. No trace of the negro has been found, and local officials say they do not know how much money was in the drawer.

CHURCH NURSERY INSTALLED

Fort Wayne Pastor Takes Step that Will Enable Parents to Attend Services.

FORT WAYNE, Ind., Jan. 23.—To enable the parents of babies to attend church services Sunday morning, Rev. H. B. Master, pastor of the First Presbyterian church here, today announced that a nursery, in charge of experienced kindergarten teachers would be conducted in one of the church social rooms during service.

President Lincoln Collides with Tasso

Wilson Liner Badly Crippled at Dover in Smash with Big Hamburg-American.

DOVER, England, Jan. 23.—The Hamburg American steamship President Lincoln, which left New York January 12 for Hamburg, and the Wilson liner Tasso put in here today.

They were in collision off Goodwin sands and both suffered damage, the extent of which is not yet known.

Tugs sent in response to wireless calls for assistance helped the Tasso into this harbor, escorted by the President Lincoln. The deck was ablaze with electric lights as it stood by the injured vessel.

The President Lincoln sustained no damage, but the Tasso when it came into harbor here was badly down by the head.

INEXPERIENCED MINERS IMPERIL LIVES OF OTHERS

Statistics Show Fatality Rate in North America Higher Than in Other Big Coal Fields.

WASHINGTON, Jan. 23.—Through misunderstanding of orders or by reckless disregard of the necessary rules of operation, foreign born workmen, without actual experience in mining, often imperil not only their own lives, but also the lives of trained and experienced workers according to a bulletin made public today by the bureau of labor.

The figures cited are principally for the decade ending 1908, in which the fatal accidents in the coal mines of North America were 2,283 and the rate per 1,000 employees was 2.11. For the decade ended 1908, the latest for which figures for other coal mining countries were available, the average fatality rate in North America was 2.11. For the decade ending 1908, the rate was 3.18 per 1,000. This, it is said, was higher than the rate in other important coal fields of the world. Figures for a few of them for the same period are: United Kingdom, 1.29 per 1,000 employees; Austria, 1.35; France, 1.81; and Prussia, 2.13.

JACOB SCHIFF SAYS MORE HEBREWS SHOULD EMIGRATE

New York Banker Declares Percentage Coming to This Country Too Small.

NEW YORK, Jan. 23.—The United States needs more Jews, says Jacob H. Schiff, the banker and philanthropist. Addressing a gathering in the Educational Alliance building today at the annual meeting of the Hebrew Sheltering and Immigration Aid society, he said:

There are not enough Hebrews in this country. Statistics show that the Hebrew population is but 2 per cent of the total, and 5 per cent would not be too much. We could have 3,000,000 more Hebrews, but it should be arranged that they go west and help build up the great country out there.

The "more test," that is, a requirement of funds when an immigrant lands, Mr. Schiff thinks should be abolished as a bar to many honest and desirable immigrants.

Co-Operative Lumber Company.

SIOUX FALLS, S. D., Jan. 23.—(Special.) Farmers living in the vicinity of Tripp and some of the business men of that place, as the result of a recent meeting, decided to organize a co-operative company for the purpose of establishing an independent lumber yard at Tripp. The company will be incorporated at once and will have a capital stock of \$20,000, with shares at \$100 each. Final arrangements will be made at another meeting to be held Monday, January 30. Henry Klatt, Jr., was elected temporary chairman of the company, and Fritz Phillips temporary secretary, both being residents of Tripp.

David Graham Phillips is Seriously Wounded

Unidentified Man Fires Four or Five Shots at the Author and Then Kills Himself.

NEW YORK, Jan. 23.—David Graham Phillips, the author, was shot by an unidentified man while on his way from his home to the Princeton club this afternoon. Four or five shots were fired and it is reported that two of the shots took effect. The man then turned the weapon on himself and was taken in an unconscious condition to Bellevue hospital.

Mr. Phillips was taken to Bellevue hospital, where it was said his condition was serious. His assailant died from the effects of the shots he sent into his own body.

Winter Sports

are the most exhilarating of all the seasons. When you return to the warmth of the fire and the comfort of the big arm chair, then is the time to open a bottle of Pabst Blue Ribbon Beer. It revives, refreshes and furnishes that needed stimulant which prevents reaction or exhaustion.

The shooting occurred in East Twenty-first street, a short distance from the Princeton clubhouse.

Five shots were discharged, when Mr. Phillips was seen to fall heavily, at least one of the shots having taken effect in his left side, near the heart.

NIGHT CHIEF CORBIN IS DEAD FROM COLD AT FIRE

Man Who Fought Chamber of Commerce Blaze Succumbs to Pneumonia.

CINCINNATI, O., Jan. 23.—Pneumonia contracted while directing the police at the Chamber of Commerce fire in which six lives were lost January 10, tonight claimed Night Chief of Police Samuel Corbin. Promoted from the ranks, Chief Corbin had been on the force about a quarter of a century and was widely known throughout the country. While assisting in the work at the Chamber of Commerce fire he contracted a cold which soon developed into pneumonia and for several days his condition had been critical.

TRUESDALE GETS NEW PLACE

President of Lackawanna Will Be Made Head of Finance Committee.

SCRANTON, Pa., Jan. 23.—In order to bring the Delaware, Lackaw
